Who's in the Limo Billy Pistole,2019-08-01 Growing up in a small Redneck Cowboy town in California, this guy managed to live quite an unexpected life--tramping cotton in winter, branding cattle in the summer, a stint in the US Army, and with wheels moving all the time. Join this veteran as he rubs elbows (and more) with some of the world's most recognized, famous, and infamous. Hop alongside this veteran limo driver and take a ride. Some trips stranger than fiction. At times you may be laughing out loud; other stories might have you wishing to grab the door and run. Even the not famous is just as offbeat/colorful in their behavior and lifestyle. This collection of stories is part memoir and part documentary, always with a keen eye on the varied state of human disarray. Hop on in for the ride of your life, and as always, seat belts are optional.

Limo Dan Jenkins,Edwin "Bud" Shrake,2013-05-24 Decades before it saturated the airwaves, Dan Jenkins and Bud Shrake actually invented reality TV--and skewered it into a comic novel that was way ahead of its time. Frank Mallory is a big gun at one of the four major networks. Cruising around Manhattan in his Silver Goblet, a Rolls Royce limo, he finds that life in the fast lane is beginning to unravel. Having to deal with the departure of his wife, his boss The Big Guy, and crazed Hollywood stars--while at the same time having to maintain a high-stakes job--all tend to make Frank Mallory, well, act out. After Frank struggles to fill all his number-four network's prime-time slots--it tends to lag behind CBS, NBC, and ABC--the Big Guy forces him to create a show called Just Up The Street, which is meant to entertain ordinary

Americans with the real lives of other ordinary Americans. Ultimately the resulting script causes the Big Guy's downfall and forces everyone else to return to a reality that comes without scare quotes. *Limo* is a hilarious, entertaining caricature of the lifestyle of the rich and famous, and provides a fascinating insight into the world of network television. Through a haze of booze and drugs, we see Frank's desperation for a normal life and real relationships. Frank Mallory's only true relationships are found in the confines of his Silver Goblet, where he finds friendship with D. Wayne Cooper and love with Sally Hawks. Only after a series of crises does Frank ultimately find himself--and the happiness that has eluded him. Originally published in 1976, *Limo* is now back in print, complete with a foreword from acclaimed author Jeff Guinn.

These new transportation companies are now the new competitors against the global limousine industry. Pricewise or servicewise, the transportation consumer will make his or her own choice.
