**Lip Service** Bruce Andrews,2001 Poetry. Bruce Andrews is a performance artist and poet whose texts are some of the most radical of the Language school...Small linguistic units, idioms, phrases and single words, taken from different, sometimes mutually exclusive registers, especially discourses which are socially sensitive and resonant to contemporary ears, enable the poetry to 'suggest a social undecidability.' LIP SERVICE, the long-awaited long poem sequel to SHUT UP, reminds us to 'accept no discourse except love's' - Oxford Companion to Twentieth Century Literature in English. Among the titles by Bruce Andrews still available from SPD are I DON'T HAVE ANY PAPER SO SHUT Up and PARADISE AND METHOD.

Lip Service Susan Mallery,2023-02-13 A single mom must face her first love--and the father of her daughter--when he comes back to town in this reunion romance from #1 New York Times bestselling author Susan Mallery! Skye Titan's wealthy father thinks he can still dictate his daughter's choice in men. Now widowed and a single mother, Skye isn't the yes-girl she once was. Especially since the love of her life is back in Texas after eight long years. He won't like the answers to the questions he's asking. About why she left him at the altar. And about her eight-year-old daughter. Former Navy SEAL Mitch Cassidy comes home to find nearly everything different. His wounds from battle have changed the way people treat him. His cattle ranch is suddenly organic. But time hasn't touched his desire for Skye—or the sting of her betrayal. Forget lip service. He's asking that luscious mouth of hers to reveal the truth. But will Mitch be able to put the past aside to help Skye get out from under her father's thumb...and help himself recover from a broken heart?

Diversity Beyond Lip Service La'Wana Harris,2019-05-28 The ugly truth about diversity is that some people worry they must give up their power for others to have a chance. La'Wana Harris's Inclusion Coaching method helps people realize that sharing power isn't the same as losing it. The elephant in the room with diversity work is that people with privilege must use it to allow others equal access to power. This is often why diversity efforts falter—people believe in diversity until they feel that they have to give something up. How do we talk them through this shift? La'Wana Harris introduces Inclusion Coaching, a new tool based on cutting-edge research that identifies the stages of preparation, implementation, and “self-work” necessary to help individuals, teams, and organizations build a sustainable culture of inclusion. Harris's six-stage COMMIT model—Commit to courageous action, Open your eyes and ears, Move beyond lip service, Make room for controversy and conflict, Invite new perspectives, and Tell the truth even when it hurts—provides a proven process for making people aware of their own conscious and unconscious biases and concrete steps to make inclusion an embedded reality. Harris offers managers and diversity coaches new models to empower everyone from employees to CEOs to “do” inclusion and address deep-rooted biases that are often invisible. She addresses the growing need to challenge bias and build authentic cultures where everyone can feel a sense of belonging.

**Lip Service** M. J. Rose,2013-12-05 On the surface, Julia Sterling's life is enviable. She lives on Manhattan's East Side, is married to a renowned psychiatrist, deeply loves her stepson and is forging a career as a journalist. When a writing assignment exposes Julia to telephone sex, she glimpses a world that stirs her erotic fantasies but threatens her carefully constructed reality. As she probes her emotional and sexual connections to the men she knows and several she will never meet, she confronts evil, perversity and her own passions.

**Lip Service** Kate Fillion,1996 In Lip Service, journalist Kate Fillion challenges our cherished convictions about women's natural instincts and shows how our most ingrained beliefs about gender differences actually blind us to the complexities and contradictions in women's and men's behavior. More important, she demonstrates in powerful terms how confining and self-destructive this skewed perspective is for women in all aspects of their lives - including office politics, their intimate relationships with men, their friendships with women, and their own self-images.

**Why Smile?: The Science Behind Facial Expressions** Marianne LaFrance,2011-08-08 “A charming, thoughtful book, one that makes a powerful case for smiles as ‘social acts with consequences.’ ”—Boston Sunday Globe When someone smiles, the effects are often positive: a glum mood lifts; an apology is accepted; a deal is struck; a flirtation begins. But change the circumstances or the cast of a smile, and the terms shift: a rival grins to get under your skin; a bully’s smirk unsettles his mark. Marianne LaFrance, called the world’s expert on smiles, investigates the familiar grin and finds that it is not quite as simple as it first appears. LaFrance shows how the smile says much more than we realize—or care to admit: not just cheerful expressions, smiles are social acts with serious consequences. Drawing on her research conducted at Yale University and Boston College as well as the latest studies in psychology, medicine, anthropology, biology, and computer science, LaFrance explores the compelling science behind the smile. Who shows more fake smiles, popular kids or unpopular kids? Is it good or bad when a bereaved person smiles? These are some of the questions answered in this groundbreaking and insightful work. To read it is to learn just how much the smile influences our lives and our relationships.

Some of My Best Friends Tajja Isen,2022-04-19 A fearless and darkly comic essay collection about race, justice, and the limits of good intentions. In this stunning debut collection, Catapult editor-in-chief and award-

winning voice actor Tajja Isen explores the absurdity of living in a world that has grown fluent in the language of social justice but doesn't always follow through. These nine daring essays explore the sometimes troubling and often awkward nature of that discord. Some of My Best Friends takes on the cartoon industry's pivot away from colorblind casting, the pursuit of diverse representation in the literary world, the law's refusal to see inequality, and the cozy fictions of nationalism. Isen deftly examines the quick, cosmetic fixes society makes to address systemic problems, and reveals the unexpected ways they can misfire. In the spirit of Zadie Smith, Cathy Park Hong, and Jia Tolentino, Isen interlaces cultural criticism with her lived experience to explore the gaps between what we say and what we do, what we do and what we value, what we value and what we demand.

**Lip Service** M. J. Rose, 2000-07-01 Crackling with eroticism and suspense, the seductive new book that everyone is talking about probes the secret world of phone sex and one woman who becomes empowered by what she discovers there. Not since Erica Jong's *Fear of Flying* has a novel so masterfully mined the relationship between sexuality and identity. On the surface, Julia Sterling's life seems blessed. Married to a renowned psychiatrist and living on Manhattan's tony Upper East Side, Julia deeply loves her stepson and is forging a career as a journalist. When a writing job exposes her to the world of phone sex, Julia glimpses a world that stirs her erotic fantasies but threatens her carefully constructed reality. As she explores her emotional and sexual connections to the men she knows and several she will never meet, she confronts evil, perversity, and her own passions. Tracing the currents of desire, illusion, and psychological manipulation, *Lip Service* is an astonishingly vivid glimpse into one woman's inner life. At the same time, this electrifying thriller grips the reader as it builds toward a shattering climax. M.J. Rose has delivered a debut novel unlike anything yet experienced in erotic fiction. *Lip Service* establishes her as a powerful storyteller.

**Chief Customer Officer** Jeanne Bliss, 2011-01-06 Drawing on her first-hand experience at top companies as diverse as Lands' End and Microsoft, Jeanne Bliss explains why even great corporations can drift to delivering mediocrity to customers, and she offers a proven solution to break the cycle. Different divisions and departments in corporations can fail to communicate and act as a team—they create silos instead of a superior customer experience. Jeanne Bliss shows in stark detail how profits suffer when businesses focus on their organizational charts and not their customer relationships. This book provides leaders the tools and information they need to overcome organizational inertia and deliver a meaningful customer experience. The author includes diagnostics to determine if a company's core strengths, metrics, and systems improve or harm customer relationships. With all these tools, leaders can address the organizational challenges they face with an exhaustive review of the Chief Customer Officer role and an evaluation to determine the right solution for their culture and company.

*Lip Service* Doreen Schultz, 2011-04 LIP service (Leaders of Intercessory Prayer) is a study guide designed to help you learn to pray more effectively through a personal relationship with Jesus Christ. This study guide will teach you practical steps to take that will lead you closer to your Savior. This is meant to be a continuous process. Once you have developed a personal relationship with Jesus Christ, LIP service will teach you how to use the promises from God in the Bible to pray for yourself and others, on your own or in a group. LIP service provides a list of promises from the Bible which cover topics such as family, children, healing, wealth, wisdom, and knowledge, to name a few. LIP service can be studied on your own, or could be used in a Bible study group. My hope is that your life will be enriched through a personal relationship with Jesus Christ. 2 Peter 1:4 Through these He has given us His very great and precious promises, so that through them you may participate in the divine nature, having escaped the corruption in the world caused by evil desires. Psalm 145:13 Your kingdom is an everlasting kingdom, and your dominion endures through all generations. The Lord is trustworthy to all He promises and faithful in all He does.

**Lip Service** Marjorie Razorblade, 2008-10-01 Poetry from Marjorie Razorblade. Its all above board and quite the topical Magnum Opus. A wondrous book filled with Love, Lust, Sex, Rants and a few Squirrels.

**Lip Service** Virna DePaul, 2017-12-26 Dani I just wanted to tell Hunter Kiss where he could shove the fancy phone he gave my little brother as an obvious bribe. I'm sorry/not sorry I hit him in the nose with it, but sports agents who come sniffing around with dollar signs in their eyes have to get through me. But now I'm pinned between the wall and Hunter's naked body, and I'm the one sniffing his unbelievably hot, freshly showered skin...and trying to remember I'm a strong woman who stands on her own two feet, not one of his peanut-butter-legged conquests. Hunter I make college football players into stars without having to bribe them, and I'm pissed Dani Cross thinks otherwise. But anger isn't all she makes me feel. The pink-haired, pierced tattoo artist is so hot she makes me want to forget my own rule: one night per woman, no exceptions. Only she doesn't trust me as far as she can throw me. (And trust me, that woman has an arm.) She's been hurt, and it'll take more than smooth talking to make her forget the pain. But for the first time in my life, I'm ready to lay it all on the table—even if closing the deal means offering my heart.

Beyond Lip Service Anna Maria Santiago,Kelly Patterson,Robert Mark Silverman,2023-02-28 This book underscores the importance of moving beyond lip service or hollow platitudes to mobilize and expand the capacity of social justice movements to foster policy change and incubate new programs at the local, state, and federal levels. In the wake of global protests spurred by acts of police brutality in the United States, present-day problematic policing and racial injustice in Black and Brown communities surged to the forefront of political discourse in recent years. Institutionalized backlash politics, which emerged during the post-Civil Rights era, perpetuated and further exacerbated generations-long racial disparities and stymied systemic change. This edited volume describes pilot programs and community-based initiatives that show promise as tools for equity and racial justice in Black and Brown communities. This book will be of great value to scholars and academics interested in racism, justice, community development and social work. The chapters in this book were originally published in the Journal of Community Practice.

*Without Lip Service* Leslie W. Sandor,2005 Without Lip Service is not about pleasing you for the sake of self-satisfaction. It's about life and people written in naked-truth form. During reading, be prepared to go through dramatically different moods swaying from high exhilaration to passionate fury. Which one it will be depends on where you are in life as well as on your point of views on any given issue raised by the author. Examples: The world is not America's Lawyers by trade are professional liars A definition of politics: Corruption We live in a world of trickery Prerequisites to successful life... A list of ill-fated concepts... Experience and knowledge have been awarded with 'early retirement' Of the media, They decide what's good for you Terrorism is a product of gross injustice... You would deny yourself a tremendous amount of knowledge and wisdom by not reading what is offered in this book. Without Lip Service will surely be not only your reference book but a guide as well throughout your entire life including your children's.

God Requires More Than Lip Service Johnna Blount Purkett,2021-02-11 For Christians seeking to deepen or strengthen their spiritual relationship, More Than Lip Service serves as a beacon. This book provides a biblical definition and description of Christian behaviors and values. More Than Lip Service is a message to Believers at various stages in their walk with Christ –from those already in spiritual leadership positions to those who are just beginning. As this book assists in the development of spiritual maturity, it also challenges every reader, regardless of their current spiritual relationship, to consider their approach to serving and living for God.
