*Bronco Busters* Alison Cragin Herzig,1998 Three rough, tough bronco busters can't tame a little black pony, but a small, quiet cowboy talks to him and bring him water, and then quietly rides away with him.

*Creole Gumbo and All That Jazz* Howard Mitcham,1992-03-31 Seafood, folklore, and New Orleans jazz history combine in "a delightful book with excellent recipes" (Mimi Sheraton, The New York Times). A dazzling array of photos, recipes, and far-out folklore, spiced up with tidbits of jazz history and lyrics, comprises a seafood

cookbook that celebrates the world-famous cookery of New Orleans. Howard Mitcham offers more than 300 enticing dishes, from crab gumbo and shrimp-oyster jambalaya to barbecued red snapper and trout amandine. As an appetizer, Mitcham traces the development of the cuisine that made New Orleans famous and the history of the people who brought their native cookery to the melting pot that makes New Orleans a living gumbo. For the main course, he puts together a cornucopia of local delights that are ready to prepare in any kitchen. Mitcham traces the development of sophisticated Creole cooking and its rambunctious country cousin, Cajun cooking, with innumerable anecdotes, pictures, and recipes as well as a list of substitutes for hard-to-find seafoods. "Creole Gumbo is more than a cookbook. It is a history book, a music lesson and a personality profile of great jazzmen." –Today

**Jambusters** Julie Summers,2013-02-28 The compelling true story that inspired the hugely successful major ITV drama series HOME FIRES – now in its second season. The Second World War was the WI's finest hour. The whole of its previous history - two decades of educating, entertaining and supporting women and campaigning on women's issues - culminated in the enormous collective responsibility felt by the members to 'do their bit' for Britain. With all the vigour, energy and enthusiasm at their disposal, a third of a million country women set out to make their lives and the lives of those around them more bearable in what they described as 'a period of insanity'. Through archive material and interviews with many WI members, Julie Summers takes us behind the scenes, revealing their nitty-gritty approach to the daily problems presented by the conflict. Jambusters is the fascinating story of how the Women's Institute pulled rural Britain through the war with pots of jam and a spirit of make-do-and-mend.

**Incorrigibles and Innocents** Lara Saguisag,2018-10-05 Nominated for Eisner Award | Winner of the 2018 Ray and Pat Browne Award | Winner of the Charles Hatfield Book Prize from the CSS Histories and criticism of comics note that comic strips published in the Progressive Era were dynamic spaces in which anxieties about race, ethnicity, class, and gender were expressed, perpetuated, and alleviated. The proliferation of comic strip children—white and nonwhite, middle-class and lower class, male and female—suggests that childhood was a subject that fascinated and preoccupied Americans at the turn of the century. Many of these strips, including R.F. Outcault’s Hogan’s Alley and Buster Brown, Rudolph Dirks’s The Katzenjammer Kids and Winsor McCay’s Little Nemo in Slumberland were headlined by child characters. Yet no major study has explored the significance of these verbal-visual representations of childhood. *Incorrigibles and Innocents* addresses this gap in scholarship, examining the ways childhood was depicted and theorized in late nineteenth- and early twentieth-century comic strips. Drawing from and building on histories and theories of childhood, comics, and Progressive Era conceptualizations of citizenship and nationhood, Lara Saguisag demonstrates that child characters in comic strips expressed and complicated contemporary notions of who had a right to claim membership in a modernizing, expanding nation.
