Mace Lane Hart,2023-10-09 ~ Mace ~ I fell for Hailey the moment I laid eyes on her, before I knew about the three King Kong size battles I would have to fight to be with her. By the time Linc warned me that his gorgeous sister with legs a mile long was off limits and “emotionally fragile,” it was too late. There was no turning back. Then there’s my friend Senn, who had a one-night stand with Hailey. He’s trying his best to get a repeat performance during the week of Claire and Linc’s wedding. Sorry buddy, bros might come before hoes, but they don’t come before sweet southern belles. And last but not least, the IFC insists that if I want a million-dollar contract and a championship title fight then I need to keep up my playboy image to fuel all the female fans' filthy fantasies. But for Hailey, I’ll do whatever it takes to make her mine. ~ Hailey ~ Smooth talkin’, sexier than sin, Mason Reed came out of nowhere and stole my heart, despite his inappropriate obsession with my panties. I’m not supposed to fall for the “little” brother of my soon to be sister-in-law, or be fantasizin' about lickin’ every inch of his tattoos the week of her and Linc’s wedding. Mason’s seven years younger than me, and infamous for his so called “harem.” His fight intro song is actually a tribute to his magical...well, it rhymes with rock. Not only will he likely end up hurtin’ me, but he’s also...rock blockin' Senn, my former hot fling. After I find out just how close Mason is to landin’ a huge IFC contract if he keeps performin' his magic tricks for all the ladies, I refuse to let him give it all up for me. I had no idea how much I would miss him or how much it would hurt when I finally succeeded in pushin' him away.

If Kevin Metis being out and out for blood wasn't enough of a threat, he has hired the most deadly assassin, Ryuu Blade, to help him out. Danger is around every corner and everyone coming to Siren for help isn't as helpless as they seem. Backtrack Eight years after the murder of her sister and father, Nicolette Mace, the Raven Siren is in danger of being murdered by the same man. Along with her only friend, Police chief Fred Barlow, it's up to Siren to figure out why she's being targeted before she and Fred both end up dead. The Shortest Day Men are the cause of all Siren's problems, so when she gets a call to help a woman suffering the same way she can't help but jump at the chance to get involved. Something that her enemies seem to be counting on. Fred is trying to protect her but Siren is hell bent on her own destruction. Deceiving Appearances Fred's brother has been murdered. Looking for comfort and a friend to help him find the killers, he turns to Siren. The two of them must now fight against the criminal underworld and the police to uncover the truth. But discovering the truth has a cost that might be too high for either of them to pay. The Streets of the Living Siren and Fred have tracked down Kevin Metis and it leads them back to the city where it all started. But there isn't a warm welcome waiting for them. Fighting against their own relationship problems, the wrath of Ryuu Blade and Metis' army of hired gunmen, the P.I and Police Chief are searching for old allies that won't betray them to take down Metis once and for all.

Beginnings C. S. Woolley,2015-10-04 My name is Nicolette Mace, though the city knows me as the Raven Siren. I'm the youngest private investigator most people have ever come across. I've been in hospital more times than I have been in a school class room. I was playing with guns when I was four years old; I knew how to drive cars at seven. I've spent most of my life running around the toughest and meanest streets this city has to offer and they haven't found something that can kill me yet. I am Nicolette Mace, I am the Raven Siren and nothing is going to stop me from taking my revenge.

Gunman's Song Ralph Cotton,2013-06-04 AND THE LAST SHALL BE FAST Lawrence Shaw once got a boost out of being the quickest gun alive. Now he’s partial to telling gunfighter stories rather than living them. But that doesn’t stop every ornery shootist with an itchy trigger finger from trying to pull iron on Fast Larry Shaw...or a group of gamblers from wagering five grand on who will kill him...or a gang of cutthroat saddle tramps from slaying his wife while in search of him. Racked with guilt for not saving his beloved, Shaw vows to shorten the life expectancy of her murderers—and any other hardcase who even thinks of sending hot lead his way.

Broken Beauty Lizzy Ford,2013-09-22 **Contains graphic content involving the sensitive topic of rape and its aftermath. Not intended for teens under 18.** Sometimes bad things happen to beautiful people. When socialite

party girl Mia Abbott-Renou wakes up in a garden she has little recall of the previous night -- except that she is naked...hurt...terrified. Not only has she been raped, but she knows one of her assailants: the son of a wealthy politician who happens to be her own father's political ally. Mia wants and needs justice. Except this privileged boy has an alibi and her father forbids her from going to the police. It's a critical election year, one that his party might lose if his image as a doting father is soured due to Mia being labeled a lush or worse, promiscuous. Devastated at not having the support of her family, Mia finds herself in a tug-of-war with her conscience over what to do, especially since she can't remember exactly what happened that night. Worse, the men who attacked her have hurt several other girls, and Mia may be the key to stopping them. Mia tries to forget, until the unthinkable happens, and she's left reeling once again until she realizes that her strength will bring healing and unlocking her memories will bring justice.
