

Lobster

John N. Cobb

The Maine Lobster Book Virginia M. Wright,2012-06-01 Everyone loves lobster - especially Maine lobster. This fun, fact filled book brings the reader on the lobster's journey from ocean floor to plate, stopping along the way to get to know the people and places of Maine's iconic industry.

Lobster Elisabeth Townsend,2012-01-01 Other than that it tastes delicious with butter, what do you know about the knobbily-armoured, scarlet creature staring back at you from your fancy dinner plate? Food writer Elisabeth Townsend here charts the global rise of the lobster as delicacy. Part of the Edible Series, *Lobster: A Global History* explores the use and consumption of the lobster from poor man's staple to cultural icon. From coastal fishing in the Middle Ages to the Industrial Revolution and modern times, Townsend describes the social history of the consumption of lobsters around the world. As well, the book includes beautiful images of rarely seen lobsters and both old and contemporary lobster recipes. Whether you want to liberate lobsters from their supermarket tanks or crack open their claws, this is an essential read, describing the human connection to the lobster from his ocean home to the dinner table.

Lobster Guillaume Lecasble,2023-06-16 'There was a Lobster-shaped hole in world literature which has now been filled by this remarkable work.' Nick Lezard in *The Guardian* Aboard the Titanic, Lobster watches Angelina devour his father, before being plucked out of the aquarium himself. Just as he is put in the boiling pot, the ship hits the iceberg and the pot is thrown to the floor. Lobster survives, with some changes: he finds himself sexually attracted not only to a human, but to the very human who ate his father. He gives her one life-changing orgasm before their tragic separation, following an ugly incident in one of the lifeboats. 'A fable of crustacean love. Our hero is a lobster aboard the Titanic. From his tank, he watches his father being eaten by a pretty girl. Then the boat founders and Lobster escapes. Aboard the sinking ship, Angelina, the girl who ate his dad, knows a brief but shattering moment of physical love with Lobster. Then they are separated. They pine for each other. Angelina tries having sex with another lobster, with disastrous results. Death smells of bay leaves.' Sam Leith in *The Daily Telegraph* 'In terms of abusing the natural world, *Lobster* by Guillaume Lecasble is in a league of its own. The surrealist tale of a lobster on board the Titanic which finds itself helplessly attracted to a human female, the book hinges on the life-changing orgasm the fishy amorist gives Angelina as the boat sinks in the icy water.' Tom Fleming in *The Literary Review*

Last Night at the Lobster Stewart O'Nan,2007 ONAN/LAST NIGHT AT THE LOBSTER

Consider the Lobster David Foster Wallace,2005-12-01 This celebrated collection of essays from the author of *Infinite Jest* is brilliantly entertaining...Consider the Lobster proves once more why Wallace should be regarded as this generation's best comic writer (Cleveland Plain Dealer). Do lobsters feel pain? Did Franz Kafka have a funny bone? What is John Updike's deal, anyway? And what happens when adult video starlets meet their fans in person? David Foster Wallace answers these questions and more in essays that are also enthralling narrative adventures. Whether covering the three-ring circus of John McCain's 2000 presidential race, plunging into the wars between dictionary writers, or confronting the World's Largest Lobster Cooker at the annual Maine Lobster Festival, Wallace projects a quality of thought that is uniquely his and a voice as powerful and distinct as any in American letters. Wallace can do sad, funny, silly, heartbreaking, and absurd with equal ease; he can even do them all at once. --Michiko Kakutani, *New York Times*

The Lobster Gangs of Maine James M. Acheson,1988 An anthropologist describes the working world of Maine lobstermen, focusing on the intricate personal network that sustains them.

I, Lobster Nancy Frazier,2012 A consideration of the lobster in history, myth, art, literature, and cuisine

Lobster! Brooke Dojny, 2012-01-01 Provides fifty-five recipes that incorporate lobster, including lobster fra diavolo, lobster and pea shoot salad, lobster gazpacho, and lobster mac and cheese.

Lobster vs. Crab (Who Would Win?) Jerry Pallotta, 2020-10-06 What if a lobster and a crab had a fight? Who do you think would win? This nonfiction reader compares and contrasts two ferocious sea creatures. Readers will learn about each animal's anatomy, behavior, and more. Then compare and contrast the battling pair before finally discovering the winner! This nonfiction series is full of facts, photos, and realistic illustrations, and it includes a range of mammals, sea creatures, insects, and dinosaurs to satisfy all kinds of animal fans.

The Last Lobster Christopher White, 2018-06-05 From the author of *Skipjack & The Melting World* comes a mystery: the curious boom in America's beloved lobster industry and its probable crash. Maine lobstermen have happened upon a bonanza along their rugged, picturesque coast. For the past five years, the lobster population along the coast of Maine has boomed, resulting in a lobster harvest six times the size of the record catch from the 1980s—an event unheard of in fisheries. In a detective story, scientists and fishermen explore various theories for the glut. Leading contenders are a sudden lack of predators and a recent wedge of warming waters, which may disrupt the reproductive cycle, a consequence of climate change. Christopher White's *The Last Lobster* follows three lobster captains—Frank, Jason, and Julie (one of the few female skippers in Maine)—as they haul and set thousands of traps. Unexpectedly, boom may turn to bust, as the captains must fight a warming ocean, volatile prices, and rough weather to keep their livelihood afloat. The three captains work longer hours, trying to make up in volume what they lack in price. As a result, there are 3 million lobster traps on the bottom of the Gulf of Maine, while Frank, Jason, and others call for a reduction of traps. This may boost prices. The Maine lobstering towns are among the first American communities to confront global warming, and the survival of the Maine Coast depends upon their efforts. It may be an uphill battle to create a sustainable catch as high temperatures are already displacing lobsters northward toward Canadian waters—out of reach of American fishermen. The last lobster may be just ahead.

How to Catch a Lobster in Downeast Maine Christina Lemieux Oragona, 2019-11-18 An insider's look at the daily lives of Maine's lobster fishermen. What is it like to live and work in a lobster fishing village in one of the most remote parts of Maine? The extreme weather conditions of the Maine coast, unreliable fishing seasons and an ever-present element of danger are just a few of the challenges encountered by lobster fishermen. They must adapt to constant change and balance exploiting the natural resource for personal profit with a duty to conserve lobster stocks for future generations. Despite the challenges, most would not trade the benefits of their job—from the independence it offers to unique pastimes like lobster boat racing. These fishermen aren't just the masters of their ships, they are the captains of their souls. From a family of four generations of lobster fishermen, Christina Lemieux Oragona provides a glimpse inside these lobstering communities and celebrates it for those lucky enough to live it—the trials, triumphs and even a few of her favorite lobster recipes. “Her first book is a comprehensive, authentic, and honest insider's look at the life of a Maine lobsterman. The book covers the strategy involved (they don't just plunk those traps anywhere), the complexities of the market, the perils of the profession, the finer points of lobster-boat design, and even the unwritten rules that lobstermen use to police their waters (they are strictly, if unofficially, enforced).” —Colby Magazine “With an abundance of romanticized and dramatic fishing stories on the shelves, Christina wanted to tell the story in an accurate way and felt a responsibility not just to the fishermen but to her family also.” —Machias Valley Observer “Christina lived in Cutler, worked in the industry and then interviewed a number of people to make this book possible. My first

question for her is when will the next book come out?" —Maine Coastal News

Lobster Dana Moos, 2021-05-15 Lobster is undoubtedly the world's favorite seafood, and lobsters play a vital part in Maine's economy and culture, for good reason--the best lobsters in the world are caught there and they are shipped all over the world to be enjoyed by the most discriminating of diners. Now, award-winning chef Dana Moos can help you prepare a gourmet lobster meal in your own home. With recipes for everything from tasty breakfast bites to brunch, lunch, and hearty entrees, this collection will have family and friends asking to eat in every day of the week. Wow them with such delights as lobster won-tons, egg roulade with lobster, lobster bread pudding, and, of course, variations on the classic lobster roll, lobster bisque, and steamed lobster.

The Lobster Fishery of Maine John N. Cobb, 2023-08-22 The Lobster Fishery of Maine by John N. Cobb. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

About Lobsters Theodore Mitchell Prudden, 1967

L Is for Lobster Cynthia Furlong Reynolds, 2010-10-22 From the Penobscots, Passaquamoddies, Puritans, and pilgrims, to the proud people Down East, L is for Lobster is the alphabet book for all Mainers. The rhymes and text woven through A to Z teach children about the many wonders of this great vacationland. Open the pages and explore the Quoddy lighthouse, learn about Old Town Canoe Company, or search the beaches for ocean treasures. With charming, warm illustrations from Jeannie Brett, as well as playful rhymes and informative text from Maine native Cynthia Furlong Reynolds, L is for Lobster is sure to become a favorite of children, teachers, and parents. Rediscover the deep, rich woodlands and sparkling ocean playgrounds of Maine through this delightful alphabet journey!

Best Maine Lobster Rolls Down East Magazine, 2018-06-30 What's for lunch when you're in Maine in the summer? What else but the ubiquitous lobster roll. Nearly every café, diner, dive, and gourmet restaurant offers their version of this sandwich (even McDonald's adds one to their menu every summer) and chefs delight in adding their own spin on this classic comfort food. Down East magazine has scoured the state and come up with the 75 best lobster rolls to be had anywhere. Each is ranked and paired with a brief write-up and directions to the eatery, including some recommendations of toppings, sides, desserts, or other delights that might pair nicely with the main course. Rounding it all out are helpful tips, such as the best way to eat a lobster roll (they can be rather messy), an occasional recipe, and fun facts and trivia—did you know record for the biggest lobster roll ever made is held by Portland? In 2009 the city baked a 61ft, 9½ inch roll and stuffed it with 45 pounds of lobster meat. It may not be the only food guide you grab when you come to Maine, but it's guaranteed to be the most fun.

How to Catch a Lobster Leslie S. Moore, 2016-07-01 Children's book of photos and text about a day on the water lobster fishing, with extra educational content.

Capturing the Commons James M. Acheson, 2014-08-26 One of the most pressing concerns of environmentalists and policy makers is the overexploitation of natural resources. Efforts to regulate such resources are too often undermined by the people whose livelihoods depend on their use. One of the great challenges for wildlife managers in the twenty-first century is learning to create the conditions under which people will erect effective and workable rules to conserve those resources. James M. Acheson, author of the best-selling *Lobster Gangs of Maine* (the seminal work on the culture and economics of lobster

fishing), here turns his attention to the management of the lobster industry. In this illuminating new book, he shows that resource degradation is not inevitable. Indeed, the Maine lobster fishery is one of the most successful fisheries in the world. Catches have been stable since World War II, and record highs have been achieved since the late 1980s. According to Acheson, these high catches are due, in part, to the institutions generated by the lobster-fishing industry to control fishing practices. These rules are effective. Rational choice theory frames Acheson's down-to-earth study. Rational choice theorists believe that the overexploitation of marine resources stems from their common-pool nature, which results in collective action problems. In fisheries, what is rational for the individual fishermen can lead to disaster for the society. The progressive Maine lobster industry, lobster fishermen, and local groups have solved a series of such problems by creating three different sets of regulations: informal territorial rules; rules to control the number of traps; and formal conservation legislation. In recent years, the industry has successfully influenced new regulations at the federal level and has developed a strong co-management system with the Maine government. The process of developing these rules has been quite acrimonious; factions of fishermen have disagreed over lobster rules designed to give commercial advantage to one group or another. Although fishermen and scientists have come to share a conservation ethic, they often disagree over how to best conserve the lobster and even the quality of science. The importance of *Capturing the Commons* is twofold: it provides a case study of the management of one highly successful fishery, which can serve as a management model for policy makers, politicians, and local communities; and it adds to the body of theory concerning the conditions under which people will and will not devise institutions to manage natural resources.

Lobster at Home Jasper White, 1998-06-10 More than five years in preparation, *Lobster at Home* will teach anyone, from the most inexperienced novice to the seasoned professional, to master the art of cooking lobster.

Lobster Shacks: A Road Guide to New England's Best Lobster Joints Mike Urban, 2012-06-04 A road-trip-style guide to over seventy top-recommended lobster shacks in New England presents a history of each establishment, menu highlights, and driving directions, as well as lobster shack lore and featured recipes.

When somebody should go to the ebook stores, search commencement by shop, shelf by shelf, it is really problematic. This is why we give the books compilations in this website. It will extremely ease you to see guide **Lobster** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections. If you aspiration to download and install the *Lobster*, it is categorically easy then, past currently we extend the link to buy and make bargains to download and install *Lobster* fittingly simple!
