

Loco

William Arthur Shaw

Poco Loco J. R. Krause, Maria Chua, 2013 Meet Poco Loco. He's a very unusual ratón. He likes to invent wacky things. When Poco Loco's Waffle Iron-Weather Forecaster predicts mal tiempo, Poco Loco runs to tell his barnyard friends. But it's still sunny out, and the other animals don't believe him. Then a roar of wind whips through their picnic, and Poco Loco and his friends fly up, up, and away. But never fear! Poco Loco will use his wits (and one crazy invention) to save the day! A Spanish/English glossary is included.

Harley Loco Rayya Elias, 2014-03-25 "Terrific. . . Rayya's stories blew mine away." - Elizabeth Gilbert "A classic, blood-stained love letter to bohemian NYC." - Craig Marks When she was seven, Rayya Elias and her family fled the political conflict in their native Syria, settling in Detroit. Bullied in school and caught between the world of her traditional family and her tough American classmates, she rebelled early. Elias moved to New York City to become a musician and kept herself afloat with an uncommon talent for cutting hair. At the height of the punk movement, life on the Lower East Side was full of adventure, creative inspiration, and temptation. Eventually, Elias's passionate affairs with lovers of both sexes went awry, her (more than) occasional drug use turned to addiction, and she found herself living on the streets-between her visits to jail. This debut memoir charts four decades of a life lived in the moment, a path from harrowing loss and darkness to a place of peace and redemption. Elias's wit and lack of self-pity in the face of her extreme highs and lows make Harley Loco a powerful read that's sure to appeal to fans of Patti Smith, Augusten Burroughs, and Eleanor Henderson.

Loco Spotter's Guide Stuart Black, 2017-02-23 Since the 1800s locomotives have steamed, chugged and sparked their way into the nation's affections. These powerful engines were the drivers of the Industrial Revolution, and to the present day carry passengers and freight to every corner of Britain. But do you know your Locomotion from your Rocket, or your Gresley Class A4 from your Princess Coronation Class? How heavy is the Flying Scotsman? And who designed the Britannia Class? The Loco Spotter's Guide answers all of these questions, with first-class illustrations portraying more than 60 of the most important steam, diesel and electric designs, including all-important specifications and technical details to aid any would-be loco spotter.

Loco's Angel (Midnight Reapers 1) Lola James, [Siren Classic BDSM: Erotic Romance, Suspense, Sex Toys, Contemporary, Motorcycle Club, MF, HEA] Sometimes an angel thrives in darkness. Loco North is my darkness, my one regret, and my greatest heartache. He's also the only man I know who can protect me when I escape the monster from my past. I need his help and it comes at a price I'm terrified to pay. He'll make me suffer for keeping his daughter from him. He's calling all the shots, but I'm not the naive girl I used to be. This time if he wants me, there's a price he's going to pay. I'm about to show this bad boy I'm no angel and in return I want the one thing he always kept away from me. I want Loco's heart and there's nothing I won't do to get it. When my demons catch up with me, a decision must be made. Do I choose the new life I've fought for, or do I sacrifice myself for love?

Crazy Loco David Talbot Rice, 2003-07-14 A powerful collection of short stories telling the tales of a Mexican-American childhood ideal for fans of Gary Soto Welcome to Southern Texas. Meet Loco, a dog with a passion for firecrackers. And Pedro, an altar boy forced to learn a hard lesson from two of the toughest, oldest men ever to serve the Lord. Jordan and Todd are two boys from California who don't know what they're in for when they push their Texas cousins a little too far. Loosely based on the author's own childhood as a Mexican-American boy in south Texas, this story collection is a moving whirlwind of humor and insight--brash, tender, and full of the unexpected.

Crazy Loco David Rice, 2003-07 A collection of nine stories about Mexican American kids growing up in the Rio

Grande Valley of southern Texas.

Loco in the Badlands Pedro Villegas,2017-08-22 An agent is working deep undercover to perform a hand-to-hand bust on the world's largest drug cartel. He must overcome government corruption, racism, and a professional assassin before his cover is blown. Loco in the Badlands is inspired by the true case files of Pedro Villegas.

Crazy Loco Love Victor Villaseñor,2010-11-09 Growing up on his parents' ranch in North San Diego County, Victor Villaseñor's teenage years were marked by a painful quest to find a place for himself in a world he did not fit into. Discriminated due to his Mexican heritage, Victor questions the tenets of his faith and the restrictions it places on his own spirituality and sexuality. Ultimately, his search for identity takes him to Mexico to learn of his family's roots, where he soon discovers that his heritage doesn't determine his intelligence or success. Through this often humorous and poignant tale, Victor deftly undermines the macho stereotype so often associated with Latinos, while exposing the tender vulnerability and naïveté of a young man grappling with the roles foisted on him by the church and society. Victor's youthful misadventures elicit sympathy, laughter, and tears as he attempts to divine the mysteries of the opposite sex in this powerful, revealing memoir. "The clarity that comes from Villaseñor's personal and cultural experience is not matched in any of Steinbeck's major works" (Los Angeles Times).

Loco (Wind Warriors #2) Cheyenne Meadows,2012-08-01 Loco lives in the fast lane. A traumatic event in his past haunts him, spurring him to heroic feats that do nothing to satisfy the guilt eating at his gut. Understanding he will die in the line of duty one day, Loco accepts the fact as his due. Oakley shares the other half of Loco's condominium. Carrying her own emotional scars, she recognizes the man for what he is--intensely brave, devoted, and struggling with inner demons. As they grow closer, she finds her frozen heart thawing and vows to help him into therapy. Will her gentle ways coax him into receiving the therapy he needs before his luck and amazing abilities fall short on the battleground?

Hi! My Name Is Loco and I Am a Racist Baye McNeil,2012-01-15 Born to Love - Taught to Loathe In this powerful and controversial debut book, acclaimed blogger turned author, Baye McNeil (a.k.a. Loco), vividly illustrates with unflinching introspection and candor the birth and evolution of a racist and in doing so makes the persuasive argument that the only way to cure this social virus is by first engaging one's own susceptibility. Loco takes us on a scintillating journey from the streets of Brooklyn, where a child's first playground was the front lines of the Pan-African Nationalist and Black Power movements of the 70s, to a period of black militancy, military service, interracial romance and corporate bigotry in the 80s and 90s. Following the earth-shattering events of 9/11/2001, Loco journeys to Japan where he learns the hard way why the old adage: you can't hide from yourself, has hung around so long. He finds the woman he was born to love; only she's a member of a race he has come to loathe! In the name of this love, Loco confronts his dark stowaway with deep roots even as the world is literally

falling apart around him, in the form of the Tohoku disaster of 3/11/2011. A book that is both a memoir and an impassioned call to arms, *Hi! My Name is Loco and I am a Racist* tells us in no uncertain terms that while racism continues to be demonized as a dark aberration that only evil people, ignorant fools, or people lacking compassion and common decency are subject to, then it will remain at large - hiding in plain sight, in our schools, offices, carpools, living rooms and sometimes even in the mirror.

Unveiling the Energy of Verbal Beauty: An Psychological Sojourn through **Loco**

In some sort of inundated with monitors and the cacophony of instantaneous transmission, the profound energy and mental resonance of verbal art usually disappear into obscurity, eclipsed by the constant assault of sound and distractions. Yet, located within the lyrical pages of **Loco**, a interesting work of literary brilliance that pulses with organic thoughts, lies an memorable trip waiting to be embarked upon. Penned with a virtuoso wordsmith, that exciting opus guides readers on a psychological odyssey, delicately revealing the latent potential and profound affect stuck within the complex web of language. Within the heart-wrenching expanse of this evocative evaluation, we shall embark upon an introspective exploration of the book is key themes, dissect their charming publishing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
