CODE OF CIVIL PROCEDURE, SECOND EDITION DAS, JATINDRA KUMAR,2023-07-06 The book, written with the author's extensive teaching experience at The West Bengal National University of Juridical Sciences, (NUJS) Kolkata and Department of Law, University of Calcutta, attempts to critically analyse Indian High Courts and Supreme Court cases on Code of Civil Procedure. It also evaluates the relationship between statutory procedural law and case law as a subject. The book's presentation of recent Supreme Court and High Court rulings is its primary attraction. These rulings have been examined, along with the critical analysis of the radical and extensive effects of the Code. This book is divided into six parts and is clear and well-structured. Part I develops theoretical foundations of the subject. Part II demonstrates certain important issues on the (i) scope of jurisdiction of civil courts to entertain disputes, (ii) principles governing res sub judice, res judicata and foreign judgment, (iii) nature of powers exercised by civil courts in matters relating to place of suing, institution of suit, transfer of cases, withdrawal and compromise of suits, (iv) necessary conditions for first hearing, interim order, trial as well as special suits, (v) scope and ambit of law relating to pleadings, appearance and non-appearance of parties, discovery, inspection, production of documents, death, marriage, insolvency of parties, judgment and decrees. Part III explores various issues on appeals, reference, review and revision. In this part an attempt has also been made to discuss different facets of law on first appeals, second appeals, appeals from orders, appeals by indigent persons and appeals to the Supreme Court. Part IV discusses various principles on execution. Part V deals with miscellaneous issues on the Law of Civil Procedure. Part VI includes commercial courts and their procedure as well as the law of limitation. Like the first edition, it is intended that this second edition would be helpful to LLB and LLM students, researchers, academicians, jurists, attorneys, judges, and members of civil society. KEY FEATURES OF SECOND EDITION 1. Written with case analysis method. 2. Demonstrates authoritative discussion on appeal, reference, review, and revision. 3. Contesting British Chinese Culture Ashley Thorpe,Diana Yeh,2018-09-18 This is the first text to address British Chinese culture. It explores British Chinese cultural politics in terms of national and international debates on the Chinese diaspora, race, multicultural, identity and belonging, and transnational 'Chineseness'. Collectively, the essays look at how notions of 'British Chinese culture' have been constructed and challenged in the visual arts, theatre and performance, and film, since the mid-1980s. They contest British Chinese invisibility, showing how practice is not only heterogeneous, but is forged through shifting historical and political contexts; continued racialization, the currency of Orientalist stereotypes and the possibility of their subversion; the policies of institutions and their funding strategies; and dynamic relationships with transnationalisms. The book brings a fresh perspective that makes both an empirical and theoretical contribution to the study of race and cultural production, whilst critically interrogating the very notion of British Chineseness.

Understanding the Political Culture of Hong Kong: The Paradox of Activism and Depoliticization Lam Wai-man,2015-06-03 This book challenges the widely held belief that Hong Kong's political culture is one of indifference. The term political indifference is used to suggest the apathy, naivete, passivity, and utilitarianism of Hong Kong's people toward political life. Taking a broad historical look at political participation in the former colony, Wai-man Lam argues that this is not a valid view and demonstrates Hong Kong's significant political activism in thirteen selected case studies covering 1949 through the present. Through in-depth analysis of these cases she provides a new understanding of the nature of Hong Kong politics, which can be described as a combination of political activism and a culture of depoliticization.

Love and Liberation Sarah H. Jacoby,2014-10-14 Love and Liberation reads the autobiographical and biographical writings of one of the few Tibetan Buddhist women to record the story of her life. Sera Khandro Künzang Dekyong Chönyi Wangmo (also called Dewé Dorjé, 1892–1940) was extraordinary not only for achieving religious mastery as a Tibetan Buddhist visionary and guru to many lamas, monastics, and laity in the Golok region of eastern Tibet, but also for her candor. This book listens to Sera Khandro's conversations with land deities, dakinis, bodhisattvas, lamas, and fellow religious community members whose voices interweave with her own to narrate what is a story of both love between Sera Khandro and her guru, Drimé Özer, and spiritual liberation. Sarah H. Jacoby's analysis focuses on the status of the female body in Sera Khandro's texts, the virtue of celibacy versus the expediency of sexuality for religious purposes, and the difference between profane lust and sacred love between male and female tantric partners. Her findings add new dimensions to our understanding of Tibetan Buddhist consort practices, complicating standard scriptural presentations of male subject and female aide. Sera Khandro depicts herself and Drimé Özer as inseparable embodiments of insight and method that together form the Vajrayana Buddhist vision of complete buddhahood. By advancing this complementary sacred partnership, Sera Khandro carved a place for herself as a female virtuoso in the male-dominated sphere of early twentieth-century Tibetan religion.
