Look Around You ,2023-05-02 The neglected actual first part of the Robin Hood series. Both in terms of its plot and date of first-publication and performance, Look Around You is the first part of a trilogy that was followed by the two famous Robin Hood plays, Downfall of Robert and Death of Robert Earl of Huntington. The latter two are tragedies that have been previously falsely attributed to “Anthony Monday”, while Look is a comedy that has remained unattributed since its anonymous release. Censors might have neglected to connect Look to the others because in it, Robin Hood (Earl of Huntington) spends most of the play cross-dressing as Lady Faukenbridge, and being wooed on a balcony by Prince Richard. Meanwhile, Skink wears a myriad of disguises to escape Old King Henry’s wrath over the Queen hiring Skink to assassinate the King’s lover, Rosamund. And Young King Henry has been given the throne by his father, Old King, after several military battles between them. One of the main passions for Young King during his reign is his attempts to see the “fantastical” Earl of Gloucester executed for speaking too freely at Court. Lady Faukenbridge, Robin Hood and their supporters scheme to free Gloucester, and then to aid his life-on-the-run, while the other side schemes to re-capture and execute Gloucester. These schemes force several of the otherwise virtuous characters to take on fraudulent disguises and to succumb to highway robbery to support themselves while on the run from the law. The comedy is enhanced with the absurd constant running in the wrong directions by Redcap, whose ridiculous stuttering is imitated by other characters who take on his red cap as a disguise. This stuttering subversively restates that the attempts to execute Gloucester for speaking the truth are barbaric; hinting that such policies can cause all subjects of a kingdom to stutter instead of directly expressing their ideas. An excerpt from “Raphael Holinshed’s” Chronicles that covers the history of Henry II is included with an explanation of how it was adapted in Look. “Editions of Look are rare and obscure — I’d never heard of the play until this volume came along. The text is... modernized, with... improved stage directions and prefixes, plus on-the-page glosses. And a section of Holinshed’s Chronicles that has... relevance... to this play.” —LibraryThing, Early Reviewers, Robert B. Waltz, Editor of Minnesota Heritage Songbook Exordium Plot and Staging Segments About Henry II from “Raphael Holinshed’s” The Chronicles of England, Scotland, and Ireland Text Terms, References, Questions, Exercises

We Don't Go Back Howard David Ingham,Jon Dear,Monique H. Lacoste,Simeon Smith,Daniel Pietersen,2018-07-08 Secret, strange, dark, impure and dissonant...Enter the haunted landscapes of folk horror, a world of pagan village conspiracies, witch finders, and teenagers awakening to evil; of dark fairy tales, backwoods cults and obsolete technologies. Beginning with the classics Night of the Demon, Witchfinder General, The Wicker Man and Blood on Satan's Claw, We Don't Go Back surveys the genre of screen folk horror from across the world. Travelling from Watership Down to The Texas Chain Saw Massacre, with every stop inbetween, We Don't Go Back is a thoughtful, funny and essential overview of folk horror in TV and cinema.A beautiful rumination on the dark films and television that shaped me and a generation of odd children, for good or ill, worth a year of your time, because you won't just read the book, you'll feel a burning desire to watch everything mentioned within. - Robin InceA comprehensive, accessible and often riotously funny tome weaving together folk horror in all its forms, from British television to the American backwoods, from Eastern European fairytales to the vengeful ghosts of East Asia. Ingham explores uncanny landscapes haunted by things buried, old cultures converging with the reluctance of contemporary reason, that very tension that gives his book its name. He attempts to both define folk horror and free it from definition, creating the ultimate guide to the genre's manifestations on film and offering a convincing argument as to why the genre resonates so compellingly with people today. - Kier-La Janisse, author of House of Psychotic Women

Drive Daniel H. Pink, 2011-04-05 The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of *When: The Scientific Secrets of Perfect Timing*. Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction—at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

The Genesis of the Bible Shaka Saye Bambata Dolo, 2012-03-06 This book is about Christianity, Islam, Judaism, and how the

Arabs and Europeans took these Afrikan Religious Belief Systems from ancient Egypt, North Afrika and used them during The Trans-Sahara Afrikan Slave Trade by the Arabs in the name of Allah, and followed by The Transatlantic Afrikan Slave Trade by the Europeans in the name of Jesus, to enslave the bodies, minds, and souls of the Afrikan Race. This book is about the Jesus Deception that has been passed on down through history by European historians, that is still being taught around the world today. This book takes a provocative intellectual, scholastic, historical, cultural, and sociological look at the Bible. This book identifies the names of the translators of the King James Bible of 1611 A. D., and when the chapters and verses in the Bible were created and who created them. The purpose of this book is to expose the historical, cultural, sociological, religious and theological lies of the Europeans and the Arabs. This book reveals the truth of the origination of The Bible, as There Is No Religion Higher Than The Truth. Join me in an intellectual odyssey through time. Here, I feel like a Lone Warrior standing before a mighty army. Come with me on this perilous pilgrimage as we travel through a parallel universe. I dedicate this book to my mother and father who gave me life. To the rest of my Native Afrikan family for supporting me and encouraging me on this publishing venture. To the Heavenly Father, without whom none of this would be possible. There are others I would also like to thank for being a part of helping me through this journey called Life, such as my professors at the Alabama State University where many a great scholars paths I have crossed. To my American family and friends in Mobile, Alabama who nurtured and taught me from childhood to adulthood. The many friends and colleagues I met in my travels all across America in my intellectual journey, and last but certainly not least, to my publisher for granting me the opportunity to speak to many all around the world in this forum. I am eternally indebted to you all-Thank you.

Stop the Children from Crying a River of Tears Kathy Garbe,2011-12-20 Fanning wisdom's flame within the heart of the reader.... This book will shed light on the spirituality of generations past as well as the light that is being called forth for future generations. She was not sleeping well. Dreams, headaches followed, the nightmares started, Night terrors which were terrifying for the both of us... then the loss of weight; I took her to a Dr. he suggested medication, which did not help. The nightmares became worse. Every night she went to bed, she would dream...she would wake up screaming, terrified every night for several weeks. Imagine a child any child going through this. I was beside myself not knowing what to do. Her headaches were getting worse, and her weight loss was worrying me. I did the only thing I knew to do; I prayed to God to help us. I was scared for my daughter, and I did not know how to stop this. I also did the second thing I knew to do; I took her to the doctor again. I told him about her nightmares, and he looked at me like I was a crazy person and asked me what I thought those nightmares were going to do to her, harm her? I said yes they already were. I was afraid for my daughter; I was afraid the nightmares were going to destroy her. He laughed. I lost all control. I could not help her, so I was putting her in someone else's hand who is supposed to help her, someone who is supposed to be a healer. He was more concerned with her weight loss and headaches and put her in the hospital for further testing. I met a mother whose daughter shared the room with my daughter. They asked me questions about my daughter, about her dreams, so I proceeded to tell

them the story. The daughter kept looking at her mother, then asked her if she should tell me, only to hear her mother reply no. The mother asked me what I thought would happen if my daughter opened the door? I did not hesitate. I knew if my daughter opened the door to the man in black my daughter would die.... This broke my heart because I felt so alone with all of this, and I had no way to prevent it. How could I help my daughter? I had prayed and asked God to help me, and I knew he was the only one who could help me for this was way out of my league. The young women looked at her mother and said mom we have to tell her. Finally, I yelled, tell me what? If you have something to tell me that will help my child, PLEASE TELL ME! I was desperate and somewhere inside I knew my answer was sitting right here before my very eyes.... Find out how Kathy helped her daughter and many others with her gifts from Spirit.

Good Morning Message Peggy Edwards, 2010-08 This daily devotional book has been a God-led inspiration from its very start-up; from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network. Our God is so awesome! I've had people return emails to me or speak to me and ask, How did you know that I needed that today? or How did you know I was going through this? That is when I thankfully remind them that God inspired each and every one of these devotionals. I am just being faithful and following His directions. Now I'm led to put them into a year of daily devotions book to reach others. Occasionally, my emailed devotionals have colored photographs that I take as God inspired message for the day. Unfortunately, I couldn't include those in this book. I did include a photo in grayscale at the beginning of each month; the cover photo is a God-blessed look at an Alaskan sunset. I am so thankful that God is working in my life. I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others. When you feel down, just start counting each of the blessings God has touched you with in your life; and you will feel His Presence and comfort to encourage you. We are never alone; He is just a prayer away; nothing is impossible for our God. He is not done with us yet. He is asking us to be obedient in our service to Him, and He will help us grow in our faith. Trust in Him, and you will be astounded at what He has in store for you.
