Lotus Lijia Zhang,2017-01-10 A young woman defies her fate and escapes to the city and all it holds for her--be it love, danger, or destiny. Surviving by her wits alone, Lotus charges headlong into the neon lights of Shenzhen, determined to pull herself out of the gutter and decide her own fate. She's different than the other streetwalkers--reserved, even defiant, Lotus holds her secrets behind her red smile. The new millennium should've brought her better luck, but for now she leads a double life, wiring the money home to her family and claiming she earns her wages waiting tables. Her striking eyes catch the attention of many, but Lotus weighs her options between becoming the concubine of a savvy migrant worker or a professional girlfriend to a rich and powerful playboy. Or she may choose the kind and decent Hu Binbing, a photojournalist reporting on China's underground sex trade--who has a hidden past of his own. She knows that fortunes can shift in the toss of a coin, and in the end, she may make a choice that leads her on a different journey entirely. Lotus was inspired by the deathbed revelation that the author's grandmother had been sold to a brothel in her youth --

Black Lotus Sil Lai Abrams,2016-08-02 Sil Lai Abrams always knew she was different, with darker skin and curlier hair than her siblings. But when the man who she thought was her dad told her the truth--that her father was actually black--her whole world was turned upside down. Raised primarily in the Caucasian community of Winter Park, Florida, Abrams was forced to re-examine who she really was and struggle with her Caucasian, African American, and Chinese identities--

White Lotus Jamgon Mipham,2015-09-01 The commentary translated in these pages is unusual and rare. But if the commentary is a rarity, its subject matter—the seven-line invocation of Padmasambhava—is one of the best-known prayers in the Tibetan Buddhist world. The overall significance of the Seven-Line Prayer is perhaps best appreciated in relation to a practice called guru-yoga, or union with the nature of the guru. The purpose of guru-yoga is to purify and deepen the student's relationship with his or her teacher. It is introduced as one of the preliminary practices, and it remains crucial—in fact, its importance increases—as one progresses through the more advanced levels of the tantric path. The cultivation of devotion to the guru and the blending of one's mind with his or her enlightened mind is, in the words of Dilgo Khyentse Rinpoche, the most vital and necessary of all practices and is in itself the surest and fastest way to reach the goal of enlightenment. Regarding the origin of this commentary, Mipham refers in the colophon to an event that triggered the abrupt appearance in his mind of the hidden meaning of the prayer. It is interesting to note that the language Mipham uses suggests that the commentary itself is not an ordinary composition but perhaps a treasure teaching, specifically a mind-treasure or gongter.

Lotus Elise and Exige 1995-2020 Johnny Tipler,2021-04-26 Named after Elisa, the granddaughter of Lotus's owner at the time, Romano Artioli of Bugatti fame, the Lotus Elise was launched at the Frankfurt Show in 1995. In the subsequent twenty-five years it has not only established itself as the embodiment of what Lotus stands for, it retains a unique place in the international sports car market. No other manufacturer came up with a car to seriously rival the Elise, nor the Exige, in terms of handling dexterity on both road and racetrack, and it aptly characterizes the definition of a sports car. Written in Johnny Tipler's inimitable style this book includes a detailed evolution of the Elise and Exige, including full specification tables; interviews with key individuals involved in their design and development, including Richard Rackham, Gavan Kershaw, Neil Thomas, Russell Carr, Barney Hatt and Andy Pleavin; Elisa Artioli on her namesake, its past and future; motor sport adaptations and successes and finally, driving experiences on road and track. The production of the Elise and Exige was sustained through four corporate upheavals. Now in Geely ownership, the future for Lotus looks bright.

Handbook of Geometry and Topology of Singularities I José Luis Cisneros Molina,Dũng Tráng Lê,José Seade,2020-10-24 This volume consists of ten articles which provide an in-depth and reader-friendly survey of some of the foundational aspects of singularity theory. Authored by world experts, the various contributions deal with both classical material and modern developments, covering a wide range of topics which are linked to each other in fundamental ways. Singularities are ubiquitous in mathematics and science in general. Singularity theory interacts energetically with the rest of mathematics, acting as a crucible where different types of mathematical problems interact, surprising connections are born and simple questions lead to ideas which resonate in other parts of the subject. This is the first volume in a series which aims to provide an accessible account of the state-of-the-art of the subject, its frontiers, and its interactions with other areas of research. The book is addressed to graduate students and newcomers to the theory, as well as to specialists who can use it as a guidebook.

Dress and Clothing in the Hebrew Bible Antonios Finitis, 2019-08-08 Built upon the flourishing study of costume, this book analyses sartorial evidence provided both by texts of the ancient Near East and the Hebrew Bible. The essays within lend clarity to the link between material and ideological, examining the tradition of dress, the different types of literature that reference the tradition of garments, and the people for whom such literature was written. The contributors explore sources that illuminate the social, psychological, aesthetic, ideological and symbolic meanings of clothing. The topics covered range from the relationship between clothing, kingship and power, to the symbolic significance of the high priestly regalia and the concept of garments as deception and defiance, while also considering the tendency to omit or ignore descriptions of YHWH's clothing. Following a historical sequence, the essays cross-reference with each other to create a milestone in biblical sartorial study.
