Theroux The Keyhole Louis Theroux, 2021-11-11 Come round to Louis Theroux's house, where the much-loved documentary-maker finds himself in unexpected danger . . . Louis's latest TV series about weirdness – the one involving the American far right, home-grown jihadis, and SoundCloud rappers – has been unexpectedly derailed by the onset of a global pandemic. Now he finds himself locked down in a location even more full of pitfalls, surprises and hostile objects of inquiry: his own home. Theroux the Keyhole is the candidly honest and hilarious diary of a man attempting to navigate the perils of work and family life, locked down in Covid World with his wife, two teenagers and a Youtube-addict five year-old. Why is his wife so intolerant of his obsession with Joe Wicks's daily workouts? Can he reinvent himself as a podcast host? Why has the internet gone nuts for his old journalistic compadre Joe Exotic? And will his teenage sons ever see him as anything other than 'cringe'? This is Louis at his insightful best, as month-by-month he documents his year of unforeseen new challenges - and wonders why it took a pandemic for him to learn that what really matters in life is right in front of him.

The Call of the Weird Louis Theroux, 2008-09-04 After a decade of making documentaries about offbeat characters on the fringes of US society, Louis had the urge to return to America and track down the people who most fascinated him. It would be a reunion tour, but this time without the cameras and the sense of performance being filmed inevitably brings. It would allow him to get closer to people, to discover what really motivated them and what had happened to the assorted dreamers, outlaws and eccentrics since he last saw them. On a journey that took him from the porn sets of Los Angeles to the gangsta rappers of Memphis, from a convention of UFO contactees in Arizona to Northern Idaho for a festive get-together of neo-Nazis, he asked what 'weird people' have to tell us about our own secret natures. Had he learned anything about himself by being among them? Do we choose our beliefs or do our beliefs choose us? Louis Theroux's first book is a hilarious, thought-provoking and at times surreal voyage into the heart of weirdness.

The Year of the End Anne Theroux, 2021-07-08 'A moving and absorbing account' Adam Buxton 'Scorching ... a brave book' Helen Brown, Telegraph 'A wise and vivid memoir of a disintegrating marriage and a study of the role of the spouse in the life of a literary giant' Fiona Sturges, i Paper 18TH JANUARY 1990 Paul left today at 8am. We had been married just over 22 years. The previous evening we had gone out to eat at a local restaurant, where we drank champagne and reminisced. In a short story which he wrote about that final evening of a marriage, the central characters talk wittily and poignantly about the explorer Sir Richard Burton and the sad, misunderstood wife who burnt his books. The reality was different. 'This memoir is based on the diary I kept during 1990, the year that my first marriage came to an end.' After 22 years, spent across four continents, with two children - Louis and Marcel - in 1990 Anne and Paul Theroux decided to separate. For that year, Anne - later a professional relationship therapist herself - kept a diary, noting not only her day-to-day experiences as a busy freelance journalist and broadcaster, but the contrasts in her feelings between despairing grief and hope for a new future.

With reflections on truth and fiction, literature and art, and the nature of marriage, alongside commentary on notable political and cultural events, and interviews with prominent writers of the time, including Kingsley Amis and Barbara Cartland, *The Year of the End* offers a unique insight into the unravelling of a relationship and the attempt to rebuild a life.

Theroux The Keyhole Louis Theroux, 2022-06-23 A funny, revealing and insightful take on the madness of living and working during a pandemic from the always entertaining Louis Theroux.

Gotta Get Theroux This SIGNED EDITION Louis Theroux, 2019-09-19

The Call of the Weird Louis Theroux, 2009-04-29 No, it doesn't get much weirder than this: Thor Templar, Lord Commander of the Earth Protectorate, who claims to have killed ten aliens. Or April, the Neo-Nazi bringing up her twin daughters Lamb and Lynx (who have just formed a white-power folk group for kids called Prussian Blue), and her youngest daughter, Dresden. For a decade now, Louis Theroux has been making programs about offbeat characters on the fringes of U.S. society. Now he revisits the people who have most intrigued him to try to discover what motivates them, and why they believe the things they believe. From his Las Vegas base (where else?), Theroux calls on these assorted dreamers, schemers, and outlaws--and in the process finds out a little about the workings of his own mind. What does it mean, after all, to be weird, or to be yourself? Do we choose our beliefs or do our beliefs choose us? And is there something particularly weird about Americans? America, prepare yourself for a hilarious look in the mirror that has already taken the rest of the English-speaking world by storm: Paul Theroux's son writes with just as clear an eye for character and place as his father . . . And he's funny . . . Theroux's final analysis of American weirdness is true and new. -- Literary Review (England)

RedHanded Suruthi Bala, Hannah Maguire, 2021-09-14 2021 Listeners' Choice British Podcast Awards Winner What is it about killers, cult leaders, cannibals, cults, and criminals that capture our imaginations even as they terrify and disturb us? How do we responsibly consume these kinds of stories as entertainment, and more importantly, what can we learn from them? *RedHanded* rejects the narrative of killers as monsters and that a victim was in the wrong place at the wrong time, and instead tells the stories we want to hear in a way that challenges perceptions and asks the hard questions about society, gender, poverty, culture, and even our politics. After meeting at a party in London where they both discovered they listened to the same murder podcasts, Hannah Maguire and Suruthi Bala drunkenly promised to one day start their own true crime podcast together and the rest is history. From the hosts of the hit true crime podcast *RedHanded* (dubbed by Rick & Morty creator Dan Harmon as the best true crime podcast I've heard, ever), Hannah Maguire and Suruthi Bala have amassed a cult following of spooky bitches amounting to an incredibly strong 63k downloads per episode and 728k backlist downloads every month in the US alone. With candor, humor, interviews with experts, research on real-life cases, and an unflinching dissection of what makes a killer tick, Bala and Maguire take us through the societal, behavioral, and cultural phenomena that make victims -- and their murderers -- our collective responsibility and to find out once and for all: what makes a killer tick?

The Great Railway Bazaar Paul Theroux, 2006-06-01 The acclaimed author recounts his epic journey across Europe and Asia in this international bestselling classic of travel literature: "Compulsive reading" (Graham Greene). In 1973, Paul Theroux embarked on a four-month journey by train from the United Kingdom through Europe, the Middle East, and Southeast Asia. In *The Great Railway Bazaar*, he records in vivid detail and penetrating insight the many fascinating incidents, adventures, and encounters of his grand, intercontinental tour. Asia's fabled trains—the Orient Express, the Khyber Pass Local, the Frontier Mail, the Golden Arrow to Kuala Lumpur, the Mandalay Express, the Trans-Siberian Express—are the stars of a journey that takes Theroux on a loop eastbound from London's Victoria Station to Tokyo Central, then back from Japan on the Trans-Siberian. Brimming with Theroux's signature humor and wry observations, this engrossing chronicle is essential reading for both the ardent adventurer and the armchair traveler.

Them Jon Ronson, 2011-06-28 A New York Times–bestselling author hangs out with conspiracy theorists and hunts for the Bilderberg Group in this "hilarious, disturbing" memoir (The New York Times). A wide variety of extremist groups, from Islamic fundamentalists to neo-Nazis, share the oddly similar belief that a tiny shadowy elite rule the world from a secret room. In *Them*, journalist Jon Ronson has joined the extremists to track down the fabled secret room. As a journalist and a Jew, Ronson was often considered one of "Them," but he had no idea if their meetings actually took place. Was he just not invited? *Them* takes us across three continents and into the secret room. Along the way he meets Omar Bakri Mohammed, considered one of the most dangerous men in Great Britain, PR-savvy Ku Klux Klan Grand Wizard Thom Robb, and the survivors of Ruby Ridge. He is chased by men in dark glasses and unmasked as a Jew in the middle of a Jihad training camp. In the forests of northern California he even witnesses CEOs and leading politicians—like Dick Cheney—undertake a bizarre owl ritual. Ronson's investigations, by turns creepy and comical, reveal some alarming things about the looking-glass world of "us" and "them." *Them* is a deep and fascinating look at the lives and minds of extremists. Are the extremists onto something? Or is Jon Ronson becoming one of them? "Jon Ronson has managed to write a hugely amusing book about the lunatic fringe." —The Washington Post "Them is at times funny, other times unsettling, but always astonishing." —Booklist "It takes a funny man to see the humor in all the conspiracy theories that float hatefully across the land, and Jon Ronson is a funny man. It takes a brave man to chase that humor right into the belly of the beast, and Jon Ronson is a brave man too." —The San Diego Union-Tribune

May Contain Traces of Nuts Louis Theroux, 2005 For ten years Louis Theroux has been making programmes about off-beat characters on the fringes of US society. Now he revisits America and the people who have most fascinated him to try to discover what motivates them, why they believe the things they believe, and to find out what has happened to them since he last saw them. Along the way Louis thinks about what drives him to spend so much time among weird people, and considers whether he's learned anything about himself in the course of ten years working

with them. Has he manipulated the people he's interviewed, or have they manipulated him? From his Las Vegas base, Louis revisits the assorted dreamers and outlaws who have been his TV feeding ground. Attempting to understand a little about himself and the workings of his own mind, Louis considers questions such as: What is the difference between pathological and normal weirdness? Is there something particularly weird about Americans? What does it mean to be weird, or to be yourself? And do we choose our beliefs or do our beliefs choose us?

Riding the Iron Rooster Paul Theroux, 2006-12-08 The acclaimed travel writer chronicles a year of train travel across China in a revealing travelogue that "gives the reader much to relish and think about" (Publishers Weekly). The author of the train travel classics *The Great Railway Bazaar* and *The Old Patagonian Express*, takes to the rails once again in this account of his epic journey through China. The always irascible, infectiously curious author "is in top form as he describes the barren deserts of Mongolia and Xinjiang, the ice forests of Manchuria and the dry hills of Tibet. He captures their otherworldly, haunting appearances perfectly. He is also right on target when he talks about the ugliness of China's poorly planned, hastily built cities" (Mark Salzman, *The New York Times*). Theroux hops aboard a train as part of a tour group in London and sets out for China's border. He then spends a year traversing the country, where he pieces together a fascinating snapshot of a unique moment in history. From sweeping and desolate natural landscapes to the dense metropolises of Shanghai, Beijing, and Canton, Theroux offers an unforgettable portrait of a magnificent land and an extraordinary people.

On the Plain of Snakes Paul Theroux, 2019 Legendary travel writer Paul Theroux drives the entire length of the US-Mexico border, then goes deep into the hinterland, on the back roads of Chiapas and Oaxaca, to uncover the rich, layered world behind today's brutal headlines. Paul Theroux has spent his life crisscrossing the globe in search of the histories and peoples that give life to the places they call home. Now, as immigration debates boil around the world, Theroux has set out to explore a country key to understanding our current discourse: Mexico. Just south of the Arizona border, in the desert region of Sonora, he finds a place brimming with vitality, yet visibly marked by both the US Border Patrol looming to the north and mounting discord from within. With the same

humanizing sensibility he employed in Deep South, Theroux stops to talk with residents, visits Zapotec mill workers in the highlands, and attends a Zapatista party meeting, communing with people of all stripes who remain south of the border even as their families brave the journey north. From the writer praised for his curiosity and affection for humanity in all its forms (New York Times Book Review), *On the Plain of Snakes* is an exploration of a region in conflict.

The Lower River Paul Theroux, 2012 A taut, tense, darkly suspenseful novel about a man who flees to Africa after his marriage falls apart, only to be caught up in a precarious situation in a seemingly benign village.
