Stanley Marvin

Lucky Strike Nancy Zafris,2006-04 Jean Waterman and her two children join with other fortune seekers who are mining uranium in the Utah desert in 1954, and find adventure and friendships.

Lucky Strike Bobbie Pyron,2015-02-24 A rich, southern voice tells the unforgettable story of two vulnerable outsiders, the lightning strike that turns their world upside down and the true meaning of lucky. Nate Harlow would love to be lucky, just once! He'd like to win a prize, get picked first, call a coin toss right, even! But his best friend, Genesis Beam (aka Gen), believes in science and logic, and she doesn't think for one second that there's such a thing as luck, good or bad. She doesn't care what names the other kids call them. She cares about being right, about saving the turtles of Paradise Beach, and she cares about Nate. Then, on his birthday, at the Goofy Golf mini-golf course, Nate is struck by lightning -- and survives! Suddenly baseballs are drawn to his bat-popular kids want HIM on their side. It seems the whole town of Paradise Beach thinks Nate has the magic touch. But is there room for Gen in Nate's lucky new world? Lucky Strike tells the unforgettable story of two vulnerable outsiders and what luck is really all about.

Lucky Strike Renee Kingman, 2015-09-21 Anthony and John Simms own one of the top and most successful security and private investigation firms west of the Mississippi River, Las Vegas being home. The two half-brothers have had a hard life, paid their dues, and have made it to the top together. Life is good, family is good, and having good friend retired General Scott Hawkinson back in their lives makes things complete. Little do they know the evil that is slithering into Sin City. Twenty years ago Hawk Hawkinson silently pledged to the second love of his life the gifts of healing and a bright future, unbeknownst to her. Today he is finally able to follow her in hopes of giving animation to his dreams of them sharing a magnificent life. The sweet taste of being a free man is soon turned bitter and vile when he sees the lives of his only son and grandson may be the nightmarish price for that dream. Hawk faces the agony of running with his small family to save them and crushing the dream of finally having his Sandra. The Simms brothers refuse to permit their best friend and former marine commander to lose family under their watch again. Sandra Michaelson refuses to allow Hawk to pay the price of his family's welfare for loving her. As the three prepare for battle and go to war alongside their friend and leader to keep his family safe and alive, Sandra prays that this war won't find restitution in her uncensored love for Hawk. A high ransom will be paid to the destroying evil that has entered Las Vegas....by everyone.

The Lucky Strike Papers (Hardback) Andrew Lee Fielding,2016-06-21 This is the HARDBACK version. In 1951, a critic in Downbeat magazine wrote that Sue Bennett was one of the coming female singers in the country. Bennett was a featured singer on several network shows during TV's early years, including

Kay Kyser's College of Musical Knowledge, The Freddy Martin Show, and Your Hit Parade. Decades later, Andrew Fielding began exploring the period of live television, via the shows on which his mother sang. His resulting portrait of the era - which includes conversations with such early television luminaries as Dorothy Collins, Snooky Lanson, Raymond Scott, Merv Griffin, Arthur Penn, and Kay Kyser - is both enlightening, and captivating.

Lucky Strikes and a Three Martini Lunch Jennifer C. Dunn, Jimmie Manning, Danielle M. Stern, 2015-10-05 This second edition of *Lucky Strikes and a Three Martini Lunch: Thinking About Television's Mad Men* explores the attributes of the AMC series that allow it to be such a popular and vital contribution to contemporary cultural discourse. Set in the 1960s in New York, the Emmy and Peabody-winning series follows the competitive, seductive, and oftentimes ruthless lives of the men and women of Madison Avenue's advertising agencies. Many alluring and captivating qualities constitute the *Mad Men* experience: the way it evokes nostalgia, even from those who did not live in the era being portrayed; its interrogations of identities, and how these explorations of the past illuminate viewers' concepts of the present; the compelling (and often heartbreaking) relationships between characters trying to make their way in an ever-changing and increasingly complex world; and the titillation of the characters' discovery of the power of mass-mediated communication and its abilities to allow learning, information sharing, manipulation, and connection, not to mention how their journeys reflect our own in contemporary society. The essays collected in this volume speak to both fans of the show who may not typically embrace theory and criticism, as well as those who do. Additionally, this version was designed with educators in mind. It still includes engaging essays that critically analyze the show from a multitude of perspectives, but now they are organized in

way to facilitate easy use in the classroom. This structure allows educators to simply construct and conduct a course using this book as a primary textbook and organize the course according to the way it is laid out. Each chapter provides any type of reader with the opportunity to think about and enjoy the show even after it is no longer on the air.

Lucky Strike Kim Stanley Robinson, 2009 The Enola Gay crashes on a test run before it is to drop the first atomic bomb, setting in motion events that stray significantly from the historical mid-twentieth century, in a volume that also includes a related essay and interview.

The Lucky Strike Packet by Raymond Loewy Stephen Bayley, 1998-01-01 Many objects are beautiful; and many creations are functional. But only few achieve enduring status. The Design Classics series presents such select products that have set standards in form, function and brand communication. Each monograph is a richly illustrated essay and product portrait, from conception to production, from prototype to collectors' item.

The Lucky Strike Papers: Journeys Through My Mother's Television Past (Revised Edition) Andrew Lee Fielding, 2019-01-31 The revised edition of The Lucky Strike Papers continues the exploration of live television which includes conversations with such early television luminaries as Dorothy Collins, Snooky Lanson, Eileen Wilson, Raymond Scott, Merv Griffin, and more.
