**The Return of Blue Pete** Luke Allan,2019-12-24  
'The Return of Blue Pete' is a mystery novel written by Luke Allan. The story follows Blue Pete—a detective quite like no other. With razor-sharp instincts and a quick draw, he was feared by all who dared to cross the line of the law. But behind his tough exterior, Blue Pete was a complex character with a deep capacity for love. With each turn of the page, you'll find yourself captivated by his unpredictable nature, wondering what he'll do next. He will keep you on the edge of your seat, and stay a character you'll never forget.

**Blue Pete, Unofficially** Luke Allan, 2017 Into Medicine Hat, just before the year's big beef roundup, drift four cow-punchers from across the Border. Everything about Slick Jordan, their leader, stamps him as a dude, except the way he whirls a rope and handles his steel-dust broncho. When Jordan singles out Blue Pete for his attention, Inspector Barker, of the Mounted Police, has a hunch that trouble is about to follow in the wake of the newcomers. He learns how right his hunch was when Sergeant Mahon, Blue Pete's friend, reports on the strange happenings that delay the roundup. Blue Pete finds his time fully occupied keeping check on Jordan and his companions, who have hired out to the T-Inverted R and promptly ran foul of its foreman, Tully Mason. Secret attempts at murder and covert rustling across the Border step up the tempo of this new story in which the popular Blue Pete again proves that he can think faster than the next man, and that for him, at least, the dark expanse of the Cypress Hills holds no secrets.

False Expectations Luke Lonnemann, 2024-01-09 Paul Greener is informed of the family plan to build a railroad across West Texas, which had been years in the making. They have a few connections that get them in the door, and they quickly learn there are limited people to trust. As outsiders, they aren't taken as seriously as they would like. The Greener family must learn the hard way about what it takes to make it in a brutal industry.

**Luke Stone: A Short Story (A Luke Stone Spy Thriller)** Jack Mars, 2020-06-17 "One of the best thrillers I have read this year. The plot is

intelligent and will keep you hooked from the beginning. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. I can hardly wait for the sequel.”

**Blue Pete and the Pinto** Luke Allan,2017 In this new Luke Allan story Blue Pete, that indomitable half-breed who works in his own fashion to uphold the law guarded by the red-coated Mounties, returns back over the Canadian border to the vast wilderness of canyon and gulch that is the Badlands of Montana. He is trailing a bunch of horse-thieves who have cut into the herds of the Lazy M and on their furtive way back to the border have stolen Whiskers, Blue Pete's celebrated pinto pony. It is war to the death, with Blue Pete's old friend Sergeant Mahon of the Mounties doffing his red coat and following a trail that is blazed by the fury of the half-breed's vengeance.

Harris,2019-05-10 Continuing the story of Luke and his adventures after 1984. Chapters Of Life books 1-14 deal with the Bromyard escapades from 1962-1968. While this series, books 15-22 deal with later stories.

*Luke Walton* Horation Alger Jr.,2014-11-07 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

*Chapters Of Life Luke's Return Book Four* Ed

Harris,2019-05-18 While the first 14 books in the Chapters Of Life series dealt with Luke's life up until 1968, these following books (Luke's Return) deal with events post 1984, when Luke returned to Bromyard. Whereas the books dealing with events up to 1968 were taken from the daily diaries of 4

local Bromyard girls, and are based upon actual events described within them, these that deal with post 1984 events are based upon nothing more than pure fiction, only using the framework of the earlier works to tie them into the location, so as to create a continuation of Luke's various adventures.

*Our Sacred Honor (A Luke Stone Thriller–Book 6)*  
Jack Mars,2017-09-11

Baffling Puzzle Luke Lloyd,2012-11-20 The truth is in the eye of the beholder. This is a popular expression that enables many people to twist reality and historical truth to their own advantage without requiring accountability. Thus, political correctness becomes censorship, and truth is sidelined. Knowing this, Luke Lloyd, a retired army colonel who spent thirty years in airborne infantry and armor combat units as well as intelligence-related to the Middle East, couldnt resist setting forth the realities of Islam as he had studied and experienced them at

American University of Beirut and lived with them while working in Saudi Arabia and Egypt. Since September 11, 2001, Lloyd has taught and spoken on issues concerning the Middle East and authored an educational novel titled, *Out of Darkness*. He believes Islam provides our greatest national security threat because of our appeasing leadership and an unsuspecting populace that interprets it broadly as a religion but, in general, is oblivious to its political focus.

**Crime and Passion** Luke Johnson, Jack

Lindsey, 2019-10-10 Passion comes in many forms. Not only does it manifest itself when men and women become locked in the throws of love, it also shows through when they become absorbed in their own self interests whether it be acting, charities, railways or writing. Crime has darker connotations. It can not be justified except by the criminals themselves even though it may arise during the throws of passion. Here are twelve stories to illustrate both themes showing contrasting styles. The six Jack Lindsey tales illustrate their lighter element whereas the Luke Johnson stories are from the dark side.
