**Lunaria** Myrica Moss, 2022-09-15 A Dark Priestess is attempting to open an enchanted door. Can an alliance of companions discover why before she succeeds? A high priestess of a dark god is attempting to break through an enchanted door. The daughter of a light goddess, accompanied by her dedicated companion, is determined to discover why and stop her. Through an identical door, they enter another world with a man searching across worlds for his lost twin brother. The world they find themselves in is where a population fled for safety from the blood drinker Dark Ones and settled there because the sun never sets. The other side of this world is where the Dark Ones live, cast by a goddess at the end of a great war, and the sun never rises. After the defeat of a demon-backed necromancer, three companions cross into this world in search of that demon. One is determined to destroy him, and another is searching for the love of her life who found himself trapped in this world. The third, who found himself trapped in another world because of the necromancer, is now searching for his people. This third book in the Dragon's Tear Chronicles follows the stories of Amani, Twila, and Devon from book one and Kaida, Sylvian, and Meelay from book two when they join forces to defeat the Dark Ones and search for a cure for a mysterious sickness spreading amongst the Lunarians.

Claire in Lunaria Charles Frenzel, Lydia Frenzel,2019-04-15 Claire Fisher Miller, a child of twentieth century earth, is the product of parents who are incompatible, a father who is loving but driven to adventures, and a mother who sees virtue in ordinariness. Claire Fisher Miller thinks of herself as an ordinary teenage girl from an ordinary town until her father is lost in Iraq. Lonely and unhappy with her mother, she is plunged into a strange new world when she follows a boy on his horse through a gate in order to recover Curly, the orange cat who belongs to her neighbor. In Lunaria, she meets a future King-Pem, a powerful Trader-Rissa, an ambitious village girl-Tess, and an influential mentor, Counselor Gilbert Greybaird, who recognizes her special nature and takes her under his protection. Lunaria is an ancient and sophisticated civilization struggling against the return of forbidden technologies that was proscribed a thousand years earlier in a terrible war. In this first book in the Lunarian Epic, Claire finds loyal friends and terrible enemies that will do anything to destroy her before she can learn enough to change their world. Claire, who thinks of herself as an ordinary girl, is torn between fulfilling a destiny to change Lunaria for the good or to return to her own home to seek her lost father.
