APELAND Paul Allen,2013-04-21 Huddled in her hot cage in a run-down roadside menagerie called Apeland, Margaret, a thousand-pound gorilla, hoots unhappily for her dead mate. Just up the road, at the taxidermist's shop, an old lady is paying for having her kitty cat stuffed. Down the road a subdivision is going up in the middle of the Florida wilderness. Men dig foundations. Poor, bored, and mosquito-bitten, they wait hopelessly for a little excitement, a fight, a hurricane--anything. It comes when Margaret escapes into the steaming forest. The county sheriff quickly assembles a posse of local characters and leads this bizarre collection of heavily armed crazies into the palmetto and cypress after the love-starved ape. Among the group are Ed Bias, the would-be hero, and his young sons; Gaylord Miller, the ketchup bottle murderer and Bias's sworn enemy; Walker, the strange taxidermist; Lennox, the animal trainer; Monroe Block, Apeland's tattered tour guide; and an assortment of odd others. Deeper and deeper into the forest they stalk poor Margaret toward a violent and tragic end. Review Excerpts: Here's a really mean story, as brutal and bloody-minded as anyone could wish. You can read it with a clear conscience because it's also a good story; if necessary, you can tell your more delicate friends it's got art. ...After a long buildup in which the author carefully charges the atmosphere with tension, the story ends satisfactorily in fire, murder, madness, revenge and dismemberment. Paul Allen may have the sensibility of James M. Cain, but he is ambitious in a literary sort of way.... ...inescapably brings Faulkner to mind. ...Allen writes well and often with wit.... ...expert entertainment, the best of its kind.... Peter S. Prescott, NEWSWEEK This is a fierce little novel. ..."Apeland" is a fine first achievement. Allen invites comparison with the best...prose writers. Bart Paul, LOS ANGELES TIMES Allen has a clean drive and a punchy shaft--you can't mistake his palpable talent. KIRKUS REVIEWS Allen's characterizations of men and beast are brilliant.... An impressive and elemental first novel. PUBLISHER'S WEEKLY Allen's well-rounded novel is strikingly original. It approaches a new realm of primitive guile. ...This is a book that prompts you to look forward to future fictions of the author. Paul Allen is a writer to be observed, and to be recorded. Self-initiated projects, such as T-shirts or button designs, are fast becoming businesses in themselves. This book showcases over 500 of the cutest and most exciting graphic products by over 90 practitioners from around the world, including: books, magazines and zines; toys; posters, prints and canvases; fonts and typographic 3D products; clothing; and accessories.

Original Grin Ron English, 2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive

interview with the artist conducted exclusively for this publication.

Dave the Chimp Christian Hundertmark, 2009 London based artist Dave the Chimp was one of the first street artists who ventured outside to paint using brushes and acrylic paint. Dave has been extremely prolific in the streets and in galleries and since 1996 has been designing skateboards for German Skateboard label Hessenmob. His original style and bold black lines, all hand-painted, are full of humor and often punctuated with lighthearted social commentary. He has painted anti-smoking and get out the vote posters and is often referred to as a positive graffiti artist. Many see him as someone just trying to bring a smile to his neighbors faces and some beauty to his run down neighborhood. This is the second publication in the Rebellion Series of monographs that focus on artists featured in the groundbreaking titles *Art of Rebellion* and *Art of Rebellion 2*, first published in 2004.
