Basque Violence Joseba Zulaika,2000-09-21 This book captures the complexity and humanity of one of the most agonizing of contemporary problems—that of terrorist violence. Basque Violence is in fact a pioneering attempt to give a fully contextualized, cultural account of the endemic conflict engaging Basque villagers both as protagonists and as spectators. The author focuses on his native village of Itziar in the province of Guipúzcoa, and many of the Basque activists he discusses are friends from his youth. They are now lionized by the villagers despite the fact that their actions have become increasingly problematic for the villagers themselves. Far from being the work of a “terrorism expert” seeking counter-insurgency solutions or concentrating on the usual search for the causes and consequences of violence, this study attempts instead to understand the conscious and unconscious

presuppositions of the violence. The author becomes the narrator of a drama of Homeric proportions in which ordinary men are forced into acts of heroism and errors of tragic consequence.

The Chronicles of Assignments R. W. Touchton,2020-09-01 While the Angel JEDON watches over the birth of his new assignment, TERRENCE PALMER; the guardian is aware of the demonic forces also assigned to his mortal. The enemy: Prince Javin, Captain Domination, and Commander Bondo, alerted by Lucifer that the child is destined for greatness. So, bound to make the mortal stumble and to distract him from his destiny. The boy's dysfunctional family already makes for a mire of evil for the wicked trio to perform their feats. Terrence at the age of twenty-five becomes a popular bartender in an Atlanta prevalent nightclub. However, he and a friend slip into a unique spirit-filled service at Monument of Hope Church. There the spiritual veil is opened, allowing Terrence to see demonic activity in the rafters of the church. Impressed by the happenings at the service, he purchases a Bible and begins to study. After giving his life to Christ, Terrence enrolls in a Spirit-filled Bible College and realizes that his calling is Evangelizing. He returns to the church where he first saw the spiritual activity and meets the new Senior Pastor, Jon Daehl. With the help of Terence, they combat a High Priestess nemesis, Marion Cole, and her coven who are demonically driven to spiritually bring the renowned church down. Carla, a rogue witch, knows Palmer's worth to her Lucifer, she attempts to sacrifice Palmer on an All Hallows Eve ritual. The LUCIE coven only sacrifices animals; therefore, Marion surprisingly saves the Evangelist and expels Carla. Marion refuses to surrender her son's life to Satan,

so he influences a gang of boys to beat up Barry at the age of ten. A blow to his skull with a brick makes him comatose for twenty-one years. Distressed that she has been lied to, and Marion's son is paying for her services to her Master, she rebukes him. Satan then tries to terminate her life by burning her home down with her in it. However, Dr. Terrence Palmer and Rev Jon Daehl visit Marion at the hospital and prays over her as she is set free and saved, but before she dies, Palmer promises Marion that he will deliver her son from the spiritual servitude. Terrence is taken by his Angel into the spiritual realm and with the Guardian's Celestial 77 Amplitude laser sword, battles the demonic forces and delivers the young man from the bondage of perdition.

Paleopsicología del arte rupestre Luxio Ugarte,2023-01-19 ¿Qué es lo que nos querían comunicar los pintores de Ekain al realizar aquellas maravillas de signos y figuras animales? ¿Cuál era la comunicación consciente y cuál la inconsciente? ¿Por qué o para qué lo pintaron? ¿Cuáles eran sus deseos, sus ideales, sus problemas? ¿Qué comían? ¿Cuántos años vivían? ¿Cómo se comunicaban o de qué hablaban? ¿Cómo es posible que tengamos dudas en cuanto a su capacidad intelectual y artística después de comprobar la perfección con que están realizados los dibujos? ¿Qué secretos guardan las pinturas? ¿Es posible que el arte paleolítico perdurara sin grandes cambios estéticos y simbólicos durante más de 30.000 años? Después de comprobar que la mayoría de las personas de nuestra sociedad actual no son capaces de realizar dibujos o pinturas de esa talla, ¿cómo sería posible negar la calidad psíquica de ese ser del paleolítico después de haber visto los útiles elaborados, la producción lítica, tan perfecta y detallada para desarrollar la función a la que fueron designados? En esta obra, basada en las pinturas de la cueva de Ekain como modelo, el autor aplica una novedosa metodología estadística y psicodinámica de análisis basada en test proyectivos. De

este modo, lleva al campo del arte rupestre una técnica estadística-experimental y del psicoanálisis con la que se puede conocer en profundidad tanto las pinturas como el carácter de esta sociedad paleolítica.
