*Amber & Dusk* Lyra Selene,2018-11-27 In a magical world where the sun never sets, a gifted girl dreams to be in the royal court but once inside, she may not be prepared for the drama. Sylvie has always known she deserves more. Out in the permanent twilight of the Dusklands, her guardians called her power to create illusions a curse. But Sylvie knows it gives her a place in Coeur d'Or, the palais of the Amber Empress and her highborn legacies. So Sylvie sets off toward the Amber City, a glittering jewel under a sun that never sets, to take what is hers. But her hope for a better life is quickly dimmed. The empress invites her in only as part of a wicked wager among her powerful courtiers. Sylvie must assume a new name, Mirage, and begin to navigate secretive social circles and deadly games of intrigue in order to claim her spot. Soon it becomes apparent that nothing is as it appears and no one, including her cruel yet captivating sponsor, Sunder, will answer her questions. As Mirage strives to seize what should be her rightful place, she'll have to consider whether it is worth the price she must pay . . . Lyra Selene weaves a lush and thrilling story of sacrifice, secrets, and star-crossed love set in a Parisian-inspired world where the sun never sets in this remarkable YA fantasy debut. Praise for *Amber & Dusk* "A shimmering tapestry of language, woven through with soaring beauty and subtle menace." —Sara Holland, New York Times—bestselling author of the *Everless* series "Full of riotous color, fantastical locations, and surprising plot twists." —School Library Journal

**Prism of Lyra** Keith Priest,Lyssa Royal,2011-03-01 The Prism of Lyra is an exploration of Human Galactic Heritage. The Prism of Lyra is a book that examines the idea of creation in a different light. In contrast to the notion that humans are the result of creation, it explores the idea that the collective humanoid consciousness (or soul) created our universe for specific purposes. What are those purposes? Who is involved? These questions and many more are addressed, resulting in startling possibilities. The Prism of Lyra then traces various off-planet races (Lyra, Vega, the Pleiades, Orion, Zeta Reticuli, and more) through their own evolution and ties them into the developing Earth. Highlighted is the realization of our galactic interconnectedness . . . and our shared desire to return home. Explore with us the passage through . . .The Prism of Lyra.

**Lyra's Oxford** Philip Pullman,2020-05-28 This book contains a story and several other things. The other things might be connected with the story, or they might not; they might be connected to stories that haven't appeared yet . . . Two years after the conclusion of *The Amber Spyglass*, Lyra and her daemon Pantalaimon sit high on the roof of Jordan College, gazing down on the streets of Oxford. But their peace is shattered by a flock of enraged starlings, who seem intent on knocking another bird out of the sky – a bird that Lyra and Pan quickly realise is a witch's daemon. The daemon carries worrying tidings of a terrible sickness spreading in the north, and claims that only Lyra can help him – but is he really friend, or foe? Illustrated throughout with exquisite wood-cut engravings by John Lawrence, this beautifully packaged story also contains an extract of Pullman's second short story set in the *His Dark Materials* world, *Once Upon a Time in the North*, a map and other missives that seem to have slipped from Lyra's world into our own.

The Lyra Novels Patricia C. Wrede,2012-09-11 "High-style fantasy and adventure" in the complete Lyra series by the author of the *Enchanted Forest Chronicles* (The New York Times). *Shadow Magic*: While Alkyra's noblemen squabble, an ancient enemy, the Lithmern, raises an army. And as the head of the Noble House of Brenn attempts to organize an alliance, the princess Alethia celebrates her twentieth birthday. She is quick-witted, beautiful, and handy with a throwing knife. But on the next night, she passes through a dark corridor on her way to the banquet hall, and never emerges from the shadows. The Lithmern have kidnapped the princess. To find her way home, Alethia will have to learn to trust in the old tales, whose legends of magic and daring hold the only hope of saving her kingdom. *Daughter of Witches*: There is no worse time to visit Drinn than during the Midwinter Festival, when the city gates are sealed so that no outsider can witness the temple's secret rituals. In an inn, where a young woman named Ranira works as an indentured servant for a brutal innkeeper, three guests have overstayed their welcome. Attempting to protect Ranira from her master's cruelty, the three reveal their magical powers and attract the attention of the temple guards. Now, to save her new friends from certain death, Ranira must unleash the power that cost her parents their lives. *The Harp of Imach Thyssel*: When Emereck and Flindaran leave a caravan in search of adventure, it isn't long before they stumble upon great danger. Emereck, a trained minstrel, and Flindaran, a nobleman masquerading as a tramp, have found a long-abandoned castle, and in it, one of Lyra's most sought-after treasures: the Harp of Imach Thyssel. To keep it from falling into the wrong hands, Emereck will have to learn to harness its strength to create and destroy, with the fate of the kingdom hanging in the balance. *Caught in Crystal*: For more than a decade, Kayl has run a modest country inn. She opened it with her husband, and they managed it together until a summer illness took him away, leaving her alone with their two children. The three of them get by, living happily together as the years pass, but everything changes the day a sorceress named Corrana asks for a room. Now, to save her family and her world, Kayl will have to unlock a side of herself that she buried long ago. *The Raven Ring*: When Eleret's mother is killed, she must travel to reclaim the belongings her mother left behind. The overland journey to the city of Ciaron is treacherous, but Eleret has no fear. She straps a dagger to her leg and sets off to recover one of her mother's prized possessions: a ring etched with a raven. Eleret doesn't know what's special about her mother's ring, but someone wanted it badly enough to kill for it. And to make it home in one piece, she'll need to unlock the mysteries of the ring her mother died to protect.

**Nicholas of Lyra, Literal Commentary on Galatians** ,2015-12-31 Though little-known today, Nicholas of Lyra's commentaries are arguably among the most widely-read and influential commentaries of all time. For more than two hundred years, from the time of their composition, well into the Reformation era, they were copied and recopied, printed and reprinted, as an indispensable guide to the meaning of scripture. Naumann presents here a complete translation of Lyra's literal commentary on Galatians in English for the first time, with a freshly-edited Latin text,

and provides ample notes on its significance in relation to the works of previous authors.

**Lyra** R. Murray,2011-12-13 The fourth book in the series Tales of the Triad. Lyra is the story of a young Elf learning who and what she is through love and war, set against the background of life in the Triad Kingdom. Most of the Elves in the Triad are High Elves, dark, serious and somewhat bloodthirsty, living in the forest of Fair Haven, the Elf Home. They love the trees, along with all plant life, maintaining and harvesting the animal life within the forest even while developing it as their home. Lyra, a small, constantly giggling young Elf, loves bright colors, butterflies and dancing in the meadows. Rather than loving the trees, she love the fields of flowers and the animals that live within nature. She thinks deer taste nice, but are much too cute for her to kill. A bit of an airhead at times and thinking nothing of jumping up and kissing someone on the nose, she is not well accepted by Elf society. When she comes of age at one hundred and ten, she must begin to take her turn in the field work of the Triad. Her work party is sent to the Great Marsh, far to the south of the Triad. It is a place of heat, humidity, swamp and creatures such as alligators, snakes and creepy crawlies. While there her work party is attacked by Goblins and Lyra is taken captive. Escaping, she must find her way home through the Great Marsh, surrounded by enemies, searched for by friends and finally discovered by the Great Cats. The enemy doesn't stop with the Great Marsh and Lyra finds herself in the center of a war between the Triad and an unknown enemy, one with magic and technology to match their own. Captured once again, Lyra uses her abilities as an adult Wood Elf and the gift of the Great Cats to giggle her way through the fight for freedom. During her journey Lyra discovers inner strength, love and that she is not so strange after all, not for a tiny Wood Elf.

*The Subversive Voice of Carmen Lyra* Carmen Lyra,Elizabeth Horan,2000 Carmen Lyra's marvelous trickster tales wake the reader to a sharper understanding of 20th-century history. Lyra's stories and sketches--characterized by a sharp wit, wonderfully audacious candor and wry humor--help us reimagine the map of the Western Hemisphere.--Valerie Miner, University of Minnesota Carmen Lyra is one of many Central American women writers who were significant players in literary, intellectual, and political circles during their lifetimes but who have been studied and remembered less than they deserve. Recent scholarship is beginning to change this, and Horan's work is a welcome contribution to this effort. Her witty renderings into colloquial English of Lyra's folk and fairy tales are an invitation to read them aloud.--Janet Gold, University of New Hampshire These Central American trickster tales and satirical and realistic stories by Carmen Lyra (the pseudonym of María Isabela Carvajal, 1888-1949) are the first translation into English of the writings of a leading revolutionary who was also an early 20th-century folklorist and children's writer. This volume presents her popular folktales, including her most famous work, Tales of My Aunt Panchita, alongside her influential social criticism. The familiar Central American folk character Uncle Rabbit, derived from both African and Native American folklore, is featured in the tales, while her children's play, Christmas Fantasy, portrays another wily rabbit trying to pass as the Child Jesus. Lyra's realism is represented by her satire of high society in Tales of the Cothnejo-Fishy District, and her Silhouettes from the Maternal School describes the founding of Latin America's first Montessori kindergarten. She denounces the exploitation of workers in Bananas and Men, while Golden Bean reveals crooked dealings in the coffee business. Although Lyra's writings form the core of this book, the editor's essay offers important biographical information about an author and cultural milieu unfamiliar to many in the United States. Those readers interested in Latin American literature, women writers, and folktales will find this book interesting and informative. And the tales are simply wonderful reading! Elizabeth Rosa Horan is director of comparative studies in literature and associate professor of English at Arizona State University. She is the author of the award-winning Gabriela Mistral: An Artist and Her People and the translation editor (with Marjorie Agosin) of House of Memory: Short Stories by Latin American Jewish Women Writers.
