From Tejano to Tango Walter Aaron Clark,2013-02-01 Author of two books on Issac Albeniz, including Issac Albeniz: A Guide to Research (1998), Walter Aaron Clark has compiled thirteen essays that discuss the various aspects of Latin American music. The essays cover the social and political impact the music generated as well as the rhythmic development of the various genres. In this essential book, significant personalities, including Carmen Miranda, are discussed. The scope of the contributors is vast as divergent musical styles such as the Macarena dace craze, Bob Marley's reggae music and the seductive strains of the tango are analyzed.

Beyond the Pink Tide Macarena Gomez-Barris,2018-08-28 How can we create a model of politics that reaches beyond the nation-state, and beyond settler-colonialism, authoritarianism, and neoliberalism? In Beyond the Pink Tide, Macarena Gómez-Barris explores the alternatives of recent sonic, artistic, activist, visual, and embodied cultural production. By focusing on radical spaces of potential, including queer, youth, trans-feminist, Indigenous, and anticapitalist movements and artistic praxis, Gómez-Barris offers a timely call for a decolonial, transnational American Studies. She reveals the broad possibilities that emerge by refusing national borders in the Americas and by seeing and thinking beyond the frame of state-centered politics. Concrete social justice and transformation begin at the level of artistic, affective, and submerged political imaginaries—in Latin America and the United States, across South-South solidarities, and beyond.

Honor Macarena Lopez-Roberts,Angie Calero,2022-03-04 –Macarena López-Roberts: Quiero desempolvar el caso y devolver a mi padre al lugar que le corresponde. No tuvo nada que ver con los asesinatos pero pagó caro proteger a su amigo Rafi Escobedo. –Angie Calero: Quizá encontramos cosas que no te gusten. Así arranca esta autoficción, novela ficcionada o true fiction. Macarena López-Roberts recibe una llamada: alguien atenta -de nuevo- contra el honor de su padre, maltratándolo en un programa de televisión. El «caso Urquijo» persigue a su familia desde hace más de cuarenta años y es hora de buscar la fórmula para acogerse al derecho al olvido y borrar las más de 7000 entradas que hay sobre Mauricio, relacionadas con el crimen de los marqueses. Incluida una fotografía suya de cuando era una niña en la que aparecen abrazados el día que él se entregó a la policía para cumplir diez años de prisión por encubrir a Rafi Escobedo. Ante la negativa de Google de eliminar los rastros en la red, Macarena tomará dos decisiones: contratar a un hacker para que le ayude con el «borrado digital» e iniciar junto a la periodista Angie Calero una investigación exhaustiva, entrevistándose con todos los supervivientes para intentar esclarecer qué ocurrió la madrugada del 1 de agosto de 1980. ¿A quiénes beneficiaron las muertes de los marqueses de Urquijo? ¿Por qué continúan en la red las terribles imágenes de sus cadáveres? Angie apuesta por la prevalencia del derecho a la información mientras que Macarena quiere hacer justicia para poder olvidar. ¿El resultado? Nuevos datos sobre un asesinato que conmocionó los inicios de la Democracia española

Diographics Macarena San Martin,2011-05-10 Organizing information, especially complex information, is not an easy task, and doing so for others as a communication tool for an eye-catching image, is even less so. This book is a collection of over 140 examples of maps, sketches and diagrams, and graphs that have achieved this feat. The designers who created the work showcased in the following pages are truly international, and while they may not speak the same language as one another, they communicate common messages and themes through design—information design. Their work exemplifies how a single concept can be represented in several different and original ways, without losing sight of design's main objective: to organize and communicate complex information in an easily accessible and engaging manner.

Fashion Details Macarena San Martin,2011-11-01 The details make the difference. Whether it's the traditional details—"cuffs, pockets, darts, etc." or the myriad alternative details that fashion designers are using today, these eye-catching, trend-setting elements are what make their designs stand out on the runway and on the street. A vast and complete reference to the integral elements of fashion design, Fashion Details features thousands of full-color photographs showcasing the works of designers from around the world, including Camilla Norrback, Georgia Hardinge, Elisa Palomino, Stas Lopatkin, and many others. Re-energize your current

designs and be inspired to take your next designs in a completely new direction. This sourcebook of inspiration and motivation must be in the arsenal of every fashion designer who has obsessed over and is obsessed with detailsâ€”professionals and students alike.

**Curse of the Macarena** Sima Lieberman, 1994-11-01

**Macarena**, 2014-04 Based on La Virgen de la Macarena by Bernardino Monterde, this paso doble has all the flair of a spicy Spanish march complete with castanets and maracas. A tremendous opportunity to reinforce contrasting articulations and style with a few accidentals along the way. Olé! (2:00)

Construyendo agenda 21 para el municipio de La Macarena: una construcción colectiva para el desarrollo sostenible de la Amazonía Colombiana Fernando Sacristán, 2007-09-28 La Agenda 21 de La Macarena asume el concepto de desarrollo sostenible, como aquel que satisface las necesidades de las presentes generaciones sin comprometer las necesidades de las generaciones futuras, definido en el Informe Brundtland y ratificado en la Cumbre de Río. Esto supone construir un nuevo modelo de desarrollo que, basado en procesos de investigación, reconozca las condiciones especiales del Municipio y promueva nuevas formas de interactuar con el ambiente. Como sucede con todo su entorno regional, La Macarena es un espacio en donde convergen diversas y complejas problemáticas -la economía extractivista, el incremento de los cultivos de uso ilícito, las ineficiencias institucionales y administrativas y las dificultades de orden público, entre otras-, que obligan a todos los actores involucrados a definir acciones y corresponsabilidades conducentes a la resolución integral de los asuntos del desarrollo local. Este documento es el resultado de un ejercicio colectivo y participativo, que busca coadyuvar a redireccionar el actual modelo de desarrollo municipal. Los esfuerzos se concentran en identificar problemáticas, alternativas de solución, estrategias y líneas de acciones concretas y posibles en medio del contexto identificado, haciendo uso de las capacidades locales instaladas.

**Entonces... Apareció Macarena** Bartolomé Cantos Torres, 2018-11-30 Rafa, un hombre maduro, economista y divorciado, da un cambio a su vida y decide recorrer España como un vagabundo. En su deambular, va conociendo personas que le cuentan el motivo por el que llegaron a esta situación. Cuando conoce a Macarena, surge una atracción mutua, lo que da paso a que la vida de Rafa dé un giro de 180º, conociendo la otra parte de la sociedad.

**Macarena de Triana** José Antonio Rodríguez Torres, 2017-05-15 La Esperanza Macarena y la Esperanza de Triana tienen un regimiento de devotos, fervorosos, hermanos y cofrades. Ya decía García Lorca que una ciudad con dos Esperanzas tan bellas es normal que sea tan grande. Este libro narra la historia NUNCA CONTADA de ambas hermandades, desde su origen a su aparente rivalidad –a veces real, a veces intencionada– pasando por su labor social y cultural, que es mucha y muy valiosa. Se pretende dar respuestas a preguntas que se hace todo el mundo: ¿qué las une? , ¿qué detalles de ambas pasan inadvertidos incluso mirándolas una y otra vez? Pero hay algo más en este libro que, de seguro, levantará ampollas: ¿cuál es la opinión REAL sobre ambas hermandades que tiene la ciudadanía? , ¿qué se opina de los titulares, de las bandas y las marchas que suenan en su discurrir procesional? POR PRIMERA VEZ una encuesta realizada a más de 1.800 personas vendrá a dar respuesta a éstas y muchas otras incógnitas. Sí, esta obra es un estudio sociológico, pero también es un ensayo y tiene algo de novela. Y, sobre todo, hace honor a esa frase que dijo Silvio Fernández Melgarejo –de cuyo temazo Rezaré emana su título–: «Un rocanrolero se mueve un poco mejor que un nazareno; hay que tener rock hasta para llevar un paso». Aquí un nuevo libro, divertido y erudito a la par, rocanrolero a su forma, entretenido de todas todas y con pasión desbordada hacia las dos Esperanzas de nuestros desvelos, contempladas como nunca antes se había hecho.

**A Guide to Seville: Five Walking Tours** P S Quick, 2017-02-16 Seville is one of the most charming cities in Spain with its favourable climate and relaxed atmosphere. It is steeped in history and has a unique Moorish heritage that bequeaths the city a large collection of interesting buildings as well as those that are a legacy of the Ibero-American Exhibition of 1929. These five walks give the tourist an opportunity to visit and enjoy not only the major attractions that a guided tour usually includes but also many of the other interesting sights that people do not always see. This book will help you experience the atmosphere of different areas in Seville with its gardens, palaces, religious institutions, museums and other buildings, transporting you back through time by walking through the smaller streets and hidden plazas that have a historical and cultural significance with their blend of architectural styles. By providing five different walking routes and detailed information about each attraction passed it puts a visitor to Seville in charge of the time spent at any particular place rather than having to rush and keep up with a guide. With detailed instructions of how to get from one place to another it gives a flavour of the many things that Seville has to offer without having to join costly guided tours.

**La Historia de los Armaos de la Centuria Macarena** Antonio García Rodríguez, Hablar de los Armaos y de su historia, de sus orígenes y evolución, de sus anécdotas y personajes, de quienes pusieron las bases para asentar y asegurar su continuidad, sin los avatares que pusieron en peligro su supervivencia, es un grandísimo compromiso. No sólo por la investigación y el trabajo de campo necesario para ello. Hay en este colectivo

mucho de pasión y sentimiento, de mutación personal que trasmina lo tangible, no sólo en el ambiente cofradiero, sino que alcanza al sentimentalismo individual que se adueña de sus propios egos. Son mílices romanos, descendientes certeros de la Legión III de Tiberio, como tal vez lo fuera aquel Macarius que le dio nombre al barrio. Abran las puertas del corazón para asimilar esa condición porque ellos son conscientes de que cumplen con los preceptos que le son arrogados, que son afortunados portadores de un legado, de una trascendente misión que guardan en lo más íntimo de su ser y para la que se suponen predestinados. No se queden en la superficialidad, en el colorido de sus vestimentas ni en el ondear áldeo que culmina sus cascós. Observen sus ojos, sus caras y desentrañarán el misterio que sucede, cada madrugada del viernes santo, en Sevilla, cuando los Armaos llegan desde la Macarena.

**La ciudad maquillada: gentrificación en el barrio La Macarena** Paola Luna,2017-10-02 Los hogares pobres en el centro de la ciudad tienen a sus espaldas una amenaza inevitable: la expulsión hacia la periferia. Las políticas de ordenamiento territorial han impulsado la reubicación de hogares de bajos ingresos en zonas periféricas debido a los proyectos de ocupación de zonas privilegiadas en el corazón de la ciudad<sup>1</sup>. Los barrios donde se concentra la pobreza están condenados al aislamiento: la violencia cotidiana y las redes de delincuencia los convierten en sectores estigmatizados donde los programas para la inclusión social son insuficientes para contrarrestar los círculos viciosos de la marginalidad<sup>2</sup>. Con el fin de frenar el deterioro se implantan políticas de renovación urbana y conservación patrimonial que intervienen por medio de la expropiación de lotes, la reubicación en proyectos de vivienda estatal y la inversión en infraestructura física. El resultado es ineludible: el efecto paulatino en el aumento de los costos de la vivienda debido a la valorización del suelo produce la expulsión permanente de residentes de bajos ingresos. La transformación física (su nueva cara) y la llegada de residentes de mayor poder adquisitivo se celebran con entusiasmo por parte de los inversionistas y pocos registran la historia de aquellos que se resignan a la frontera de la pobreza en la periferia urbana. Este proceso de reordenamiento territorial, en el que un grupo de menor poder adquisitivo es desplazado por otro con uno mayor es denominado gentrificación (a veces es señalado como elitización o aburguesamiento). En este proceso, las políticas públicas cumplen un papel central en la configuración de un mercado de vivienda excluyente.

**ESPERANZA MACARENA: MUSA EN LA POESÍA ESPAÑOLA** ISMAEL JIMÉNEZ GUILLÉN,2023-02-10 A lo largo de este trabajo, se pretende recopilar la poesía escrita en honor a Nuestra Señora de la Esperanza Macarena Coronada de Sevilla y recuperar, del mismo modo, aquellos autores que no han entrado en el canon de la literatura española. Para ello, tras un importante bloque de introducción y contextualización, hemos organizado el corpus en siete líneas temáticas: “Macarena: júbilo de los sevillanos”, “la Madrugá macarena”, “tauromaquia y Esperanza”, “la política en torno a la Macarena”, “el cortejo macareno: los armaos”, “la Esperanza en la identidad sevillana” y “Nuestra Señora: una devoción universal”. Finalmente, estableceremos una serie de conclusiones a las que llegamos tras examinar el corpus y nos plantearemos una serie de cuestiones sobre la idea de canon literario.

**8 días y 7 noches con Macarena** Venancio García Hernández,2016-10-04 Historia de amor ocurrida en el Puerto de La Cruz, Tenerife sobre los años 60, del siglo XX, en el que el lector podrá encontrar una historia de amor y pasión, unido a lujuria comedida, que lo llevará en una montaña rusa de sentimientos encontrados. Hay un refrán que dice del amor al odio solo hay un paso, siendo este relato un ejemplo del mismo. Esta escrita en el lenguaje que se usaba en esa época, por lo que podremos también encontrar un vocabulario rico en palabras que aún hoy en día usan algunos de nuestros mayores y que con el tiempo se han ido dejando de utilizar.

**Origin Narratives** Macarena García-González,2017-05-18 The first of its kind, this volume unpacks the cultural construction of transnational adoption and migration by examining a sample of recent children's books that address the subject. Of all European countries, Spain is the nation where immigration and transnational adoption have increased most steeply from the early 1990s onward. *Origin Narratives: The Stories We Tell Children About Immigration and International Adoption* sheds light on the way contemporary Spanish society and its institutions re-define national identity and the framework of cultural, political and ethnic values, by looking at how these ideas are being transmitted to younger generations negotiating a more heterogeneous environment. This study collates representations of diversity, migration, and (colonial) otherness in the texts, as well as their reception by the adult mediators, through reviews, paratexts, and opinions collected from interviews and participant observation. In this new work, author Macarena García González argues that many of the texts at the wider societal discourse of multiculturalism, which have been warped into a pedagogical synthesis, underwrite the very racism they seek to combat. Comparing transnational adoption with discourses about immigration works as a new approach to the question of multiculturalism and makes a valuable contribution to an array of disciplines.

**Who Wrote The Book Of Love?** Richard Crouse,2012-03-15 , The words to Little Richard's *Tutti Frutti* were initially so risqué they had to be completely rewritten - in the hallway of the studio, as time was running out - before the song could be recorded. (He wrote the original version while working as a dishwasher in a bus station in Georgia.) , Paul Simon's 1972 hit *Mother and Child Reunion* takes its name from an elaborate chicken and

egg dish served at Say Eng Look Restaurant in New York City. , Nirvana's huge hit Smells Like Teen Spirit, interpreted by music critics and fans alike as an angst-ridden cry of teen rebellion, actually sprang from a bit of graffiti accusing Kurt Cobain of smelling like an antiperspirant for young women.

**The New York Yankees in the Twentieth Century** William Klink,Bonnie Castleberry,Diane Gaede,2023-09-07 Not for baseball fans only, this enlightening, entertaining exploration of Yankee history examines how design theory and corporatism combined to create the world's most famous baseball franchise, how the managers and star players were outliers who reflected philosophical movements—including existentialism, Gnosticism, and Machiavellianism—and how baseball, among other leisure pursuits, creates a stronger, more civil society. Throughout the book, Dr Klink points out the distinction between looking and seeing by exploring things spectators look at without really seeing or understanding their meaning and impact—the pinstripe uniforms, the stadium's façade, even the Yankee baseball cap on a guy drinking a beer at a bar. The book explores all aspects of the culture surrounding the New York Yankees, from the stadium to the players and the larger community. It will be of interest to Yankees fans and non-fans alike.
