The Art of Bob Mackie Frank Vlastnik, Laura Ross, 2021-11-16 The first-ever, comprehensive and authorized showcase of legendary fashion designer Bob Mackie's fabulous life and work, featuring hundreds of photos and dozens of never-before-seen sketches from his personal collection. Cher, Carol Burnett, Bette Midler, Pink, Tina Turner, Elton John, Liza Minnelli, Angela Lansbury, Diana Ross, Beyoncé, RuPaul, and Madonna...what do they all have in common? All have been dressed by Bob Mackie. For nearly six decades, the iconic and incomparable Bob Mackie has been designing stunning, unforgettable clothing. His unique, glamorous-sometimes hilarious-creations have appeared on Broadway stages, TV screens, runways, and red carpets worldwide. For his pioneering genius and continual reinvention, he is a Tony Award and nine-time Emmy Award winner, a three-time Oscar nominee, and recipient of the Geoffrey Beene Lifetime Achievement Award from the Council of Fashion Designers of America. For the first time, he has granted full access to his archives and personal memories to the authors of this lavish celebration of his achievements. The Art of Bob Mackie is the first-ever comprehensive and fully authorized book showcasing Mackie's work, from his early days as a sketch artist for the legendary Edith Head at Paramount to his current, cutting-edge costumes for pop stars and line of accessible, wearable clothing for QVC. In addition to hundreds of glorious photos and dozens of dishy recollections from Mackie and his many muses, this gorgeous volume features never-before-seen sketches from throughout his prolific career, from Marilyn Monroe's iconic "Happy Birthday, Mr. President" gown to Carol Burnett's "Went with the Wind" curtain-rod dress, to Cher's show-stopping 1986 Oscar look. As other designers have burst onto the scene and faded out of fashion, Mackie has soared from success to success, always remaining relevant because he has always been spectacularly fashion-forward. With a foreword by Carol Burnett and an afterword by Cher, The Art of Bob Mackie is a stunning must-have for lovers of sequins, beads, and feathers; Broadway shows and classic television; pop music and pop culture; and fashion with incomparable flair.

Mackie and Jack Jan William Smith, 2023-02-01 A true and moving story of love, war, courage and indomitable spirit... One day the tall, gaunt father came to the house with the new wife and called the puzzled seven-year-old to him. She had never seen him before... 'I am your father and you will call me Father, and this is your new mother and you will call her Mother,' he said. Then he went away again, leaving little Bell with confusion in her mind and emptiness in her heart. In Mackie and Jack, the author travels with Mary 'Bell' Todd on a journey to remember a lonely childhood, a wartime marriage and what it took for her to succeed as a woman alone in a man's world of livestock breeding in Australia. Empowered by inner strength and resilience, she confronted her challenges and overcame them. In 1942-1944, Mary's husband, Squadron Leader Jack Todd faced challenges of another kind. Armed with bombs, depth charges and mines, the Catalinas of 11 and 20 Squadrons, Royal Australian Air Force, took the war directly to the Japanese by reaching out from Cairns in flights across the Pacific. From these squadrons alone, 187 men did not return. Jack Todd piloted the ill-fated mission of Catalina A24.34. Jack's story is one of courage, leadership and valour in a war against an enemy that showed no mercy. An outstanding account of Australian war history and that of a woman who brushed aside those who stood in her way.

Who Is Mackie Spence? Lin Kaymer, 2014-12-05 Jeremy's friend, Mackie Spence, seems different. She doesn't act like the same person he's grown up with all his life. And Jeremy would know. In the last year, he's paid close attention, as that funny little girl suddenly turned into a knockout. But now something is beyond weird. He didn't see much of Mackie during the summer that followed her near-drowning incident. But it's September, she's back at school, and Jeremy can't explain the changes in her. After all, he's a jock who understands science and math, not girls like Mackie. Still, when both of them volunteer at the wild animal shelter, he sees how huge, wounded birds calm to her touch. And that's just the beginning. When Jeremy, who's falling hard for Mackie, starts to feel protective of her, keeping an eye on her as she makes her way through the woods and coves of the small Puget Sound island where both of them grew up, he sees things he finds hard to believe. Mackie is still Mackie, but she's also someone beyond normal human experience. So who is she? Or...what is she? How can Jeremy protect Mackie from her fate? Should he even try, or is he interfering in something so big and so ancient that it doesn't even have a name? And while he may love Mackie, is he going where mere mortals are forbidden? To save the girl he loves, Jeremy must solve puzzles that will not only change his future, but the way he understands life, forever.

John Milton Mackie's The Administration of President Washington John Milton Mackie, Frank E. Grizzard, 2006 Now in book format, this annotated edition of mid-19th century author John Milton Mackie's Whig analysis of George Washington's presidency explains the original 'dream team' of American politics, Jefferson, Hamilton, Randolph, Madison and Knox. First time in print since its original publication in the American Whig magazine in 1849. Introduction and annotation provided by noted Washington scholar Frank E. Grizzard, Jr., author of *George! A Guide to All Things Washington*, the definitive reference work on America's first president.

Unmistakably Mackie Frank DeCaro, 1999 Ask anyone what Cher wore to the Oscars in 1985 and they can describe the Spiderwoman headdress, the exposed navel, and the looks on people's faces when she made her entrance. Ask about Carol Burnett's *Went with the Wind* dress, and they'll say it was a green velvet Southern Belle costume made from drapes--with the curtain rod still attached. Funny and outrageous, these are just two of the many costumes Mackie has indelibly etched into our minds. He has also dressed such celebrities as Elton John, Bette Midler, Diana Ross, and RuPaul; designed for Broadway, Las Vegas, opera, and ballet; and currently runs a couture business with licenses for fragrance, fashion accessories, eyewear, suits, furs, home furnishings, and collectible Barbie dolls. This spectacularly bright and colorful book is as outrageous as Mackie's designs. In addition to classic photos of marvelous Mackie-clad superstars of the last three decades, glorious gatefolds and specially commissioned color photographs by Gideon Lewin illustrate Mackie's extraordinary achievements. Unmistakably Mackie demonstrates how this seven-time Emmy Award-winning designer has re

Ethics J.L. Mackie, 1990-08-30 An insight into moral skepticism of the 20th century. The author argues that our every-day moral codes are an 'error theory' based on the presumption of moral facts which, he persuasively argues, don't exist. His refutation of such facts is based on their metaphysical 'queerness' and the observation of cultural relativity.

A Place to Start Over Susan Mackie, 2021-11-04 Can one bad decision change your life? While recuperating from her biggest mistake, Harriet's had time to plan a fresh start, away from the city. With a business plan on her laptop and determination in her heart, she leaves Sydney, heading north. It's a long drive and she's only just beginning to heal, so she's booked a stopover at Barrington Homestead on the way. Harriet meets Drummond Murray on the road to Barrington. He's a cattle farmer and fifth generation local. Impeccable manners but not much warmth. She has no choice but to accept his assistance, but she's not keen to see him again. In contrast, Ben Evans is a local stock and station agent, good humoured, warm and welcoming. Except Harriet isn't looking for romance and she's keen to continue her journey north. Circumstances conspire to keep her in Barrington and after months of feeling helpless, feeling needed strikes a chord. A cast of local characters and new friendships make her wonder if this might just be her place to start over.
