

Maki

Ken Kawasumi

The Life and Works of Haku Maki Haku Maki,Daniel Tretiak,2007 Haku Maki (1924-2000) was a highly innovative Japanese printmaker of the second half of the 20th century. His prints often had a three-dimensional quality, derived from the embossing which Maki used in much of his work. His best prints and his core theme from 1965 to 1979 were kanji (Chinese characters that were adopted many centuries ago by the Japanese), They were often enhanced by Maki to make them look better. After kanji, he concentrated for a decade creating prints with ceramics used in drinking tea and wine. Like kanji, these objects, deeply rooted in centuries of Japanese culture, were rendered in a clear, crisp manner. After carefully carving a kanji onto a plywood board, Maki put cement on the board and on the kanji. After the cement left its impression there, Maki carefully removed most of it with a chisel. He then used double-layers of wet paper, which when rolled, gave the print an embossed effect. Cement gave prints a surface-of-the-moon-like texture that continues to attract the viewer. Maki's oeuvre is characterized by clean, sharp images, whether done in black kanji on a white background or in a bright color against a dark background. His prints usually contain one outstanding object, whether kanji or a ceramic vessel or a persimmon. The viewer's gaze is directed strictly to the subject, the background is not allowed to distract. Maki's prints invariably have a modern look and feel to them, they fit in the early 21st century just as well as they did when they were first produced 20-30 years ago. Yet Maki's primary subjects are very traditional. His achievement was to rework and update the traditional, producing an image that delights and sometimes surprises the viewer as the old emerges, recognizable but new. With little fuss and few frills, Maki allows the viewer to concentrate on the core subject and nothing else. Very Zen.

The Love and Creed of Sae Maki Tohru Uchimizu, Sae was thought to be a friend, but she turned out to be a demon with the desire to control. In order to escape from Sae's overwhelming love, there's only one last strategy...

The Love and Creed of Sae Maki Tohru Uchimizu, Misao can no longer run from Sae's control. But Ran Daimon, whose curiosity is insatiable, manages to get close to the hopeless Misao. I want to know everything. What is Ran's true purpose?

Paulie Maki Gail Wickstrom,2021-11-04 When Pauli Maki is born into a loving family, no one ever anticipates that one day he will become a hopeless alcoholic. Expected to go far in life, he has a healthy, normal childhood in a small town that includes his good friends, Rotten Mugga, Football, Hicks, and Magooch. As Maki gradually progresses into the disease of alcoholism, what begins as a pastime of enjoying a few brews with his chums degenerates into wholesale binges. While he experiences drunken excesses and often-productive periods of sobriety, Maki repeatedly forfeits success for failure. As the cycle seemingly never ends, an engagement to be married is broken, he is fired from promising positions as an aerospace engineer, and becomes very familiar with the inside of a jail cell. Even worse yet, there is a murder. Saddled with guilt, Maki believes he is partially responsible. As his already dark life spirals even further downward, he winds up on skid row. Is there any hope for Maki who has become completely addicted to alcohol? In this novel inspired by true events, an aerospace engineer battling alcoholism spirals downward to rock bottom where he eventually discovers there is always hope.

Maki v. S. J. Groves & Sons, 279 MICH 644 (1937) ,1937 49

The Love and Creed of Sae Maki Tohru Uchimizu, Misao is a high school girl who is terrible at making friends. One day, she's saved from her loneliness by Sae, whose academics, athleticism, and even appearance are perfect. But Sae's idea of friendship is a little distorted... This series has been published in Japan since 2014 which Japanese title name is Sae-ism

Rumi Maki Fighting Arts Juan Ramon Flores,Alex Bushman Vega,2007-06-19 An unprecedented voyage into the world of Peru's indigenous warrior culture, Rumi Maki offers a fascinating look at this exotic martial art as preserved by a practicing master. The book begins with an in-depth look at the history of the sacred Incan fighting arts, dispelling many of the myths surrounding them. The authors then present a detailed look at Rumi Maki's five-level structure, with step-by-step instructions and demonstrations of the techniques from each level. The Incas' unique approach to physical and mental conditioning, philosophy, spirituality, weaponry, and military structure are also presented for the first time. Hundreds of photographs and illustrations help further document the Incas' martial legacy. Of great interest to all martial arts enthusiasts, the book's absorbing description of early Peruvian civilization attracts readers interested in the cultural and spiritual history of the Andean people.

The Love and Creed of Sae Maki Tohru Uchimizu, Sae was thought to be a friend, but she turned out to be a demon with the desire to control. In order to escape from Sae's overwhelming love, there's only one last strategy...

Sushi for Parties Ken Kawasumi,1995-09 Sushi is one of the truly Japanese dishes. It makes full use of fresh seafood and seasonal ingredients. A Japanese eating sushi exclaims that he or she is happy to be born Japanese. Along with sukiyaki and tempura, sushi is world famous as a typical Japanese dish. Traditionally, chirashi-zushi (scattered sushi) and maki-zushi (rolled sushi) have been prepared by mothers for the occasion of cherry-blossom viewing, school sports, festivals and traditional events. It is also served for guests. Like home-made pickles, each family had its own distinctive flavor. The flavor of sushi has been handed down like this from generation to generation, but recently it has been forgotten with the increase in nuclear families. Nigiri-zushi in particular has become high-priced food available only at sushi bars. This book is intended for beginners. TV champion Ken Kawasumi, who won the sushi contest sponsored by TV Tokyo twice, explains the techniques and methods simply and plainly. If nigiri-zushi is prepared at home, everyone can relish the intriguing recipes at a reasonable cost. Let's enjoy and fully appreciate the delicacies of hand-made sushi.

Fun and Fancy Sushi Seiko Ogawa,Ine Mizuno,Ken Kawasumi,2008-11 Sushi has entered the mainstream—it's now available at upscale Japanese restaurants, fast food counters, delis, even supermarkets. The more people enjoy sushi when they dine out, the more they want to learn to make it themselves and serve it at home. With easy-to-follow instructions and full-color photos, FUN & FANCY SUSHI, EXPANDED EDITION, is the perfect introduction for beginners and a source of innovative ideas for more experienced sushi chefs. The book consists primarily of one of JPT's most popular

titles, FUN & FANCY SUSHI, with the addition of a section on nigiri-zushi (squeezed sushi) from another classic, SUSHI FOR PARTIES.
