Medical Materialities Aaron Parkhurst, Timothy Carroll, 2019-01-14 Medical Materialities investigates possible points of cross-fertilisation between medical anthropology and material culture studies, and considers the successes and limitations of both sub-disciplines as they attempt to understand places, practices, methods, and cultures of healing. The editors present and expand upon a definition of 'medical materiality', namely the social impact of the agency of often mundane, at times non-clinical, materials within contexts of health and illness, as caused by the properties and affordances of this material. The chapters address material culture in various clinical and biomedical contexts and in discussions that link the body and healing. The diverse ethnographic case studies provide valuable insight into the way cultures of medicine are understood and practised.

History of Soynuts, Soynut Butter, Japanese-Style Roasted Soybeans (Irimame) and Setsubun (with Mamemaki) (1068-2012) William Shurtleff, Akiko Aoyagi, 2012-12

Aoyagi,2014-02-19 The world's most comprehensive, well documented, and well illustrated book on this subject, with 445 photographs and illustrations. Plus an extensive index.

Japan Report ,1971

Snow Engineering: Recent Advances I. Izumi,T. Nakamura,R.L. Sack,1997-01-01 The objective of the conference was to provide a forum for engineers, architects and scientists to discuss a broad range of research and design methods for various problems related to snow engineering. Specialists in building and civil engineering, environmental engineering, energy engineering, urban planning, and regional development as well as snow scientists were brought together for the conference. The technical sessions were in five thematic areas as follows: Snow technology and science; Building and construction engineering; Infrastructure and transportation; Housing and residential planning; Development strategy in snow countries. The 115 papers provide keys to realize more comfortable living conditions in snow countries and to overcome many problems in heavy snow regions.

雪国生活 雪国生活,1992

With the Light... Vol. 2 Keiko Tobe,2016-12-20 Sachiko and Masato Azuma have overcome numerous obstacles in dealing with their firstborn son Hikaru's autism. Having saved their marriage from ending in ruins, the young couple has welcomed a healthy baby girl, Kanon, into their tight-knit family. But with the obvious differences between Hikaru's and Kanon's developmental abilities, it becomes apparent that social prejudices against

Hikaru's disability are never far away. As Hikaru moves into fourth grade, Sachiko encounters a new student, Miyu, whose mother has completely given up on her daughter's life and her own. With the help of Hikaru's beloved teacher, Aoki-sensei, Sachiko aims to bring hope back to Miyu's family. But when Aoki-sensei transfers to a different school and Hikaru's special education class is thrown into upheaval by yet another tragedy, can Sachiko continue to hold on to her own hope for her son's future?

Wotakoi: Love Is Hard for Otaku 5

Fujita, 2021-09-28 After years of butting heads and petty disagreements, Hanako and Taro begin to realize that the next stage of their relationship may be the most challenging one yet. Naoya faces his own hurdles in trying to understand his feelings toward Ko, whose quest for personal growth has led her farther out of his reach. Fortunately, big brother Hirotaka has some insight to share on the topic, which may bring to light a new perspective of what Narumi means to him...

Bringing Zen Home Paula Arai, 2011-09-30 Healing lies at the heart of Zen in the home, as Paula Arai discovered in her pioneering research on the ritual lives of Zen Buddhist laywomen. She reveals a vital stream of religious practice that flourishes outside the bounds of formal institutions through sacred rites that women develop and transmit to one another. Everyday objects and common materials are used in inventive ways. For example, polishing cloths, vivified by prayer and mantra recitation, become potent tools. The creation of beauty through the arts of tea

ceremony, calligraphy, poetry, and flower arrangement become rites of healing. Bringing Zen Home brings a fresh perspective to Zen scholarship by uncovering a previously unrecognized but nonetheless vibrant strand of lay practice. The creativity of domestic Zen is evident in the ritual activities that women fashion, weaving tradition and innovation, to gain a sense of wholeness and balance in the midst of illness, loss, and anguish. Their rituals include chanting, ingesting elixirs and consecrated substances, and contemplative approaches that elevate cleaning, cooking, child-rearing, and caring for the sick and dying into spiritual disciplines. Creating beauty is central to domestic Zen and figures prominently in Arai's analyses. She also discovers a novel application of the concept of Buddha nature as the women honor deceased loved ones as "personal Buddhas." One of the hallmarks of the study is its longitudinal nature, spanning fourteen years of fieldwork. Arai developed a "second-person," or relational, approach to ethnographic research prompted by recent trends in psychobiology. This allowed her to cultivate relationships of trust and mutual vulnerability over many years to inquire into not only the practices but also their ongoing and changing roles. The women in her study entrusted her with their life stories, personal reflections, and religious insights, yielding an ethnography rich in descriptive and narrative detail as well as nuanced explorations of the experiential dimensions and effects of rituals. In Bringing Zen Home, the first study of the ritual lives of Zen

laywomen, Arai applies a cutting-edge ethnographic method to reveal a thriving domain of religious practice. Her work represents an important contribution on a number of fronts—to Zen studies, ritual studies, scholarship on women and religion, and the cross-cultural study of healing.

Leisurely Tokyo Cheng Siu Chun, 2018-09-04 A highly comprehensive Tokyo Travel Guidebook. Starting Out Kaiya Kokoro, 2015-01-25 Your complete anime persona takes account of your unique personality and appearance, and develops and accentuates those traits which have a natural place in an anime life. Your individual characteristics, aside from being developed in alignment with your ideal anime life, are also contrasted with a group of friends, each also committed to developing an anime lifestyle and persona. Together, individual similarities and differences help create a dynamic and fun group environment. And since no anime lifestyle is complete without some exciting plot-line, the group is put into action going on adventures, working on projects, and achieving goals together. In chapter 1, you will take several quizzes to

help you determine what anime personality traits you have. This will help you find your niche among the friends who will take the anime dream to the next level, providing a context for your individual character to be fully realized. In chapter 2, you will learn how you can bring the anime dream to it's ultimate manifestation by structuring your group around a Group Focus. The Group Focus serves as a kind of plot-line within which talents will be realized and adventures will be had. In chapter 3, you'll learn how to plan exciting adventures. From fun afternoons to overnight trips - adventures of all sorts are discussed in detail, as well as how to make them affordable and safe. Chapter 4 discusses ways to add anime magic to holidays. In addition to traditional Western holidays that are also celebrated in Japan, common Japanese holidays, celebrated in Japan and in anime, will be discussed. We will review ways to incorporate those holidays in your life through small celebrations with your friends. Chapter 5 discusses group projects - activities that you and your friends can work on together such as making a group photo book, sewing costumes, and making anime style accessories. There is even a how-to guide for creating anime-like photos.

Introduction to Japan Gilad James, PhD, Japan is an island nation located in East Asia, comprising a group of approximately 6,852 islands. Honshu, which is the largest and most populous island in Japan, is home to the capital city, Tokyo. Japan has a rich cultural heritage that dates back thousands of years, with unique customs,

practices, and traditions that continue to be celebrated today. Japanese society is known for its emphasis on respect for authority, politeness, and harmony. In terms of economy, Japan is one of the world's most advanced societies and a major economic power. It is known for its technologically advanced manufacturing and service industries, as well as its world-renowned brands like Toyota, Sony, and Nintendo. The country has made significant advancements in innovation, science, and technology, including the development of robotics, automation, and artificial intelligence. Despite its impressive growth and economic achievements, Japan continues to face challenges such as an aging population and low birth rates.

Suisun City and Valley Elissa A. DeCaro, L. M. Ewing, 2013 Suisun, a Patwin word for where the west wind blows, was the name given to the city and valley that flourished as a port between the vast regions of Sacramento and San Francisco. For over a thousand years, the Suisun region was inhabited by Native Americans, who thrived in the lush, temperate climate until the Mission Period brought forth devastation from conquest and epidemics. Suisun Valley served as the last vestige of the Mission Period with the establishment of Santa Eulalia, an asistencia for Mission San Francisco Solano in Sonoma. Following statehood, Suisun City and Valley became a cultural hub from the influx of pioneers, such as founder Capt. Josiah Wing, who saw potential for industry, agriculture, and trade.

Kiss Him, Not Me Junko, 2016-04-05 Hi again! It's

me, Kae! After sweating it out with the boys, I've slimmed down again, but the fujoshi in me will never fade away! After everything that happened in the last volume, Igarashi has now fallen in love with the true me. He's decided to continue his pursuit, but this time, he means business! Igarashi's new resolve also spurs a change in Nanashima, and he doubles his efforts to win me over. It's great that they're both so fired up, but what's firing me up is the thought of them possibly getting hot and heavy with each other... Includes extras such as a White Day-themed bonus comic and sketches of never-before-revealed character designs! SEE LESS
