War and Peace Vol. 5 &6 Leo Nikolayevich Tolstoy,Leo Tolstoi,2010-06-01 Leo Tolstoy, or Count Lev Nikolayevich Tolstoy (1828-1910), was a Russian writer widely regarded as among the greatest of novelists for his masterpieces War and Peace and Anna Karenina. War and Peace's vast canvas includes 580 characters, many historical, others fictional. The story moves from family life to the headquarters of Napoleon, from the court of Alexander I of Russia to the battlefields of Austerlitz and Borodino. The novel explores Tolstoy's theory of history, and in particular the insignificance of

individuals such as Napoleon and Alexander.

*War and Peace* Leo Tolstoy,2010-10-14 I don't understand it; I don't in the least understand why men can't live without wars. How is it that we women don't want anything of the kind, don't need it? Tolstoy's epic masterpiece intertwines the lives of private and public individuals during the time of the Napoleonic wars and the French invasion of Russia. The fortunes of the Rostovs and the Bolkonskys, of Pierre, Natasha, and Andrei, are intimately connected with the national history that is played out in parallel with their lives. Balls and soirées alternate with councils of war and the machinations of statesmen and generals, scenes of violent battles with everyday human passions in a work whose extraordinary imaginative power has never been surpassed. The prodigious cast of characters, both great and small, seem to act and move as if connected by threads of destiny as the novel relentlessly

questions ideas of free will, fate, and providence. Yet Tolstoy's portrayal of marital relations and scenes of domesticity is as truthful and poignant as the grand themes that underlie them. In this definitive and highly acclaimed Maude translation, Tolstoy's genius and the power of his prose are made newly available to the contemporary reader. In addition this edition includes a new introduction by Amy Mandelker, revised and expanded notes, lists of fictional and historical characters, a chronology of historical events, five maps, and Tolstoy's essay 'Some Words about War and Peace'.

The Study of Culture at a Distance Margaret Mead,Rhoda Bubeney Métraux,Rhoda Métraux,2000 In 1953 Margaret Mead and Rhoda Metraux produced The Study of Culture at a Distance, a compilation of research from this period. This work, long unavailable, presents a rich and complex methodology for the study of cultures through literature, film, informant interviews, focus groups, and projective techniques.

*Crime and Punishment* Fyodor Dostoyevsky,2017 Crime and Punishment is the story of a murder

committed on principle, of a killer who wishes to set himself outside and above society. It is marked by Dostoevsky's own harrowing experience, and yet there are moments of wild humour. This authoritative translation comes with a challenging new introduction and helpful annotation.

**The Tattered Cloak and Other Stories** Nina Berberova, 2001 The greatest collection by one of the great Russian writers is now back in print. First published in Europe in the 1930s and '40s, these searing, evocative stories by the late emigre writer Nina Berberova (1901-1993) are portraits of the lives of Russian exiles in Paris on the eve of World War II. The protagonists range from housekeepers and waiters to shabby-genteel aristocrats and intellectuals but all are united in a haunting displacement from their pasts, and all share a troubling uncertainty about the future.

*The Brothers Karamazov: A New Translation by Michael R. Katz* Fyodor Dostoevsky, 2023-07-25  
Lively, fast-flowing.... the voiciest translation of the novel thus far. [Katz] writes at the fever pitch of speech, unleashing the speed and the chaos of the original. —Jennifer Wilson, The New Yorker A

monumental new translation—the first in more than twenty years—of Russia’s greatest family drama, rendered with all the passion, humor, and soul of the original. Dostoevsky’s final, greatest novel, *The Brothers Karamazov*, paints a complex and richly detailed portrait of a family tormented by its extraordinarily cruel patriarch, Fyodor Pavlovich, whose callous decisions slowly decimate the lives of his sons—the eponymous brothers Karamazov—and lead to his violent murder. In the aftermath of the killing, the brothers contend with dilemmas of honor, faith, and reason as the community closes in on the murderer in their midst. Acclaimed translator Michael R. Katz renders this masterpiece’s nuanced and evocative storytelling in a vibrant, signature prose style that captures all the power of Dostoevsky’s original—the clever humor, the rich emotion, the passion and the turmoil—and that will captivate and unsettle a new generation of readers.

*Tolstoy on the Couch* Daniel Rancour-Laferriere, 1998-07-08 In his 1889 novella *The Kreutzer Sonata* Lev Tolstoy declared war on human sexuality. Having fathered thirteen children by his wife and at least two children by peasant women, the great Russian writer now has the arrogance to suggest

that people should stop having children. Psychoanalysis of Tolstoy's diaries and other private materials reveals that Tolstoy's anti-sex position was grounded in a sadistic attitude towards women (including his wife Sonia) and a punishing, masochistic attitude towards himself. These feelings, in turn, were related to the trauma of maternal loss in Tolstoy's early childhood.
