A Companion to Wittgenstein's Philosophical Investigations Garth Hallett, 2019-06-30 One of the most impressive pieces of scholarship I have ever encountered.-W. E. Kennick, Amherst College There is nothing in the literature on the *Philosophical Investigations* comparable to this learned and exhaustive commentary. Offering both information and interpretation, it is a remarkable book that fills a recognized need for a close study of one of the world's major works of philosophy. After a general introduction, Father Hallett divides the text of the *Investigations* into forty-one units, and then provides an introduction to each section, along with detailed comments on individual paragraphs, statements, and expressions. His use of paragraph numbers in the general introduction and in the sectional introductions permits ready reference downward, for detailed development or illustration of a general observation, or upward, from a particular passage to its wider context. To clarify the philosophical point of Wittgenstein's remarks, Father Hallett makes frequent references

to other parts of the Investigations; to Wittgenstein's other writings, both published and unpublished; and to the works which Wittgenstein knew and often had in mind, such as those of Frege, Russell, Moore, James, Augustine, Plato, Schlick, and Kohler. Father Hallett also cites and quotes secondary sources, and he includes an appendix relating Wittgenstein to more than 150 authors, particularly those of his own generation or earlier whom he read, or knew personally, and who are mentioned in this commentary. Written in straightforward and lucid prose, this outstanding book reveals continuities in Wittgenstein's thought over long periods of time. It is an indispensable guide for those preparing courses on the Investigations and a useful tool for students taking those courses.

Michael Collins: The Man Who Made Ireland Tim Pat Coogan, 2002-05-17 When the Irish nationalist Michael Collins signed the Anglo-Irish Treaty in December 1921, he observed to Lord Birkenhead that he may have signed his own death warrant. In August 1922 that prophecy came true when Collins was ambushed, shot and killed by a compatriot, but his vision and legacy lived on. Tim Pat Coogan's biography presents the life of a man whose idealistic vigor and determination were matched by his political realism and organizational abilities. This is the classic biography of the man who created modern Ireland.

The Canadian Modernists Meet Dean Irvine, 2005-07-12 The Canadian Modernists Meet is a collection of new critical essays on major and rediscovered Canadian writers of the early to mid-twentieth century. F.R. Scott's well-known poem 'The Canadian Authors Meet' sets the theme for the volume: a revisiting of English Canada's formative movements in modernist poetry, fiction, and drama. As did Scott's poem, Dean Irvine's collection raises questions - about modernism and antimodernism, nationalism and antinationalism, gender and class, originality and influence - that remain central to contemporary research on early to mid-twentieth-century English Canadian literature. The Canadian Modernists Meet is the first collection of its kind: a gathering of texts by

literary critics, textual editors, biographers, literary historians, and art historians whose collective research contributes to the study of modernism in Canada. The collection stages a major reassessment of the origins and development of modernist literature in Canada, its relationship to international modernist literature, its regional variations, its gender and class inflections, and its connections to visual art, architecture, and film. It presents a range of scholarly perspectives, drawing upon the multidisciplinary that characterizes the international field of modernist studies.

The entries are listed alphabetically on a country-by-country basis. Section 2 provides information concerning agents or representatives, including names of manufacturers represented, names of managers, number of employees, and range of products handled. A number of these companies are also active in manufacturing and so appear in both Section 1 and Section 2. This book is a valuable resource for private consumers.

Kay Boyle Kay Boyle, 2015-06-15 One of the Lost Generation modernists who gathered in 1920s Paris, Kay Boyle published more than forty books, including fifteen novels, eleven collections of short fiction, eight volumes of poetry, three children's books, and various essays and translations. Yet her achievement can be even better appreciated through her letters to the literary and cultural titans of her time. Kay Boyle shared the first issue of *This Quarter* with Gertrude Stein and Ernest Hemingway, expressed her struggles with poetry to William Carlos Williams and voiced warm admiration to Katherine Anne Porter, fled WWII France with Max Ernst and Peggy Guggenheim, socialized with the likes of James Joyce, Marcel Duchamp, and Samuel Beckett, and went to jail with Joan Baez. The letters in this first-of-its-kind collection, authorized by Boyle herself, bear witness to a transformative era illuminated by genius and darkened by Nazism and the Red Scare. Yet they also serve as milestones on the journey of a woman who possessed a gift for intense and enduring friendship, a passion for social justice, and an artistic brilliance that earned her inclusion among the celebrated figures in her ever-expanding orbit.
