Seer of Sevenwaters Juliet Marillier,2011-05-27 Sibeal has always known that she is destined for a spiritual life, and is committed to it with all her heart. The only thing left for her to do before she enters the nemetons is to spend the summer visiting her sisters, Muirrin and Clodagh, on the northern island of Inis Eala. But Sibeal has barely set foot on the island before a freak storm out at sea sinks a ship before her eyes. In spite of frantic efforts, only three survivors are fished alive from the water, and one of them, a man Sibeal names Ardal, clings to life by the merest thread. Life continues on the island, as it must, and Sibeal befriends Ardal as he begins to regain his health. But it becomes clear there is something unusual about the three shipwrecked strangers. Why won't the beautiful Svala speak? And what is it that the gravely ill Ardal can't remember - or won't tell? When a visiting warrior is found dead at the bottom of a cliff, and an attempt is made on Ardal's life, Sibeal finds herself a pawn in a deadly game. The truth will be far more astonishing than she could ever have believed - and the consequences for Sibeal unimaginable.

A Hunger Artist Franz Kafka,2022-09-23 In the days when hunger could be cultivated and practiced as an art form, the individuals who practiced it were often put on show for all to see. One man who was so devout in his pursuit of hunger pushed against the boundaries set by the circus that housed him and strived to go longer than forty days without food. As interest in his art began to fade, he pushed the boundaries even further. In this short story about one man's plight to prove his worth, Franz Kafka illustrates the themes of self-hatred, dedication, and spiritual yearning. As part of our mission to publish great works of literary fiction and nonfiction, Sheba Blake Publishing Corp. is extremely dedicated to bringing to the forefront the amazing works of long dead and truly talented authors.
