On The Anvil Of War Jason M. Green,2008-05-30 In this action-packed sequel to *The Hammer And The Sword*, the army raised by the nephew of King Malifesh arrives in Avnadele with the intention of ending the war started by the king's advisor. Each part of the army lands in a different part of the country and they all head towards Malifestron for what they hope will be the final battle of the conflict, but things might not work out as they hope because the chief architect of the war has already fled the country. As they march across Avnadele, all those who originally came from that country find that the land of their birth has changed for the worse in their absence, and a few learn that some of the people they have come to save view them in the same manner as those who have enslaved them. In addition to these things, not only do they have to deal with enemies on the battlefield, but also with betrayals on both sides of the conflict. Those fighting on both sides know that casualties will be many and sacrifices will have to be made to win the battle, but the outcome of the conflict will mean the difference between freedom and a life of oppression for the people of Avnadele and the Northern Lands.

During the chaos of the Word of Blake's Jihad, the MechWarriors of the Federated Suns will go to any lengths to defend their nation from the Blakists' unholy terror—including making deals with the devil. But that devil might just be a literal one: an all-black Marauder, hidden for several decades, that carries an aura of dread that infects everyone who encounters it. Many blame it for causing unexplained disappearances, technical failures, and even madness. But what is the so-called Dark One? Is it merely a ghost story told to scare pirates on the edge of the Periphery, or does something truly evil live beneath its cold, blackened armor? This anthology collects the first three of Lance Scarinci's stories about the Dark One, along with a brand-new fourth story exclusive to this volume.

**Legend of Marauder** D. Ellihurt,2021-10-28 What if I told you that they were right? That Bigfoot, The Abominable Snowman, The Loch Ness monster and yes, even The Boogey man were actually real? What if I told you your parents were right when they told you that there are monsters and demons that lurked in the shadows at night? I have seen those monsters, through visions of prophecy and none have baffled me more than The Marauder and The Supremes. Beings even Science could not explain, creatures that held godlike power for so long and walked among us as both oppressors and at times, as saviors. This is one such prophecy I had that I had to put on paper. Call it a story if you wish (it would actually make me feel less crazy). This is the story of Brendan Payne; the sixteen year old high school boy who went from a regular teenager, to finding out that he was not human but instead was born into a race of beings that were destined to be the final and perfect stage of evolution. And with him finding out his destiny, Brendan was now torn between fighting for the humans who resented him, and joining forces with the beautiful but ruthless and callous witch, Finch. This...is The Legend Of Marauder

*The Marauder - Rhydian of Ainsgard* Malcolm Omega,2020-01-31 In this thrilling first installment of The Wild Country Series, we meet Rhydian of Ainsgard, a Maurader, and a man whose knowledge of combat and magic from his years of tireless training in the Castle of Ainsgard have cultivated him into a gifted fighter and a ruthless assassin. Mauraders are well known for three things: their skills, their results, and being bound by their word. People may not like the Mauraders, but they will certainly pay for their much-needed services when creatures begin snatching up townsfolk. The Wild Country is an unforgiving continent, filled with monsters, war, and conflict. Very few people can survive outside the Royal Cities of mankind, and when they need protection beyond the skills any knight can provide, they hire the services of the Marauders. Marauders are an order once dedicated to pillaging and murder but have now evolved into men and women of honorable repute. In order to make a living, Rhydian offers his unique set of skills and services to those willing to pay. Whether it's hunting a monster, protecting a caravan, or fighting to save lives, he is bound by the magic ritual Word of Honor to fulfill any job he accepts to the best of his ability. But, as his life moves forward, so do other mysterious events that could mean a more significant role for him within this unstable world as a mystic voice calls him towards both his past and his future. Follow Rhydian's journey through the Wild Country in a fast-paced, action-filled fantasy of a man trying to make an honest living in a world of monsters and magic.
