Born with Teeth Kate Mulgrew,2015-04-14 Raised by unconventional Irish Catholics who knew how to drink, how to dance, how to talk, and how to stir up the devil, Kate Mulgrew grew up with poetry and drama in her bones. But in her mother, a would-be artist burdened by the endless arrival of new babies, young Kate saw the consequences of a dream deferred. Determined to pursue her own no matter the cost, at 18 she left her small Midwestern town for New York, where, studying with the legendary Stella Adler, she learned the lesson that would define her as an actress: Use it, Adler told her. Whatever disappointment, pain, or anger life throws in your path, channel it into the work. It was a lesson she would need. At twenty-two, just as her career was taking off, she became pregnant and gave birth to a daughter. Having already signed the adoption papers, she was allowed only a fleeting glimpse of her child. As her star continued to rise, her life became increasingly demanding and fulfilling, a whirlwind of passionate love affairs, life-saving friendships, and bone-crunching work.

Through it all, Mulgrew remained haunted by the loss of her daughter, until, two decades later, she found the courage to face the past and step into the most challenging role of her life, both on and off screen. We know Kate Mulgrew for the strong women she's played -- Captain Janeway on Star Trek ; the tough-as-nails Red on Orange is the New Black. Now, we meet the most inspiring and memorable character of all: herself. By turns irreverent and soulful, laugh-out-loud funny and heart-piercingly sad, Born with Teeth is the breathtaking memoir of a woman who dares to live life to the fullest, on her own terms.

Smothered Autumn Chiklis, 2018-08-07 A humorous debut crossover young adult novel about what happens when entering the real world means moving back in with your mother, inspired by actress and celebrity Autumn Chiklis' real life. Eloise "Lou" Hansen is graduating from Columbia University summa cum laude, and she's ready to conquer the world. Just a few minor problems: she has no job, no prospects, and she's moving back into her childhood bedroom. Lou is grimly determined to stick to a rigorous schedule to get a job and get out of her parents' house. Shelly "Mama Shell" Hansen, on the other hand, is ecstatic, and just as determined to keep her at home. Who else will help her hide her latest binge-shopping purchases from her husband, go to SoulCycle with her, and hold her hand during Botox shots? Smothered is a hilarious roman à clef told via journal entries, text messages, emails, bills, receipts, tweets, doctor's prescriptions, job applications and rejections, parking tickets, and pug pictures, chronicling the year that Lou moves back home after college. Told from Lou's point-of-view, Smothered tells the story of two young(ish) women, just trying to get it right, and learning that just because we all grow up doesn't mean we necessarily have to grow old. (After all, what is Juvaderm for?)
