

Marco

Joan Holub, Who HQ

Too Busy Marco Roz Chast, 2011-06-07 It's time for bed again, and Marco, a small red bird who lives with his (human) mother and father, simply has too much to do! He's got masterpieces to paint, underwater inventions to create, halfpipes to skate -- or better yet, inventions to create so that he can paint underwater while skateboarding at a world-class level! How can it possibly all get done? When one idea builds on top of another, and every object he encounters just screams inspiration, why would Marco ever want to put on his pajamas and brush his beak? With humor and a great deal of energy, this delightful new character from acclaimed illustrator Roz Chast will rev kids up and wear them out--just in time for bed.

Who Was Marco Polo? Joan Holub, Who HQ, 2007-07-05 Marco Polo was seventeen when he set out for China . . . and forty-one when he came back! More than seven hundred years ago, Marco Polo traveled from the medieval city of Venice to the fabled kingdom of the great Kublai Khan, seeing new sights and riches that no Westerner had ever before witnessed. But did Marco Polo experience the things he wrote about . . . or was it all made-up? Young readers are presented with the facts in this entertaining, highly readable Who Was . . . ? biography with black-and-white artwork by John O'Brien.

Marco Goes to School Roz Chast, 2012-07-10 The irrepressibly inquisitive Marco is off to school in this illustrated eBook with audio from New Yorker cartoonist Roz Chast. Marco is the busiest bird, and it's time he goes to school! There is so much to do at school, from lessons to lunch to building a block tower to the moon! But Marco soon learns that his plans for the day may be just a bit too ambitious. Luckily, school has one extra surprise for him--and that's a new friend! In this eBook with audio, acclaimed cartoonist Roz Chast proves that it's not getting to the moon that counts--it's the friends we make along the way.

The Adventures of Little Marco and His Soccer Ball Buddy Vincent Marcotrigiano, 2019-12-10 Told in energetic rhyming prose, Little Marco and his Soccer Ball, Buddy highlights the value of passion, persistence, and practice. Young readers will cheer Little Marco on as he experiences stretching to meet a goal--and finding victory.

Arduino for Secret Agents Marco Schwartz, 2015-11-20 Transform your tiny Arduino device into a secret agent gadget to build a range of espionage projects with this practical guide for hackers About This Book Discover the limitless possibilities of the tiny Arduino and build your own secret agent projects From a fingerprint sensor to a GPS Tracker and even a robot-- learn how to get more from your Arduino Build nine secret agent projects using the power and simplicity of the Arduino platform Who This Book Is For This book is for Arduino programmers with intermediate experience of developing projects, and who want to extend their knowledge by building projects for secret agents. It would also be great for other programmers who are interested in learning about electronics and programming on the Arduino platform. What You Will Learn Get to know the full range of Arduino features so you can be creative through practical projects Discover how to create a simple alarm system and a fingerprint sensor Find out how to transform your Arduino into a GPS tracker Use the Arduino to monitor top secret data Build a complete spy robot! Build a set of other spy projects such as Cloud Camera and Microphone System In Detail Q might have Bond's gadgets-- but he doesn't have an Arduino (not yet at least). Find out how the tiny Arduino microcomputer can be used to build an impressive range of neat secret agent projects that can help you go undercover and get to grips with the cutting-edge of the world of espionage with this book, created for ardent Arduino fans and anyone new to the powerful device. Each chapter shows you how to construct a different secret agent gadget, helping you to unlock the full potential of your Arduino and make sure you have a solution for every tricky spying situation. You'll find out how to build everything from an alarm system to a fingerprint sensor, each project demonstrating a new feature of Arduino, so you can build your expertise as you complete each project. Learn how to open a lock with a text message, monitor top secret data remotely, and even create your own Arduino Spy Robot, Spy Microphone System, and Cloud Spy Camera This book isn't simply an instruction manual - it helps you put your knowledge into action so you can build every single project to completion. Style and approach This practical reference guide shows you how to build various projects with step-by-step explanations on each project, starting with the assembly of the hardware, followed by basics tests of all those hardware components and finally developing project on the hardware.

Marco Polo Laurence Bergreen, 2007-10-23 As the first European to travel extensively throughout Asia, Marco Polo was the earliest bridge between East and West. His famous journeys took him across the boundaries of the known world, along the dangerous Silk Road, and into the court of Kublai Kahn, where he won the trust of the most feared and reviled leader of his day. Polo introduced the cultural riches of China to Europe, spawning centuries of Western fascination with Asia. In this lively blend of history, biography, and travelogue, acclaimed author Laurence Bergreen separates myth from history, creating the most authoritative account yet of Polo's remarkable adventures. Exceptionally narrated and written with a discerning eye for detail, Marco Polo is as riveting as the life it describes.

The Marco Chronicles Elizabeth Geoghegan, 2023-11-01 In this hilarious, irreverent, flash memoir, a young American expat arrives in Rome to find handsome, charming men, breathtakingly beautiful antiquities, and perfectly made cappuccino. What more could anyone want? But after a few too many romantic mishaps, she discovers the so-called dolce vita comes at a price. With a jade eye, but a vulnerable heart, short story writer Elizabeth Geoghegan takes us on a literary Sex in the City romp through Rome. The Marco Chronicles shows us what life in Italy looks like when you're 30--something, running from grief, and trying to find a way back to love.

Marco's Millions William Sleator, 2002 Twelve-year-old Marco's love for travel and for his younger sister Lilly, who has psychic powers, leads him to journey to other universes, gaining the ability to go wherever he wishes without growing old.

The Return of Marco Polo's World Robert D. Kaplan, 2018-03-06 A bracing assessment of U.S. foreign policy and world disorder over the past two decades from the bestselling author of *The Revenge of Geography* and *The Coming Anarchy* "[Kaplan] has emerged not only as an eloquent defender of foreign-policy realism but as a grand strategist to whom the Pentagon turns for a tour d'horizon."--The Wall Street Journal In the late thirteenth century, Marco Polo began a decades-long trek from Venice to China along the trade route between Europe and Asia known as the Silk Road--a foundation of Kublai Khan's sprawling empire. Now, in the early twenty-first century, the Chinese regime has proposed a land-and-maritime Silk Road that duplicates exactly the route Marco Polo traveled. Drawing on decades of firsthand experience as a foreign correspondent and military embed for The Atlantic, Robert D. Kaplan outlines the timeless principles that should shape America's role in a turbulent world that encompasses the Chinese challenge. From Kaplan's immediate thoughts on President Trump to a frank examination of what will happen in the event of war with North Korea, these essays are a vigorous reckoning with the difficult choices the United States will face in the years ahead. Praise for *The Return of Marco Polo's World* "Elegant and humane . . . [a] prophecy from an observer with a depressingly accurate record of predictions."--Bret Stephens, The New York Times Book Review "These essays constitute a truly pathbreaking, brilliant synthesis and analysis of geographic, political, technological, and economic trends with far-reaching consequences. *The Return of Marco Polo's World* is another work by Robert D. Kaplan that will be regarded as a classic."--General David Petraeus (U.S. Army, Ret.) "Thoughtful, unsettling, but not apocalyptic analyses of world affairs flow steadily off the presses, and this is a superior example. . . . Presented with enough verve and insight to tempt readers to set it aside to reread in a few years."--Kirkus Review (starred review) "An astute, powerfully stated, and bracing presentation."--Booklist "This volume compiles sixteen major essays on America's foreign policy from national security commentator Kaplan. . . . An overview of thoughtful, multilayered positions and perspectives evolving through changing circumstances."--Publishers Weekly

laughter!

The Book of Ser Marco Polo, the Venetian, Concerning the Kingdoms and Marvels of the East Marco Polo,1903

The Adventures of Marco Polo, the Great Traveler Marco Polo,1902

Marco Polo Laurence Bergreen,2008-10-21 As the first European to travel extensively throughout Asia, Marco Polo was the earliest bridge between East and West. His famous journeys took him across the boundaries of the known world, along the dangerous Silk Road, and into the court of Kublai Kahn, where he won the trust of the most feared and reviled leader of his day. Polo introduced the cultural riches of China to Europe, spawning centuries of Western fascination with Asia. In this lively blend of history, biography, and travelogue, acclaimed author Laurence Bergreen separates myth from history, creating the most authoritative account yet of Polo's remarkable adventures. Exceptionally narrated and written with a discerning eye for detail, Marco Polo is as riveting as the life it describes.

Marco Impossible Hannah Moskowitz,2013-03-19 In Marco Impossible by Hannah Moskowitz, best friends Stephen and Marco attempt a go-for-broke heist to break into the high school prom and get Marco onstage to confess his love for (and hopefully steal the heart of) Benji, the adorable exchange student and bass player of the prom band. Of course, things don't always go according to plan, and every heist comes with its fair share of hijinks.

Marco Polo’s Book John Critchley,2017-07-05 Marco Polo and his book may seem to have been well served by scholars, yet the majority have been concerned to write about his travels in Asia, what he did or did not see, and how useful he is as a source on the East. John Critchley’s subject, on the other hand, is the text of Polo’s book itself and the political and ideological context – the crusades, the Mongol missions, the French presence in Italy – in which it was put together by its author(s), and read by its audience. The homogeneity of the 'original' Franco-Italian text and the accepted relationship between this text and the Latin recensions is tested by computer analysis. An examination of vocabulary and other textual features draws out the different attitudes and contributions of Polo himself and his various editors and translators. Critchley’s book will be of interest not only to those concerned with the history of later medieval Europe but also to specialists in medieval Asia, who will find it useful to know about the background and composition of so famous and frequently cited a work. On pourrait penser que Marco Polo et son livre ont été amplement débattus par les spécialistes en la matière, cependant la majorité a surtout écrit à propos de ses voyages en Asie, ce qu’il avait ou n’avait pas vu et sur son utilité en tant que source de références sur l’Orient. Le sujet traité par John Critchley par contre, est le texte même du livre de Polo, ainsi que le contexte politique et ideologique – les croisades, les missions mongoles, la présence française en Italie – dans lequel il a été composé par son ou ses auteurs et dans lequel ses lecteurs ont pu le lire. L’homogeneité du texte franco-italien d’origine et le rapport accepté entre celui-ci et les révisions latines ont été analysés par ordinateur. Un examen du vocabulaire et d’autres caractéristiques littéraires fait transparaître les différences d’attitudes et de contributions entre Polo
