**Rosemary Hawley Jarman**

*The Mare* Mary Gaitskill, 2015 Taken in by a near-alcoholic artist and a jaded academic, a young Dominican girl in Brooklyn's Fresh Air Fund program explores the contrasts between her inner-city life and her hosts' privileged world and finds her realities powerfully shaped by her relationship with a horse.

*The Mare* Mary Gaitskill, 2017-04-20 Ginger is in her forties and a recovering alcoholic when she meets and marries Paul. When it becomes clear it's too late for her to have a baby of her own, she tries to persuade him to consider adoption, but he already has a child from a previous marriage and is ten years older than her, so doesn't share her longing to be a parent at any cost. As a compromise, they sign up to an organisation that sends poor inner-city kids to stay with country families for a few weeks in the summer, and so one hot July day eleven year old Velveteen Vargas, a Dominican girl from one of Brooklyn's toughest neighbourhoods, arrives in their lives, and Ginger is instantly besotted. Bemused by her gentle middle-aged hosts, but deeply intuitive in the way of clever children, Velvet quickly senses the longing behind Ginger's rapturous attention. While Velvet returns her affection, she finds the intensity of it bewildering. Velvet's own passions are more excited by the stables nearby, where she discovers she has a natural talent for riding and a deep affinity with the damaged horses cared for there. But when Ginger begins to entertain fantasies of adopting her, things start to get complicated for everyone involved. This is a heartbreakingly honest and profoundly moving portrait of the nearly unbridgeable gaps between people, and the way we long for fairytale endings despite knowing that they don't exist.

*The Mare* Mary Gaitskill, 2015-11-03 Following her National Book Award-nominated *Veronica*, here is Mary Gaitskill's most poignant and powerful work yet—the story of a Dominican girl, the Anglo woman who introduces her to riding, and the horse who changes everything for her. Velveteen Vargas is eleven years old, a Fresh Air Fund kid from Brooklyn. Her host family is a couple in upstate New York: Ginger, a failed artist and shakily recovered alcoholic, and her academic husband, Paul, who wonder what it will mean to “make a difference” in such a contrived situation. Gaitskill illuminates their shifting relationship with Velvet over several years, as well as Velvet's encounter with the horses at the stable down the road—especially with an abused, unruly mare called Fugly Girl. With strong supporting characters—Velvet's abusive mother, an eccentric horse trainer, a charismatic older boy who awakens Velvet's nascent passion—*The Mare* traces Velvet's journey between the vital, violent world of the inner city and the world of the small-town stable. In Gaitskill's hands, the timeless story of a girl and a horse is joined with a timely story of people from different races and classes trying to meet one another honestly. *The Mare* is raw, heart-stirring, and original.

*Night Mare* Piers Anthony, 1987-12-12 The danger to Xanth was so great that only a night mare could offer hope!

*White Mare, Red Stallion* Diana L. Paxson, 1986 The lady of the ravens. Maira lived in the land that would someday be called Scotland, in a time when magic hung heavy on the hills and the Old Gods were revered with pageantry. . . and with blood. The soldiers of Rome had claimed the island for their own, but the Celts would never surrender their homeland easily. For they were a fierce people, and when they were not warring against Caesar, they warred against each other. Daughter of chieftain, Maira was as fierce and proud as any Celt, trained in warfare as well as in woman's mysteries. She was of the White Horse Clan, and her beauty shone like the sun itself. Carric had loved her since he'd first laid eyes on her. Even though she was of an enemy tribe. Even though she had vowed to kill him.

Mare's War Tanita S. Davis,2011-01-25 Meet Mare, a World War II veteran and a grandmother like no other. She was once a willful teenager who escaped her less than perfect life in the deep South and lied about her age to join the African American Battalion of the Women's Army Corps. Now she is driving her granddaughters—two willful teenagers in their own rite—on a cross-country road trip. The girls are initially skeptical of Mare's flippy wigs and stilletos, but they soon find themselves entranced by the story she has to tell, and readers will be too. Told in alternating chapters, half of which follow Mare through her experiences as a WAC and half of which follow Mare and her granddaughters on the road in the present day, this novel introduces readers to a larger-than-life character and a fascinating chapter in African American history.

Fury and the White Mare Albert G. Miller,2018-03-07 Alastor, the son of an iron-master, has no inclination to follow his father's trade, preferring to work with wood. He and his musically-talented sister Catrianne leave the foundry to go and live in a town, where Alastor soon begins to specialize in making musical instruments. One day, while delivering an unusual musical instrument to a hamlet high in the mountains, he is thrown by his horse during a storm. Temporarily lame, he is forced to take refuge in a strange cabin in the forest, where the mysterious Melusine lived with her daughter Lucinia. When Alastor returns to the town, he takes Lucinia with him and marries her. They have two children, Handsel and Chanterelle. Everything goes well with the family until disaster strikes, leaving Catrianne in sole charge of the children, obliged to seek shelter first at the iron-master's foundry and then at the cabin in the mountains, where a great many surprises await them regarding their own identity and the peril overhanging the forest and the world of Faerie, which is under threat of extinction. Perhaps something can be saved, and if it can, the key to its salvation might lie, at least in part, in Catrianne's music, Handsel's uniqueness, and Chanterelle's dreams.

**The King's Grey Mare** Rosemary Hawley Jarman,2008-02-04 Known as the King's Grey Mare, Elizabeth Woodville, queen of Edward IV, was beautiful beyond belief, with unique silver-grey hair. She had once known joy of a marriage based on love, only to see it snatched away on the battlefield. Hardened and changed by grief, Elizabeth became the tool of her evil ambitious mother, the witch, Jaquetta of Bedford, who was determined that her daughter should sit on the throne of England. *The Wild Mare* Glenn Balch,2004-07-27 Flax was born to be wild. Born among the wild horses of the Owyhee up-lands in Idaho, Flax is separated from the other horses in her band by a twist of fate. She's helped by the kindness of a boy named Jim Thorne, but when

Horses Never Lie About Love Jana Harris, 2012-06-05 Recounts the author's twenty-four-year relationship with a beautiful feral mare who in spite of a troubled past has conveyed help and healing to all humans and horses she has encountered.

*Dinky: the Nurse Mare's Foal* Marta Moran-Bishop, 2021-08-13 Winnie Award Winner at the Equus Film Festival. *Dinky: The Nurse Mare's Foal* is the story of one little foal's fight for survival after being taken from his mother within hours of his birth. Dinky, takes us on a poignant trip through the heart and mind of an animal, who was born for the sole purpose of producing milk in the mare. In the elite world of horses, Dinky was considered a by-product, a 'junk foal.' Dinky's story will resonate with animal lovers, as well as anyone who has adopted. Although a horse, his story has been called an adoption story. The reader can follow him through the heartbreak, cruelty, loneliness, and finally to happiness in his forever home. His story is based on true events. Each event from the moment the author met Dinky actually happened, though it is the author's interpretation of what he might have been thinking and feeling during the occasions described in his story. His early life which is unknown has been fictionalized by the author and constructed through research and imagination. There are many wonderful animal rescue leagues, many are very empathic to these young animals, though some are not. Since Ms. Bishop has no knowledge of Dinky's early days she used the latter to enhance the strength of his story. It will break your heart, open your eyes, lift you up, and teach you much about horses. It is suitable for all ages.

Mare in the Meadow Ben M. Baglio, 2002

**The Mare and the Mouse** Martín Prechtel, 2021-04-13 Beautiful and hilarious, tearful and rambunctious, very real, ironic and magic-filled, Martín Prechtel's new book *The Mare and the Mouse* is a series of lyrical sagas in tribute to each of the native New Mexican horses that carried him through his youth on the Reservation and then again during the difficult times following his return home after over a decade in the Mayan Highlands of Guatemala. First in the *Stories of My Horses* Series, *The Mare and the Mouse* is meant to be read aloud to crowds around campfires, especially to people who are mistaken that only rich people or rednecks ride horses, Prechtel credits both his own physical and spiritual survival in modernity's mad rush to nowhere with the sanity of riding and living with his natural-born Southwestern horses. Not raised for show, performance, status, or money, these little horses allowed a way of living that took him flying over ravines into deep-mountain Holy places, backwards over streams, and in general keeping alive a sparkier, older spirit in an age where horses have been grossly de-natured and sadly removed from our own everyday lives after three millennia as the closest companions of our ancestors' dreams and mythologies.

**The Red Roan Mares** Kevin Wells, 2018-10-08 The tight-knit Young family is famous for their champion red roan mares. The horses are priceless talents - and unable to reproduce. When Quart Young, a talented and ambitious trainer, discovers that his favorite mare is injured, he is desperate to find a way to treat her. Quart's aunt has created a biomechanical chip that can help the body heal itself. This chip could cure paralysis and cancer, and Quart wants his horse treated. Suddenly, tragedy strikes and the Young family is divided. Greed and violence threaten to destroy everything they've worked for. When an offer comes in to clone his horse, Quart is tempted. But can he trust anyone when the stakes are so high? *The Red Roan Mares* explores how much good science can do - when it's in the right hands. About the Author Kevin Wells has worked as a professional cowboy all his life. He has trained horses, worked on ranches, participated in rodeos, and is a certified master farrier. He has a bachelor degree from New Mexico State

University in Animal Science with minors in biology and chemistry. He is passionate about incorporating his experiences in his writing. Wells lives with his wife of 42 years in a small town in New Mexico.
