Her Country Marissa R. Moss, 2022-05-10 In country music, the men might dominate the radio waves. But it's women—like Maren Morris, Mickey Guyton, and Kacey Musgraves—who are making history. This is the full and unbridled story of the past twenty years of country music seen through the lens of these trailblazers' careers—their paths to stardom and their battles against a deeply embedded boys' club, as well as their efforts to transform the genre into a more inclusive place—as told by award-winning Nashville journalist Marissa R. Moss. For the women of country music, 1999 was an entirely different universe—a brief blip in time, when women like Shania Twain and the Chicks topped every chart and made country music a woman's world. But the industry, which prefers its stars to be neutral, be obedient, and never rock the boat, had other plans. It wanted its women to “shut up and sing”—or else. In 2021, women are played on country radio as little as 10 percent of the time, but they're still selling out arenas, as Kacey Musgraves does, and becoming infinitely bigger live draws than most of their male counterparts, creating massive pop crossover hits like Maren Morris's “The Middle,” pushing the industry to confront its racial biases with Mickey Guyton's “Black Like Me,” and winning heaps of Grammy nominations. *Her Country* is the story of how in the past two decades, country's women fought back against systems designed to keep them down and created entirely new pathways to success. It's the behind-the-scenes story of how women like Kacey,

Mickey, Maren, Miranda Lambert, Rissi Palmer, Brandi Carlile, and many more have reinvented their place in an industry stacked against them. When the rules stopped working for these women, they threw them out, made their own, and took control—changing the genre forever, and for the better.

Marissa's Secret Roger Weis, 2020-12-22 Marissa's Secret is a highly controversial, thought-provoking novel that moves back and forth from biblical times, to the 1960s, then concludes in more recent times on the campus of Princeton's Theological Seminary. Prior to being drafted to serve as a reporter in Vietnam, Christopher Matthews was a typical young college student with few worries and fewer insights into who he was and where his life was headed. The war changed all that, and he would never be the same. Christopher's search for purpose and truth would take him on a journey of mystery, religion, love, academia, politics, and crime all wrapped in one explosive work of fiction.

Bewitching Season Marissa Doyle, 2009-09-01 In

1837 London, young daughters of viscounts pined for handsome, titled husbands, not careers. And certainly not careers in magic. At least, most of them didn't. Shy, studious Persephone Leland would far rather devote herself to her secret magic studies than enter society and look for a suitable husband. But right as the inevitable season for coming out is about to begin, Persy and her twin sister discover that their governess in magic has been kidnapped as part of a plot to gain control of the soon-to-be Queen Victoria. Racing through Mayfair ballrooms and royal palaces, the sisters overcome bad millinery, shady royal spinsters, and a mysterious Irish wizard. And along the way, Persy learns that husband hunting isn't such an odious task after all, if you can find the right quarry. *Bewitching Season* is a 2009 Bank Street - Best Children's Book of the Year.

Social Chemistry Marissa King, 2021-01-05 One of 2021's Most Highly Anticipated New Books—Newsweek One of The 20 Leadership Books to Read in 2020—Adam Grant One of The Best New Wellness Books Hitting Shelves in January 2021—Shape.com A Top Business Book for January 2021—Financial Times A Next Big Idea Club Nominee *Social Chemistry* will utterly transform the way you think about “networking.” Understanding the contours of your social network can dramatically enhance personal relationships, work life, and even your global impact. Are you an Expansionist, a Broker, or a Convener? The answer matters more than you think. . . . Yale professor Marissa King shows how anyone can build more meaningful and productive relationships based on insights from neuroscience,

psychology, and network analytics. Conventional wisdom says it's the size of your network that matters, but social science research has proven there is more to it. King explains that the quality and structure of our relationships has the greatest impact on our personal and professional lives. As she shows, there are three basic types of networks, so readers can see the role they are already playing: Expansionist, Broker, or Convener. This network decoder enables readers to own their network style and modify it for better alignment with their life plans and values. High-quality connections in your social network strongly predict cognitive functioning, emotional resilience, and satisfaction at work. A well-structured network is likely to boost the quality of your ideas, as well as your pay. Beyond the office, social connections are the lifeblood of our health and happiness. The compiled results from dozens of previous studies found that our social relationships have an effect on our likelihood of dying prematurely—equivalent to obesity or smoking. Rich stories of Expansionists like Vernon Jordan, Brokers like Yo-Yo Ma, and Conveners like Anna Wintour, as well as personal experiences from King's own world of connections, inform this warm, engaging, revelatory investigation into some of the most consequential decisions we can make about the trajectory of our lives.

Tarot Marissa Kennerson, 2019-02-19 Her fate is so much more than the cards she was dealt. Born of a forbidden union between the Queen and the tyrannical King's archnemesiis, Anna is forced to

live out her days isolated in the Tower, with only her mentors and friends the Hermit, the Fool, and the Magician to keep her company. To pass the time, Anna imagines unique worlds populated by creatives and dreamers--the exact opposite of the King's land of fixed fates and rigid rules--and weaves them into four glorious tapestries. But on the eve of her sixteenth birthday and her promised release from the Tower, Anna discovers her true lineage: She's the daughter of Marco, a powerful magician, and the King is worried that his magical gifts are starting to surface in Anna. Fearing for her life, Anna flees the Tower and finds herself in Cups, a lush, tropical land full of all the adventure, free-spiritedness, and creativity she imagined while weaving. Anna thinks she's found paradise in this world of beachside parties, endless food and drink, and exhilarating romance. But when the fabric of Cups begins to unravel, Anna discovers that her tapestries are more than just forbidden expression. They're the foundation for a new world that she is destined to create--as long as the terrors from the old world don't catch up with her first.
