Mark 15:39 as a Markan Theology of Revelation Brian K. Gamel, 2017-10-19 In the Gospel of Mark, Jesus' arrest, trial and execution ends with the Roman centurion who oversees the death process proclaiming Jesus as God's son. Gamel explores two key questions in relation to this moment: what does the centurion mean when he says that Jesus is God's son, and why does he say it? The confession is not made on the basis of any signs nor from any indication that he perceives Jesus' death as honourable or exemplary. This apparent lack of motivation itself highlights a key Markan theme: that this insight is revealed by an apocalyptic act of God, signalled by the tearing of the temple veil. Thus the confession, which we can understand to be made sincerely and knowledgeably, is the result of an act of God's revelation alone. Gamel explores the theory of Mark depicting a story in which all human characters exhibit varying levels of blindness to the spiritual realities that govern their lives. By making a thorough examination of Mark's Gospel – while placing primary focus on the centurion, the study is unlimited and presents a serious examination of the whole Gospel – Gamel concludes his argument with the point that, at the foot of the cross, this blindness is decisively confronted by God's apocalyptic act. The offer of sight to the centurion demonstrates the reconciliation of God and humanity which are otherwise in Mark's Gospel repeatedly presented as antagonistic spheres. Finally, the fact that revelation is offered to a Gentile highlights the inclusion of the nations into the promises of Israel.

The Gospel according to Mark Camille Focant,2012-07-06 The world to which the Gospel of Mark introduces its reader is a world of conflicts and suspense, enigmas and secrets, questions and overturning of evidence, irony and surprise. Its principal actor, Jesus, is perplexing in the extreme. He is evidently so for the religious authorities who oppose him, but also for his disciples, who shift from incomprehension to opposition and flight. Questions of meaning, life and death, good and evil are continually broached. This narrative is a subtle invitation to enter into a new world, that of the coming Reign of God, in which the first are last and whoever wants to save his life must lose it. This commentary on the

Gospel of Mark has been enthusiastically reviewed in the French edition as one of the best current commentaries on Mark. As a narrative critical commentary, it favors an interpretation of the Gospel that tries to grasp the dynamic of the text taken as a whole. Even if the technical vocabulary of narrative analysis is not used, and the main results of the historical-critical criticism, particularly those of redaction criticism, are not neglected, as the notes will reveal, it is narrative criticism that guides the proceedings.

The Gospel of Mark R. T. France, 2002 This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical, linguistic, and textual context. Such thorough exegetical work lies at the heart of these volumes, which contain detailed verse-by-verse commentary preceded by general comments on each section and subsection of the text. An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs. In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text.

The Cross and the Lynching Tree James H. Cone, 2011 A landmark in the conversation about race and religion in America. They put him to death by hanging him on a tree. Acts 10:39 The cross and the lynching tree are the two most emotionally charged symbols in the history of the African American community. In this powerful new work, theologian James H. Cone explores these symbols and their interconnection in the history and souls of black folk. Both the cross and the lynching tree represent the worst in human beings and at the same time a thirst for life that refuses to let the worst determine our final meaning. While the lynching tree symbolized white power and black death, the cross symbolizes divine power and black life God overcoming the power of sin and death. For African Americans,

the image of Jesus, hung on a tree to die, powerfully grounded their faith that God was with them, even in the suffering of the lynching era. In a work that spans social history, theology, and cultural studies, Cone explores the message of the spirituals and the power of the blues; the passion and of Emmet Till and the engaged vision of Martin Luther King, Jr.; he invokes the spirits of Billie Holliday and Langston Hughes, Fannie Lou Hamer and Ida B. Well, and the witness of black artists, writers, preachers, and fighters for justice. And he remembers the victims, especially the 5,000 who perished during the lynching period. Through their witness he contemplates the greatest challenge of any Christian theology to explain how life can be made meaningful in the face of death and injustice.

The Repentance of Believers. A Sermon on Mark I. 15 John Wesley, 1768

Mercy for Today Jonathan Parnell, 2020-01-07 You cannot make it without God's mercy. Do we just need God's grace in dark and shameful moments? Are prayers for mercy only for those times when we really mess up? Jonathan Parnell says we need God's mercy all the time. In fact, contrary to many church cultures, Parnell shows that asking God for mercy should be as regular as asking God for our daily bread. There's no doubt that David was in a terrible predicament when he first prayed the words of Psalm 51. It was a dark and shameful moment in the Bible, and one so dark and shameful it seldom feels relevant to us today. But David's most desperate prayer is really a prayer for all of us—and not just for our worst moments, but for our every moment. In these pages, you'll discover: how to pray a daily, memorable prayer derived from Psalm 51 how to practice daily repentance and soul care how to pursue God and experience his joy in the Christian life This is God's mercy, and it's Mercy for Today.

The Chronological Life of Christ Mark E. Moore, 2007 ...not much has changed since Jesus gathered dust in the soles of his sandals on Palestinian soil. He is still the buzz at barber shops and corner cafes. He is still talked about and against. He pricks our curiosity, sparks our imagination, and even earns our ire. Who is he, really? You know he's no politician, but he still transforms nations. He's no social activist, but he is the genesis of who knows how many hospitals, orphanages, and innumerable acts of kindness. A psychotherapist? Hardly. But how many of us 'Humpty Dumpties' has he put back together again?! This peasant carpenter has built himself a kingdom immeasurably greater than his earthly enemies could have imagined. What are we to make of him? Please accept my deepest apologies right up front, for this book will not help answer that question. However, it may help answer this one: What is this man to make of me?

The Curious Incident of the Dog in the Night-Time Mark Haddon, 2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes,

for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.
