John W. Burgon

**Mark Warren Carter**,2020-04-03 The Academy of Parish Clergy 2020 Reference Book of the Year 2020 Association of Catholic Publishers first place award in Scripture 2020 Catholic Press Association third place award for best new religious book series This reading of Mark's Gospel engages this ancient text from the perspective of contemporary feminist concerns to expose and resist all forms of domination that prevent the full flourishing of all humans and all creation. Accordingly, it foregrounds the Gospel's constructions of gender in intersectionality with the visions, structures, practices, and personnel of Roman imperial power. This reading embraces a rich tradition of feminist scholarship on the Gospel, as well as masculinity studies, particularly pervasive hegemonic masculinity. Its politically engaged discussion of Mark's Gospel provides a resource for clergy, students, and laity concerned with contemporary constructions of gender, power, and a world in which all might experience fullness of life.

Assuming a born global perspective, Global Strategic Management is supported by ample pedagogical features, including numerous case studies and examples featuring both established multinationals and unknown SMEs from across the globe. The book takes an applied approach to global business strategy, emphasising functional parts of international business (managing marketing, operations, HR and finance). The text has been widely updated to incorporate the impacts of the Covid-19 pandemic, such as work from anywhere and deglobalization. New to

Subjects such as the impact of technology, cryptocurrency and global strategy in the digital space are discussed in more detail, while the conflict in Ukraine is also considered.
