Vox Populi William O'Shaughnessy,2010-12-01 Vox Populi is the long-awaited fourth collection of interviews, editorials, essays, observations and keen insight from legendary New York broadcaster William O'Shaughnessy. With this inspiring new anthology, Bill is back in a big way, offering compelling dialogue and opinion on timely issues and current events in politics, media, the arts and popular culture. A masterful interviewer, O'Shaughnessy goes one-on-one with Barbara Taylor Bradford, Steve Forbes, Joe Califano and a colorful band of townie characters from Westchester – the Golden Apple. Broadcasting for five decades from what the Wall Street Journal hailed as “the quintessential community station in America,” his thoughtful and muscular commentaries have been widely praised in all the important journals in the land. A self-styled First Amendment “voluptuary,” O'Shaughnessy is a stellar defender of Free Speech, having devoted the good part of fifty years to fighting censorship and government intrusion from his influential perch in the heart of the Eastern Establishment. He's the one they roll out when the

likes of Howard Stern, Bob Grant and Imus get in a jam. Colorful national figures and beguiling “townies” abound in Vox Populi which is also laden with exquisitely beautiful eulogies and tributes to his departed friends Tim Russert, Wellington Mara, Robert Merrill and Ossie Davis. And, as in every Bill O’Shaughnessy book, there is stunning and powerful wisdom and brilliant observations from Governor Mario Cuomo whom he so admires. The great American historian David McCullough observed: “I always look forward to reading the history of our times Bill O’Shaughnessy has written.” O’Shaughnessy is an authentic American voice.

The Godman and the Sea Michael J. Thate,2019-11-01
If scholars no longer necessarily find the essence and origins of what came to be known as Christianity in the personality of a historical figure known as Jesus of Nazareth, it nevertheless remains the case that the study

of early Christianity is dominated by an assumption of the force of Jesus's personality on divergent communities. In *The Godman and the Sea*, Michael J. Thate shifts the terms of this study by focusing on the Gospel of Mark, which ends when Mary Magdalene, Mary the mother of James, and Salome discover a few days after the crucifixion that Jesus's tomb has been opened but the corpse is not there. Unlike the other gospels, Mark does not include the resurrection, portraying instead loss, puzzlement, and despair in the face of the empty tomb. Reading Mark's Gospel as an exemplary text, Thate examines what he considers to be retellings of other traumatic experiences—the stories of Jesus's exorcising demons out of a man and into a herd of swine, his stilling of the storm, and his walking on the water. Drawing widely on a diverse set of resources that include the canon of western fiction, classical literature, the psychological study of trauma, phenomenological philosophy, the new materialism, psychoanalytic theory, poststructural philosophy, and Hebrew Bible scholarship, as well as the expected catalog of New Testament tools of biblical criticism in general and Markan scholarship in particular, *The Godman and the Sea* is an experimental reading of the Gospel of Mark and the social force of the sea within its traumatized world. More fundamentally, however, it attempts to position this reading as a story of trauma, ecstasy, and what has become through the ruins of past pain.

Mark Xxxix: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with

numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Mark Xxxix : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as

fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
