Mark and the Elijah-Elisha Narrative Adam Winn,2010-08-01 In this monograph, Adam Winn proposes that the ancient Greco-Roman literary practice of imitation can and should be used when considering literary relationships between biblical texts. After identifying the imitative techniques found in Virgil's Aeneid, Winn uses those techniques as a window into Mark's use of the Elijah-Elisha narrative of 1 and 2 Kings. Through careful comparisons between numerous pericopes of both respective narratives, Winn argues that the Markan evangelist has, at many points, clearly and creatively imitated the Elijah-Elisha narrative and has relied on this narrative as a primary source.

Salvation in the Gospel of Mark Gabi Markusse,2018-06-28 The Gospel of Mark portrays Jesus making impossible demands on his disciples. They must follow him even if it costs them their lives. And, unsurprisingly, this proves to be impossible for them to do. They fail drastically in Mark's narrative and run from the scene as Jesus is arrested. Peter had been determined to stay by him unto death, but even he was not able to admit to knowing Jesus at that crucial moment. The strange thing is that Jesus made it clear that it is impossible to enter the Kingdom of God without this sort of radical discipleship. In this narrative study of salvation in the Gospel of Mark, this conundrum is studied closely with surprising results. An investigation of various socio-historical aspects of Mark's background elucidate the connection that Mark makes between the death of Jesus and the following of the disciples. And a study of Mark's narrative as a whole shows that Mark provides hope for those without courage to follow. If they continue to look and listen carefully, the mystery will be unveiled to them.
