Peter Lorre (Midnight Marquee Actors Series)

Gary J. Svehla, Our fifth edition of the Actors Series, highlights quasi-horror man Peter Lorre. Peter Lorre made many horror film appearances, but was never actually considered a horror film star. Instead, it was Lorre's persona, that of a quirky, deviant little man, sometimes charming, sometimes boiling over with venom, that made him a perfect match for horror films. Lorre felt just as comfortable enacting supporting roles in A films as he did starring in the Bs. This book takes an in-depth look at the film work of this versatile performer by providing analyses of films such as M, Mad Love, The Face Behind the Mask, The Maltese Falcon, Silk Stockings, The Raven and The Comedy of Terrors as well as many of the other films that made Peter Lorre a film legend.

Midnight Marquee's Classic Horror Movie

Scrapbook, 1930s, Vol.1 Gary J. Svehla, Classic horror movie fans are familiar with the classic movie posters and images from the 1930s Golden Age of Horror, but this fascinating book of graphics includes articles, images and rare photos that will be appreciated and enjoyed by any movie fan. A Word from the Publishers Midnight Marquee Press, Inc. has published over 120 books, most on classic movies and moviemakers. Over the years we have

spent many hours doing research for many of those titles. We are fascinated by the way these films were seen at the time. So, since you can only do so many articles or chapters on Frankenstein, we can do something new—based on something old. We hope movie fans will be as intrigued as we were by the original newspaper clippings, ads, photos and just strange items found in the 1930s newspapers, magazines, and pressbooks. We wish some of the images were easier to read, but we did our best to clean them up as much as possible. This volume took much longer to do than we had anticipated. And we had too much material for just one volume. So we plan to do a 1930s Volume 2 before moving on to the 1940s. Genre films released in 1931 Dracula Spanish Dracula Svengali (in Vol. 2) Frankenstein Dr. Jekyll and Mr. Hyde

Midnight Marquee Actors Series: Lon Chaney, Jr. Gary Svehla, The Midnight Actors Series delves into pivotal films made throughout Lon Chaney's

career (not only the mainstream Universal and horror classics, but his stunning performance in *Of Mice and Men*, his B Western career, his low-budget horror/exploitation movie career, his prestigious character performances in A productions, his television work, etc.), by having different authors offer distinct reflections and individual insights, and by including several firsthand interviews from people who worked with Chaney, Jr., we hope to offer the most complete and balanced portrait yet seen of Lon Chaney, Jr., working actor.

The Proverbial Marquee Tina Rabb, Deborah Davies, 2001 As freelance advertising copywriters, Tina Rabb and Deborah Davies were selling supersonic subwoofers and touting Tijuana getaways on everything from billboards to fast food tray lines when it hit them: They were using their expertise to persuade people to buy things they may not really need -- so why not use that knowledge to help churches get the most mileage from their billboards? Why not promote something people truly need in their daily lives -- the love of God? There are probably more than a million church signs and marquees in the United States, each offering an unparalleled chance to promote the kingdom of Christ. Yet passersby are often greeted with muddled and ungrammatical messages. The Proverbial Marquee is the cure for what ails

many church marquees today. It's a complete collection of proven proverbs and original wisdom, all especially suited to signage. And it couldn't be more practical: - Maxims are categorized for easy reference - Each message is formatted line by line for easy drive-by reading - Line lengths are calculated to fall well within the average church sign's width - Best of all, a convenient letter count is provided So while this book may have started out as atonement for their advertising sins, Rabb and Davies discovered that The Proverbial Marquee became a labor of love that was too gratifying (not to mention too much fun) to count as penance. But isn't that how a wise Father often works? A proverbial plethora of inspiration! What a great idea: a portable book of drive-by encouragement. I found it impossible to put down once I started reading. A great gift and super resource. Enjoy! Becky Freeman National speaker and author of several best-selling books (Worms in My Tea, Real Magnolias, Chocolate Chili Pepper Love) In this very interesting collection of messages, Rabb and Davies have given us a wide selection of thought-provoking, humorous, and catchy sayings. They offer churches of all types many options for communicating brief but significant messages to the world. Scott Jones McCreless Chair of Evangelism Perkins School of Theology, Southern Methodist University Tina Rabb and Deborah Davies are freelance advertising copywriters from Greenville, Texas. They have worked for national advertising agencies and for such clients as Southwest Airlines, Cellular One, GTE, and the American Heart Association. In

addition to their copywriting, they have been published in several Texas newspapers, including the Houston Post and the Dallas Morning News. Rabb and Davies have been the recipient of numerous awards from advertising associations, the Southwestern Journalism Congress, and the National Press Women's Association, among others. They are both journalism graduates of East Texas State University.

Shine On, Marquee Moon Zoë Howe, 2016-09-28 "A new relationship; the prescient mingling of two record collections. A stark, sonic reflection of your partnership's potential, or lack of. Never mind compatibility tests and first date small talk, whether or not someone is a suitable prospect can be divined by a glance across the spines of well-loved jewel cases and battered LPs." Shine On, Marquee Moon, the debut novel of respected music writer Zoë Howe, is a rock 'n' roll love story that celebrates the extremes of life in the music business and challenges the myth of sex, drugs and rock n' roll with plenty of wry humour, strong characters and sharp dialogue along the way. Never mind chick lit. This is rock chick lit. Sylvie is a dresser working for a New Romantic band currently enjoying a 21st century revival. Sylvie becomes romantically involved with Nick – reluctant heart-throb and the least unhinged member of the band – after bonding amid the chaos of touring life over a shared obsession with Television's seminal album 'Marquee Moon'. However, a dark secret threatens to destroy their future together and much more besides. Shine On, Marquee Moon exposes the hilarious, heart-wrenching and often bizarre reality of life on and

off the road, where the most unlikely people become family, and 'friends' aren't always who they appear to be. A great story, full of sharp and funny observations. Someone needs to form a Concierge tribute band. – Gideon Coe, BBC 6Music

Shine on, Marquee Moon is everything you'd expect from Zoë Howe: warm, wry, evocative and unconventional. This is an author who knows the idiosyncrasies of the music business and captures them all with candour and affection in a novel that is funny, fierce and better than most comeback tours." – Jane Bradley, founder and director of For Books' Sake. Zoë Howe is one of our favourite music writers – a great writer who is in love with rock 'n' roll and a writer who can make the essence and magic of the dark stuff seem so alive... – John Robb, Louder Than War Tangled romance, ripe idiocy, monstrous self-delusion and 'that familiar backstage smell - hairspray, sweat, alcohol, dust burning on lightbulbs' ... Zoë Howe's crackling account of life around a rock band is fast, funny and superbly well-observed – Mark Ellen, renowned music journalist and editor (Smash Hits, The Word, Select, Mojo, Q), broadcaster and author of Rock Stars Stole My Life

Heroin, and a fine heroine – Zoë Howe knows exactly how it'll pan out. Classic, clever, funny tale of what happens in the covens around those all boy-clubs of bands... – Kirsty Allison, founder and editor of Cold Lips, books/arts editor of DJ Magazine

Hilarious and poignant, a rock 'n' roll love story about a woman seeking her own place in a cock-centric industry. A stylish ride through band-life, written by a woman well-versed in

music's tricks and secrets... Lots of fun. – Emma Jane Unsworth, bestselling author of *Animals and Hungry*, *The Stars & Everything Shine On*, *Marquee Moon* is shortlisted for the Virginia Prize For Fiction 2016.

The Marquee Murders Dick Snyder, 2019-10-23 THE MARQUEE MURDERS In Woodland Park, lazy nights and weekly movie mysteries build a new audience. When film plots link themselves to homicides in the Rivoli parking lot, Lt. Chester Devlin is perplexed. Jonas Kirk is curious. They, along with local attorney, Roger Blaisdell, and newbie cop, Oliver Grant, search for connections. An athletic couple, the Gordons, grapple with their crumbling marriage while Kirk and his romantic partner, Sharon Cunningham, speculate on likely motives for a series of violent deaths. Suspects surface. Devlin's observations produce muddled evidence and doubt, but in an intense group conversation, Kirk identifies the serial killer. Is it the right script?

Skating on Air Kelli Lawrence, 2011-05-18 Of all winter sports, none is so widely watched and

commented upon by the media as figure skating, which is often considered the Winter Olympics' centerpiece. This critical text examines the ways in which media attention has gradually altered and affected the sport, from the early appearances of Sonja Henie, to skating's gradual audience growth via television, and to the ramifications of the scandals in the 1994 and 2002 Olympics. The topic is illuminated by more than 30 interviews with commentators, skaters, producers, directors and others. In addition to numerous photos, illustrations show the compulsory figures for which figure skating got its name, as well as a sample of the charted-out camera blocking for TV directors. Appendices include collected anecdotes from early broadcasting experiences; a profile of broadcaster Jim McKay; and commentary from Carol Heiss on her 1961 musical *Snow White and the Three Stooges*.

Bela Lugosi: Midnight Marquee Actors Series

Revised Gary J. Svehla, Since Bela Lugosi was the very first book published by Midnight Marquee Press, Inc. in 1995, and had been sold out for several years, we felt it was time to revise our best-selling title. We decided to inaugurate the Midnight Marquee Actors Series with horror film icon Bela Lugosi. The first reason was the fact that Lugosi is one of our favorite legends of the Golden Age of Horror Films. And the second reason is that the 1990s appeared to be the decade of his rebirth and rediscovery. With the release of pristine copies of Universal horror classics in

attractively packaged, low-priced DVDs, the continued interest in cult writer/director Edward D. Wood, Jr. and the artistic triumph of Tim Burton's *Ed Wood*, which features Bela Lugosi (distorted history noted), a new generation of film fan was being introduced to the legendary bogeyman. As our writers attest, Lugosi was a very gifted actor, who appeared in only a handful of well-produced, quality vehicles, but whose reputation has mushroomed far beyond the movies in which he sometimes had to appear. But even the worst Lugosi film is better than most of the dreck passing for horror films today. What better star with which to start our Midnight Marquee Actors Series? And what better star to deserve a new revised and updated edition?
