Mask of Shadows Linsey Miller, 2017-08-29 I love every aspect of this amazing book—a genderfluid hero, a deadly contest, and vicious courtly intrigue. Get! Read! Now! —Tamora Pierce, #1 New York Times bestselling author *I Needed to Win. They Needed to Die.* Sallot Leon is a thief, and a good one at that. But gender fluid Sal wants nothing more than to escape the drudgery of life as a highway robber and get closer to the upper-class—and the nobles who destroyed their home. When Sal steals a flyer for an audition to become a member of The Left Hand—the Queen's personal assassins, named after the rings she wears—Sal jumps at the chance to infiltrate the court and get revenge. But the audition is a fight to the death filled with clever circus acrobats, lethal apothecaries, and vicious ex-soldiers. A childhood as a common criminal hardly prepared Sal for the trials. And as Sal succeeds in the competition, and wins the heart of Elise, an intriguing scribe at court, they start to dream of a new life and a different future, but one that Sal can have only if they survive. More Praise for *Mask of Shadows*: A Bustle Most Anticipated YA of 2017! Compelling and relatable characters, a fascinating

world with dangerous magic, and a dash of political intrigue: Mask of Shadows completely delivered. Fantasy fans will love this book.—Jodi Meadows, New York Times bestselling coauthor of My Lady Jane An intriguing world and a fantastically compelling main character make for a can't-miss debut. Miller's Mask of Shadows will make you glad you're not an assassin—and even gladder Sal is.—Kiersten White, New York Times bestselling author of And I Darken and Now I Rise

Ruin of Stars Linsey Miller, 2018-08-28 The thrilling conclusion to the Mask of Shadows duology that weaves a tale of magic, shadows, and most importantly, revenge. As one of the Queen's elite assassins, Sal finally has the power, prestige, and permission to hunt down the lords who killed their family. But Sal still has to figure out who the culprits are. They must enlist the help of some old friends and enemies while ignoring a growing distaste for the queen and that the charming Elise is being held prisoner by her father. But there's something terribly wrong in the north. Talk of the return of shadows, missing children, and magic abounds. As Sal takes out the people responsible for their ruined homeland, Sal learns secrets and truths that can't be forgotten.

A Mask of Shadows Oscar de Muriel, 2018-06-05 Edinburgh, 1889. Before the darlings of London theater—Henry Irving and Ellen Terry—take their acclaimed Macbeth to the Edinburgh stage, terror treads the boards: A grisly message is found smeared across the cobbles in blood, foretelling someone’s demise. As the bloody prophecies continue to come to fruition, “Nine-Nails” McGray and Inspector Ian Frey enter. Frey scoffs at what he believes is a blatant publicity stunt, while McGray is convinced that the supernatural must be at play. They soon discover that Irving, Terry, and their peculiar, preoccupied assistant, Bram Stoker, all have reasons to kill, or be killed. But one thing is clear: by occult curse or human hand, death will take a bow the night the curtain rises.

Masks and Shadows Stephanie Burgis, 2016-04-12 A richly-researched historical fantasy set in a real eighteenth-century Hungarian palace mingles taut political intrigue with a unique romance starring a castrato hero and a widowed noblewoman across rigid class lines--

Prince of Shadows Rachel Caine, 2015-02-03 In the Houses of Montague and Capulet, there is only one goal: power. The boys are born to fight and die for honor and—if they survive—marry for

influence and money, not love. The girls are assets, to be spent wisely. Their wishes are of no import. Their fates are written on the day they are born. Benvolio Montague, cousin to Romeo, knows all this. He expects to die for his cousin, for his house, but a spark of rebellion still lives inside him. At night, he is the Prince of Shadows, the greatest thief in Verona—and he risks all as he steals from House Capulet. In doing so, he sets eyes on convent-bound Rosaline, and a terrible curse begins that will claim the lives of many in Verona... ..And will rewrite all their fates, forever.

Now I Rise Kiersten White, 2017-06-27 The highly anticipated, mind-blowing New York Times bestselling sequel to Kiersten White's New York Times bestseller, *AND I DARKEN*—the series that reads like HBO's *Game of Thrones* . . . if it were set in the Ottoman Empire. *A SISTER FILLED WITH RAGE* Lada Dracul has no allies. No crown. All she has is what she's always had: herself. After failing to secure the Wallachian throne, Lada is out to punish anyone who dares cross her. She storms the

countryside with her men, but brute force isn't getting Lada what she wants. And thinking of Mehmed, the defiant Ottoman sultan, brings little comfort to her thorny heart. There's no time to wonder whether he still thinks about her, even loves her. She left him before he could leave her. HER BROTHER CAUGHT IN THE CROSSHAIRS Lada needs the support of her diplomatic younger brother, Radu. But Mehmed has sent him to Constantinople—and it's no diplomatic mission. Mehmed wants control of the city, and Radu has earned an unwanted place as a double-crossing spy behind enemy lines. And for the first time in his life, when Lada asks him for help, he refuses . . . leading his sister to make the darkest of choices. THE ULTIMATE POWER PLAY Torn between loyalties to faith, to the Ottomans, and to Mehmed, Radu knows he owes Lada nothing. If she dies, he could never forgive himself—but if he fails in Constantinople, would Mehmed ever forgive him? As nations fall around them, the Dracul siblings must decide: what will they sacrifice to fulfill their destinies? Empires will topple, thrones will be won . . . and souls will be lost. Fans of Victoria Aveyard's THE RED QUEEN and Sabaa Tahir's A TORCH AGAINST THE NIGHT won't want to miss this riveting and gorgeously written novel—the

second in the And I Darken series. □ Gorgeous, rich, and rewarding.—Booklist, starred review □ Absolutely devastating in the best way.—Kirkus, starred review “A+, 5 knives.”—Amie Kaufman, New York Times bestselling co-author of the STARBOUND and ILLUMINAE FILES trilogies “Fierce, epic, and crazy fun.”—Melissa Albert, New York Times bestselling author of THE HAZEL WOOD A Teen Choice Book Award nominee! Book of Shadows Phyllis Curott, 2013-07-03 Since Phyllis Curott first published *Book of Shadows*, the story of her spiritual journey and initiation as a High Priestess in the Wiccan community, *Witchcraft* has captured America's imagination as a theme for fiction, television shows, and films. Now America's highest-profile Witch returns to dispel more myths and misrepresentations of her faith, and to share a practical guide to the beautiful spiritual rituals and philosophies behind Wiccan tradition. enchancing stories from Currot's own experiences and detailed advice for creating potions, working with Nature, and finding the Divine within, Witch Crafting is much more than just another superficial recipe book. An archaic law provides a temporary respite from his troubles - until one night a ghostly voice in his head causes Damelas to fumble his lines, inadvertently blurting out a dreadful truth: the city's most legendary hero may actually be a traitor and a brutal murderer. With only the help of his boisterous and lusty friend Bereto, a beautiful assassin whose target may well be Damelas

himself, and a company of misfit actors who'd just as soon see him dead, this failed grandson of two Greatcoats must somehow find within himself the courage to dig up long-buried truths before a ruthless band of bravos known as the Iron Orchids come for his head. Oh, and there's still that matter of the Vixen waiting to duel him . . . Readers love Play of Shadows! Masks and Shadows Ian Mullins, 2019-10-16 Poems are like superheroes; they often struggle to get off the ground. But when they reach the open air everything they see is changed by being in flight. A city becomes a fleck of dust; an ant becomes a brontosaurus. And people? What happens to them? Some of them will look up with strange longing, then glance down to find superhero costumes welded onto their skins. While others, who have no doubt they belong in the stratosphere, find their jet-boots only nail them to the ground. My superpower is writing poems... Poetry is just another name for dreaming, but it's also synonymous with nightmares. The nightmare of finding your superhero suit growing as baggy as your skin; of discovering that your real superpower is silence. That the fear you strike in others is easily eclipsed by the fear they strike into you. That power comes at a price that may not be worth paying. How much do you really want to take to the air? The handsomest birds are the easiest to shoot down. Even by-standers keep kryptonite in their pockets. What do we own, except for our dreams? Not everyone is built for speed. It has been argued that the bravest person in the Marvel cinematic universe is the man who climbs to his feet in Avengers Assemble when Loki

demands that humanity embraces its natural subservience and kneel before him. Is a god anything more than the one who wields the biggest stick? What force compels Superman to call the President 'Sir'? In Alan Moore's *Marvelman* the hero embraces his unnatural superiority and takes over the world to save it from itself. Tragedy eclipses destiny: but by *Watchmen* Moore has reversed the equation. The god-like Dr. Manhattan re-creates himself as Satan and leaves humanity to fend for itself. He adopts the moral high ground, telling us we'll be stronger for living without gods: but perhaps he's just bored with us. What god wouldn't be? Let's come back down to earth. In a culture that demands we prove our worth by constantly improving our performance, whether we run the corporation or only the photocopier, have we all become ashamed of merely being human? What happens when you tear off the mask and find another mask beneath it? Or if you find nothing, not even a face. Maybe we're nothing more - or less - than the sum of our dreams. No wonder we look up and cry Is it a bird, is it a plane? And answer no, it's only me; trying my wings for size. Here are a few of my wings. Why not try them on? They might suit you perfectly, and held you find your own. Or fly you to strange lands and

abandon you there, forcing you to build a ship from your dreams and set sail on crimson seas. Travel boldly enough and you might never need a mask again.
