**Being Dragonborn** Mike Piero,Marc A. Ouellette,2021-09-28 The Elder Scrolls V: Skyrim is one of the bestselling and most influential video games of the past decade. From the return of world-threatening dragons to an ongoing civil war, the province of Skyrim is rich with adventure, lore, magic, history, and stunning vistas. Beyond its visual spectacle alone, Skyrim is an exemplary gameworld that reproduces out-of-game realities, controversies, and histories for its players. Being Dragonborn, then, comes to signify a host of ethical and ideological choices for the player, both inside and outside the gameworld. These essays show how playing Skyrim, in many ways, is akin to playing 21st century America with its various crises, conflicts, divisions, and inequalities. Topics covered include racial inequality and white supremacy, gender construction and misogyny, the politics

of modding, rhetorics of gameplay, and narrative features.

**Honorable Choices** Irwin Sadetsky,2015-03-19 The war in Afghanistan was easy compared to being the new principal of the George W. Bush Middle School in upstate New York. Matt Collins has on his plate his discovery that teachers are changing the answers of their student's standardized tests in order to increase the scores. The Superintendent of Schools seems to condone the practice. What choice does Matt have? His Assistant Principal wants to discredit him because he lost the position that was given to Matt. What choice does Matt have? What would you do if a student enters your school with a loaded gun? Matt has to make a critical choice. Matt has to find a way to deal with his own PTSD as he provides the necessary structure and leadership needed to run a large middle school. He has a choice to discipline two fourteen year old students found having oral sex? The girl being the President of the Board of Education's daughter and the boy being the son of the PTA President. The choice between an appropriate penalty or bending to political pressure is the quandary he faces. Matt creates and establishes a Code of Conduct for student discipline. Three other school principals in nine years had failed to alter poor student behavior. Does Matt have a chance? How will the staff and kids react? Matt has to discipline a teacher whose husband owns and edits the town's only newspaper. What choice does he have.' How does he handle the repercussions of bad press? Perhaps the most important of Matt's concerns is the start of a loving relationship with a guidance counselor in his school. What will the teachers say? What will his superiors say? What will the people of the small town say? He has many choices to make and many problems to solve in this first year of being a school principal. Above all, can he stay true to his principles! What are his choices?

JUNKYARD DRUID A New Adult Urban Fantasy Novel From M.D. Massey Name's Colin McCool. Folks call me the Junkyard Druid. I hate that name. Despite my last name, I'm not cool like the other hunters in town. I don't run an occult bookstore, I've never owned a Harley, and I didn't inherit a family fortune passed down through generations of hunters before me. And I kind of have this curse on me that's messed up my life. So, things have gone to hell since I was cursed. I live in a junkyard, my mentor Finn is a heroin addict, I've got the Cold Iron Circle breathing down my neck, and the local Fae Queen Maeve is blackmailing me into doing her dirty work. Now I'm in way over my head trying to retrieve Maeve's stolen magic rock, all while helping my friend Belladonna solve a series of murders that may or may not involve the local werewolves. And did I mention that my girlfriend is a ghost? If I can just get the Faery Queen's tathlum back, and help Belladonna solve the murders... Then I just might live long enough to finish my first year of college. - - - Junkyard Druid is a new adult fantasy novel that interweaves elements of paranormal mystery and suspense to introduce an exciting new world and characters in the urban fantasy paranormal genre. **Dear Photograph** Taylor Jones,2012-04-24 We all have moments we wish we could relive. We'd give anything to skid down the toboggan hills of our youth, to breathe in the smell of our children as babies or to spend just one more minute with a loved one we've lost. Dear Photograph provides a way to link these memories from the past to the present. The idea is simple: hold a photograph from the past up in front of the place where it was originally taken; take a second photograph; add a sentence of dedication about what the photograph means to you. The results, however, are astounding, which is why millions have flocked to the site, and thousands have submitted their own Dear Photographs. This stunning visual compilation includes more than 140 never-before-seen Dear Photographs. By turns nostalgic, charming and poignant, Dear Photograph evokes childhood memories, laments difficult losses and, above all, celebrates the universal nature of love.
