Steven Toast

Toast on Toast Steven Toast,2015-10-22 Toast on Toast is the must-have book for all budding actors - and non-actors too. In this part memoir, part 'how to act' manual, Steven Toast draws on his vast and varied experiences, providing the reader with an invaluable insight into his journey from school plays to RADA, and from 'It's a Right Royal Knockout' to the Colony Club. Along the way, he reveals the secrets of his success. He discloses how to brush up on and expand your technical and vocal skills, how to nail a professional voiceover, and how to deal with difficult work experience staff in a recording studio. He also reveals the dangers of typecasting, describes the often ruthless struggle for 'top billing', and shares many awesome nuggets of advice. The end result is a book that will inspire and educate anyone who wants to tread the floorboards. It will also inform (and entertain) anybody who simply wants to discover what a jobbing actor's life is actually like.

Fantasy Life Matthew Berry,2014-07-01 Includes new chapters with small, easy-to-understand words. Bestselling words! Fantasy football, fantasy baseball, fantasy basketball, even fantasy sumo wrestling: the world of fantasy sports is huge, and still growing. Today, more than 35 million people in the United States and Canada spend hours upon hours each week on their fantasy sports teams. And as the Senior Fantasy Sports Analyst for ESPN, Matthew Berry is on the front lines of what has grown from a niche subculture into a national pastime. In his New York Times-bestselling Fantasy Life, Berry celebrates every aspect of the fantasy sports world. Brilliant trash talk. Unbelievable trophies. Insane draft day locations. Shake-your-head-in-disbelief punishments. Ingenious attempts at cheating. And surprisingly uplifting stories that remind us why we play these games in the first place. Written with the same award-winning style that has made Berry one of the most popular columnists on ESPN.com, Fantasy Life is a book for both hard-core fantasy players and people who have never played before. Between tales of love and hate, birth and death, tattoos and furry animal costumes, the White House Situation Room and a 126-pound golden pelican, Matthew chronicles his journey from a fourteen-year-old fantasy player to the face of fantasy sports for the largest sports media company in the world. Fantasy will save your life. Fantasy will set you free. And fantasy life is most definitely better than real life. You'll see.

Daring to be Great Matthew John Berry,2020

A Human Strategy Matt Berry,1999-05 A Human Strategy: Toward a genuine spirituality It has become increasingly evident to me that it is indecent to reconstruct my life ... perhaps because I have chosen to set my inherited morality aside and look at the world from an amoral perspective. Moreover, my neighbor fears the collapse of his own morality through my private concern: Can there be a more valuable orientation toward life? Perhaps it is a type of death, just as real as the final death, to cast aside an old identity and become someone new. Whatever the reason, I have undertaken this experiment and in the process ... for the process, have kept notes and am hereby putting them into some form. Let me call it a book.Perhaps this is the soft underbelly of a book exposed to the modern world: to say that one can be happier and more valuable without a beyond ... that one can not only learn to be content with reality, but can aggressively pursue greater and greater joy.
