Remediating Sound Holly Rogers,Joana Freitas,João Francisco Porfírio,2023-09-07 Remediating Sound studies the phenomena of remixing, mashup and recomposition: forms of reuse and sampling that have come to characterise much of YouTube's audiovisual content. Through collaborative composition, collage and cover songs to reaction videos and political activism , users from diverse backgrounds have embraced the democratised space of YouTube to open up new and innovative forms of sonic creativity and push the boundaries of audiovisual possibilities. Observing the reciprocal flow of influence that runs between various online platforms, 12 chapters position YouTube as a central hub for the exploration of digital sound, music and the moving image. With special focus on aspects of networked creativity that remain overlooked in contemporary scholarship, including library music, memetic media, artificial intelligence, the sonic arts and music fandom, this volume offers interdisciplinary insight into contemporary audiovisual culture.

Daniel Radcliffe - The Biography Sue Blackhall,2014-11-06 Daniel Radcliffe went from shy schoolboy to the world's most famous boy wizard overnight. Aged just ten when he won the iconic role of Harry Potter, Daniel often had to beat his own demons as he met the challenge of combining childhood with being a child star.No one could have envisaged just how huge the Harry Potter movie franchise would be - or how dramatically life-changing it would be for the little boy teachers once wrote off as having no prospects. Daniel won the part out of a staggering 16,000 boys who auditioned. Now it is hard to believe that anyone but he could have ever played the role. Daniel became a film legend before he was out of his teens.But there was much he wanted to prove. In a bid to detach himself from being simply the boy with a wand, Daniel had to make his own magic and bravely took on projects which were often controversial and challenging - but never dull. His courage at diversifying has won him a new army of fans. Daniel's career choices have seen him dancing and singing his way into people's hearts as well as impressing them with his dramatic roles.Now established as one of our leading young actors with a fame that is literally worth a fortune Daniel has managed to conquer the turbulent times as a teenager when his drinking could so easily have meant the end of it all. Today, Daniel is the Half-Blood Prince who has become a full-blooded actor and is looking forward to a future of fulfilled dreams and ambition.

The Amazing Book Is Not on Fire Dan Howell,Phil Lester,2015-10-13 THE INSTANT #1 NEW YORK TIMES BESTSELLER From YouTube sensations Dan Howell (danisnotonfire) and Phil Lester (AmazingPhil) comes a laugh-out-loud look into the world created by two awkward guys who share their lives on the Internet. More than 11 million YouTube subscribers can't wait for this book! Since uploading their first ever videos as teenagers, Dan and Phil have become two of the world's biggest YouTube stars. Now they invite you on a behind-the-scenes journey, filled with absolutely essential advice, tons of humor, lots of awkwardness, and TMI honesty that they will probably regret. Here's just a small sample of the fun surprises readers can look forward to: • The inside story of that time they met One Direction. • Excerpts from Phil's teenage diary. • Reasons why Dan's a fail (so far). • How to draw the perfect cat whiskers. • Reasons why Phil was such a weird kid (back then). • Quizzes! Which of their dining room chairs represents you emotionally? • What really happened in Vegas. . . . In The Amazing Book Is Not on Fire, Dan and Phil are candid, heartfelt, and hilarious. Their struggles and success haven't changed their strong friendship or their core belief that it's okay to be weird. The cat whiskers come from within! This full-color book is bursting with unseen photographs and drawings, making it an ideal gift for that hard-to-shop-for teen.

What I Learnt Jeremy Vine,2017-09-07 Jeremy Vine has been presenting a BBC Radio 2 show since 2003 that attracts more than seven million listeners. In that time he calculates he has taken more than 25,000 calls on topical subjects - big issues and small ones: on life, love, lollipop ladies and poisonous plants. But what have the callers told him? In the age of Brexit and Donald Trump, is the world now being run by Radio 2 listeners? If you listen to Radio 4, Brexit was a shock. If you are a Radio 2 listener it wouldn't have surprised you at all. Where Jeremy's callers once expressed a kind of resignation ('But what can you do?' or the gloomy rejoinder: 'You have to laugh'), now they tend to give him their views expecting to be heeded. They have not called in to entertain the audience. They expect to take the wheel of the car and drive. Listener wisdom is far more valuable than most of what we hear from appointed spokespeople. What was the response when Jeremy asked: 'Have you ever been pecked in the eye by a gannet?' Which subjects are most likely to start pitched warfare between different sections of the audience? (Answer: old people using buses, old people NOT using buses, cellophane, or Tony Blair saying anything.) In a book punctuated by vivid anecdotes and laugh-out-loud moments, Jeremy Vine explains what it's like to hit a button and hear - totally unvarnished and unspun - the voices of so-called ordinary people. And why they are not so ordinary after all.

Writers' Handbook 2022 J. Paul Dyson,2021-11-17 The 2022 edition of firstwriter.com's bestselling directory for writers is the perfect book for anyone searching for literary agents, book publishers, or magazines. It contains over 2,500 listings, including revised and updated listings from the 2021 edition, and over 400 brand new entries. Finding the information you need is now quicker and easier than ever before, with multiple tables and a detailed index, and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways, and includes a Table of Authors, which lists over 3,000 authors and tells you who represents them, or who publishes them, or both. The number of genres in the index has expanded to over 600. So, for example, while there was only one option for "Romance" in the previous edition, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural / Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance, or even Amish Romance. International markets become more accessible than ever, with listings that cover both the main publishing centres of New York and London, as well as markets in other English speaking countries. With more and more agents, publishers, and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials, and no obscure listings padding out hundreds of pages. By including only what's important to writers - contact details for literary agents, publishers, and magazines - this directory is able to provide more listings than its competitors, at a substantially lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2023. This means you can get free access to the firstwriter.com website, where you can find even more listings, and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions listings, searchable personal notes, and more. "I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now!" ~ Robin Wade; literary agent at the Wade & Doherty Literary Agency Ltd, and long-term firstwriter.com subscriber

Collabro - Our Story Martin Roach,2015-03-05 Michael Auger, Richard Hadfield, Jamie Lambert, Matt Pagan and Thomas J Redgrave had been singing together for just one month when they decided to enter Britain's Got Talent. But despite the judges' initial scepticism, Collabro received a standing ovation at their audition as their rendition of Les Misérables' 'Stars' captivated the audience. Chosen by the judges to progress to the live semi-finals, they performed another Les Misérables hit and received the highest number of votes from the public (62.3%), ensuring their automatic progression to the final. Their live final performance received 26.5% of the vote and Collabro won the competition by a wide margin. Their debut album 'Stars' sold 49,749 copies in just one week, making them the fastest selling new British band of 2014. Their No1 album also sold more than both the No.2 and No.3 albums combined. Providing detailed personal insight into each member of the band, this book will take you on a journey from how the band formed, through their Britain's Got Talent experience to

what lies ahead. Plus exclusive pictures

Be Kind Emily Herbert,2020-08-13 'In a world where you can be anything, be kind.' Caroline Flack was the girl who had it all ... beauty, talent, money, fame and a hugely successful career. But, away from the television cameras and the fabulous parties, there hid a lonely, frightened young woman. Caroline was already a rising star when she shot to fame as the presenter of Love Island. With her beauty and her effervescent personality, she was perfect for the role and soon the show was drawing 6 million viewers. Yet, behind the scenes her love life was chaotic. She dated Prince Harry, Harry Styles and Russell Brand before finding love with tennis player Lewis Burton. Her world came crashing down on the night Lewis called 999 to report Caroline was attacking him. Police found Caroline hysterical and the couple covered in blood. Just as it seemed life could not be any worse Caroline was fired by ITV and barred by the courts from contacting Lewis. In this extraordinary and revealing book, Emily Herbert talks with friends and celebrities to reveal the heartbreaking true story of how this beautiful woman crashed from the pinnacle of fame and success to a lonely and tragic death. A donation from the sale of this book will be given to cyber bullying charities.

KISS and Philosophy Courtland Lewis,2020-10-13 KISS is the most outrageous and yet the most enduring of rock bands, with an unparalleled, almost religious level of devotion from millions of die-hard fans. In KISS and Philosophy, professional thinkers of diverse outlooks provide much-needed insights into the motivating ideas and metaphysical foundations of the KISS take on life. According to some, the true message of KISS is self-actualization through the hard work of following your dreams. Others focus on the existential aspect of KISS thinking, drawing upon Camus and Sartre to show that KISS is preoccupied with empowering the individual to achieve self-greatness. By contrast, there is a view of KISS which identifies a “destroyer” attitude, leading some listeners to reject KISS outright, while encouraging others to become the most dedicated of followers. Yet another view sees KISS’s “letting loose” as essentially Dionysian. Some chapters gain access to KISS thinking by tracing the band’s cultural and historical impact, finding meaning in the way generations of fans make sense of KISS’s always evolving output, the changing line-up, and the archetypal characters represented by the band’s use of make-up and presentation. Other chapters look at the aesthetic quality of the band’s output, especially their most controversial album, Music from “The Elder.” Several chapters examine KISS’s orientation to bodily pleasures, notably sex, extracting the band’s philosophy of sex and love from different clues and indications. How does KISS’s unashamed indulgence relate to various pleasure-governed ethical systems throughout history? Is getting the most out of pleasure key to living the good life? And does a life of gratifying one’s body ultimately yield fulfillment? What are the limitations and hazards of a pleasure-oriented lifestyle? The biography of band members also provides material for reflection, looking at the nature of forgiveness through the lens of KISS’s notorious feuds, and determining how to reconcile the apparently conflicting accounts of some famous squabbles. The changing line-up of the band raises questions about the meaning of “KISS” and whether KISS could last forever

The Fearless Organization Amy C. Edmondson,2018-11-14 Conquer the most essential adaptation to the knowledge economy The Fearless Organization: Creating Psychological Safety in the Workplace for Learning, Innovation, and Growth offers practical guidance for teams and organizations who are serious about success in the modern economy. With so much riding on innovation, creativity, and spark, it is essential to attract and retain quality talent—but what good does this talent do if no one is able to speak their mind? The traditional culture of “fitting in” and “going along” spells doom in the knowledge economy. Success requires a continuous influx of new ideas, new challenges, and critical thought, and the interpersonal climate must not suppress, silence, ridicule or intimidate. Not every idea is good, and yes there are stupid questions, and yes dissent can slow things down, but talking through these things is an essential part of the creative process. People must be allowed to voice half-finished thoughts, ask questions from left field, and brainstorm out loud; it creates a culture in which a minor flub or momentary lapse is no big deal, and where actual mistakes are owned and corrected, and where the next left-field idea could be the next big thing. This book explores this culture of psychological safety, and provides a blueprint for bringing it to life. The road is sometimes bumpy, but succinct and informative scenario-based explanations provide a clear path forward to constant learning and healthy innovation. Explore the link between psychological safety and high performance Create a culture where it’s “safe” to express ideas, ask questions, and admit mistakes Nurture the level of engagement and candor required in today’s knowledge economy Follow a step-by-step framework for establishing psychological safety in your team or organization Shed the “yes-men” approach and step into real performance. Fertilize creativity, clarify goals, achieve accountability, redefine leadership, and much more. The Fearless Organization helps you bring about this most critical transformation.

One Direction: Where We Are Now One Direction,2015-11-10 The must-have Christmas gift for all 1D fans, don’t miss the year’s only official book from the world’s favourite band...

The Happiness Effect Donna Freitas,2017 Sexting. Cyberbullying. Narcissism. People-and especially the media-are consumed by fears about the effect of social media on young people. We hear constantly about the dangers that lurk online, and about young people's seemingly pathological desire to share anything and everything about themselves with the entire world. Donna Freitas has traveled the country, talking to college students about what's really happening on social media. What she finds is that, while we focus on the problems that make headlines, we are ignoring the seemingly mundane, but much more widespread, problems that occur every day. Young people, she shows, feel enormous pressure to look happy all the time-and not just basically content, but blissful, ecstatic, inspiring and successful in their personal, professional, and academic lives-regardless of how they actually feel. Of course, these young adults are not that happy, at least not all of the time, and the constant exposure to the seemingly perfect lives of other people on social media only makes them feel worse. What's more, far from wanting to share everything about themselves, they are terrified of sharing something that will come back to haunt them later in life. The rise of social media has brought about a dramatic cultural shift: the need to curate a perfect identity online that often has little to do with reality. The consequences, Freitas shows, can be very real. Drawing on an online survey and in-person interviews with students from thirteen campuses around the U.S, Freitas offers a window into the social media generation and how they use Facebook, Snapchat, and Twitter, and other online platforms. She presents fascinating insights about how these people are consciously creating alternate identities for themselves, while also suffering from the belief that the other people they encounter online really are as perfect as their profiles appear. This is an eye-opening look at the real world of social media today

Fantasy Life Matthew Berry,2014-07-01 Includes new chapters with small, easy-to-understand words. Bestselling words! Fantasy football, fantasy baseball, fantasy basketball, even fantasy sumo wrestling: the world of fantasy sports is huge, and still growing. Today, more than 35 million people in the United States and Canada spend hours upon hours each week on their fantasy sports teams. And as the Senior Fantasy Sports Analyst for ESPN, Matthew Berry is on the front lines of what has grown from a niche subculture into a national pastime. In his New York Times-bestselling *Fantasy Life*, Berry celebrates every aspect of the fantasy sports world. Brilliant trash talk. Unbelievable trophies. Insane draft day locations. Shake-your-head-in-disbelief punishments. Ingenious attempts at cheating. And surprisingly uplifting stories that remind us why we play these games in the first place. Written with the same award-winning style that has made Berry one of the most popular columnists on ESPN.com, *Fantasy Life* is a book for both hard-core fantasy players and people who have never played before. Between tales of love and hate, birth and death, tattoos and furry animal costumes, the White House Situation Room and a 126-pound golden pelican, Matthew chronicles his journey from a fourteen-year-old fantasy player to the face of fantasy sports for the largest sports media company in the world. Fantasy will save your life. Fantasy will set you free. And fantasy life is most definitely better than real life. You'll see.

Don't Ask Me Where I'm From Jennifer De Leon,2020-08-18 “A funny, perceptive, and much-needed book telling a much-needed story.” —Celeste Ng, author of the New York Times bestseller *Little Fires Everywhere* First-generation American LatinX Liliana Cruz does what it takes to fit in at her new nearly all-white school. But when family secrets spill out and racism at school ramps up, she must decide what she believes in and take a stand. Liliana Cruz is a hitting a wall—or rather, walls. There’s the wall her mom has put up ever since Liliana’s dad left—again. There’s the wall that delineates Liliana’s diverse inner-city Boston neighborhood from Westburg, the wealthy—and white—suburban high school she’s just been accepted into. And there’s the wall Liliana creates within herself, because to survive at Westburg, she can’t just lighten up, she has to whiten up. So what if she changes her name? So what if she changes the way she talks? So what if she’s seeing her neighborhood in a different way? But then light is shed on some hard truths: It isn’t that her father doesn’t want to come home—he can’t...and her whole family is in jeopardy. And when racial tensions at school reach a fever pitch, the walls that divide feel insurmountable. But a wall isn’t always a barrier. It can be a foundation for something better. And Liliana must choose: Use this foundation as a platform to speak her truth, or risk crumbling under its weight.

Betting on You Laurie Ruettimann,2021-01-12 Indispensable reading for anyone seeking to improve their professional selves. —Daniel H. Pink, #1 New York Times bestselling author of *When* An essential guide for how to snap out of autopilot and become your own best advocate, with candid anecdotes and easy-to-adopt steps, from veteran HR specialist and popular podcast host Laurie Ruettimann Chances are you've spent the past few months cooped up inside, buried under a relentless news cycle and work that never seems to switch off. Millions of us worldwide are overworked, exhausted, and trying our hardest—yet not getting the recognition we deserve. It’s time for a fix. Top career coach and HR consultant Laurie Ruettimann knows firsthand that work can get a hell of a lot better. A decade ago, Ruettimann was uninspired, blaming others and herself for the unhappiness she felt. Until she had an epiphany: if she wanted a fulfilling existence, she couldn’t sit around and wait for change. She had to be her own leader. She had to truly take ahold of life—the good, the bad, and the downright ugly—in order to transform her future. Today, as businesses prioritize their bottom line over employee satisfaction and workers become increasingly isolated, the need to safeguard your well-being is crucial. And though this sounds intimidating, it’s easier to do than you think. Through tactical advice on how to approach work in a smart and healthy manner, which includes knowing when to sign off for the day, doubling down on our capacity to learn, fixing those finances, and beating impostor syndrome once and for all, Ruettimann lays out the framework necessary to champion your interests and create a life you actually enjoy. Packed with advice and stories of others who regained control of their lives, *Betting on You* is a game-changing must-read for how to radically improve your day-to-day, working more effectively and enthusiastically starting now.

Both/And Thinking Wendy Smith,Marianne Lewis,2022-08-09 An insightful and inspiring book on using both/and thinking to make more creative, flexible, and impactful decisions in a world of competing demands. Life is full of paradoxes. How can we each express our individuality while also being a team player? How do we balance work and life? How can we improve diversity while promoting opportunities for all? How can we manage the core business while innovating for the future? For many of us, these competing and interwoven demands are a source of conflict. Since our brains love to make either-or choices, we choose one option over the other. We deal with the uncertainty by asserting certainty. There's a better way. In *Both/And Thinking*, Wendy Smith and Marianne Lewis help readers cope with multiple, knotted tensions at the same time. Drawing from more than twenty years of pioneering research, they provide tools and lessons for transforming these tensions into opportunities for innovation and personal growth. Filled with practical advice and fascinating stories—including firsthand tales from IBM, LEGO, and Unilever, as well as from startups, nonprofits, and even an inn at one of the four corners of the world—*Both/And Thinking* will change the way you approach your most vexing problems.

Matt Edmondson Introduction

In today's digital age, the availability of Matt Edmondson books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Matt Edmondson books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Matt Edmondson books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional

purposes. By accessing Matt Edmondson versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Matt Edmondson books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Matt Edmondson books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Matt Edmondson books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Matt Edmondson books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Matt Edmondson books and manuals for download and embark on your journey of knowledge?

You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
