The Resurrectionist: A Novel Matthew Guinn,2013-07-08 A fine gothic novel...Be warned: Corpses abound. —Washington Post At South Carolina Medical College, Dr. Jacob Thacker is on probation for Xanax abuse. His interim career—working university public

relations—takes an unnerving detour into the past when the bones of African American slaves are unearthed on campus. In a parallel narrative set in the nineteenth century, Nemo (no man), a university slave purchased for his unusual knife skills, becomes an unacknowledged member of the surgical faculty by day—and by night, a resurrectionist, responsible for procuring bodies for medical study. An unforgettable character, by turns apparently insouciant, tormented, and brilliant, Nemo will seize his self-respect in ways no reader can anticipate. With exceptional storytelling pacing and skill, Matthew Guinn weaves together past and present to relate a Southern Gothic tale of shocking crimes and exquisite revenge. A 2014 Edgar Award Finalist for Best First Novel.

Making Nice Matt Sumell, 2015-02-17 Named a book of the year by BUSTLE and ELECTRIC LITERATURE “Alby is Holden Caulfield in the Internet age... --Los Angeles Times Hailed as indelible by Entertainment Weekly, a cringe-inducingly funny (The Wall Street Journal) gut-punch of a debut about love, grief, and family unleashes one of the most comically arresting voices this side of Sam Lipsyte's *Homeland* (Publishers Weekly, starred review) In Matt Sumell's blazing first book, our hero Alby flails wildly against the world around him—he punches his sister (she deserved it), unprotected broads (they deserved it and liked it), gets drunk and picks fights (all deserved), defends defenseless creatures both

large and small, and spews insults at children, slow drivers, old ladies, and every single surviving member of his family. In each of these stories Alby distills the anguish, the terror, the humor, and the strange grace—or lack of—he experiences in the aftermath of his mother's death. Swirling at the center of Alby's rage is a grief so big, so profound, it might swallow him whole. As he drinks, screws, and jokes his way through his pain and heartache, Alby's anger, his kindness, and his capacity for good bubble up when he (and we) least expect it. Sumell delivers a naked rendering of a heart sorting through its broken pieces to survive.* Making Nice is a powerful, full-steam-ahead ride that will keep you laughing even as you try to catch your breath; a new classic about love, loss, and the fine line between grappling through grief and fighting for (and with) the only family you've got. *Mark Richard

Celebrity Biographies - The Amazing Life Of Morgan Freeman - Famous Actors

Matt Green,2017-02-12 Ever wondered how Morgan Freeman rose to stardom? Morgan Freeman, like many early African American actors, was born into a time of racial segregation and prejudice. Born in Memphis, Tennessee on June 1, 1937, Freeman experienced a rather turbulent childhood. His parents moved to Chicago when Freeman was still a child, hoping to find better work away from the oppressive hand of the racially-explosive South. As his father descended into alcoholism, Freeman's parents separated and Freeman found himself moving frequently, splitting time between living with his grandparents in Mississippi and moving from town to town with his mother. Celebrity Biographies - The Amazing Life Of Sean Penn - Famous Actors Matt

Green, Ever wondered how Sean Penn rose to stardom? A little, but he imitates his favorite actor - Marlon Brando. The same rebel, like his idol had, in life and on a screen. He has a quarter of Russian and a quarter of Lithuanian on his father's side, and he has Italian-Irish blood in his veins on his mother's side. This 'mechanism' probably contributed his stormy temperament which is shown in the workplace and everyday life. There are three whales of a celebrity Sean Penn, such as stormy personal life in 80s and 90s, emotional expression of political views and irresistible manner of acting. Celebrity Biographies - The Amazing Life of Kevin Spacey - Famous Actors

Matt Green, Ever wondered how Kevin Spacey rose to stardom? As glorifying and splendid Kevin Spacey life time achievement looks like, he has gone through the test of fire in the course of attaining the limelight. The ladder to stardom is far, weak and unstable but it requires boldness, strength and determination to overcome every obstacle that lies between a man and the achievement of his dreams. Spacey's early lifestyle did not portray any form of achievement, igniting a flash into his past, but his stoic commitment and unrelenting nature has empowered him to conquer his challenges. There is lot of actors in the entertainment world who believed that their acting potentials are more significant to them than any other thing on earth, but few of them support their ideology with action irrespective of their level of success. New York City Subway Drama, and Beyond Matt Lavelle, 2011-08 Jazz Musician Matt Lavelle started writing in the year 2000. What at first was personal eventually reached the

Internet in 2005, as he developed a dedicated audience online at the Blog: Chris Rich Brilliant Corners, a Boston Jazz Blog. Lavelle had three blogs at one point: about music, about the street, and dealing with the spiritual side of life, with an average of 150 reads a day. Lavelle has survived as an Musician making no money in New York City for twenty years. Watching the progressing cultural death of NYC from the street level, and seeing the art of life in the most unlikely of places, most notably the SUBWAY, led to this very personal statement. Along the way to becoming himself he has seen life up close, and this book gives you a front row seat to the experience of trying to be an artist in a place where Cash is truly King. He writes about life, as real as it gets. It doesn't get any more real in 2011 than the NYC Subway.. Read Real life NYC street level stories on the Subway, the Bus, from the Post office and beyond into more real life stories and writing of someone on a quest to be in an Artist living in
