King Matt the First Janusz Korczak, 2015-06-30 A child king introduces reforms to give children the same rights as adults.

The Big Book of King Cake Matt Haines, 2021-12-14 I once ate more than eighty king cakes in a single Carnival, author Matt Haines proudly remembers, demonstrating his dedication to this delicious Mardi Gras tradition. So you can imagine how amazed I was to learn there has never been a coffee table book dedicated to king cakes! The Big Book of King Cake changes that, telling the thousands-year-old story through lush photography of more than one hundred and fifty unique king cakes, as well as stories from the diverse and talented bakers who make them. While king cakes are typically only available during Carnival season, readers can enjoy this book year-round. From the traditional cakes generations of New Orleanians have loved, to the unconventional creations that break all the rules, this book is your guide to the Crescent City's favorite baked good. The Big Book of King Cake is for anyone who loves food, history, sweets, culture, and of course, New Orleans.

Simply Responsible Matt King, 2023-05-16 We evaluate people all the time for a wide variety of activities. We blame them for miscalculations, uninspired art, and committing crimes. We praise them for detailed brushwork, a superb pass, and their acts of kindness. We accomplish things, from solving crosswords to mastering guitar solos. We bungle our endeavors, whether this is letting a friend down or burning dinner. Sometimes these deeds are morally significant, but many times they are not. Simply Responsible defends the radical proposal that the blameworthy artist is responsible in just the same way that the blameworthy thief is. We can be responsible for all kinds of different activities, from lip-synching to long division, from murders to meringues, but the relation involved, what author Matt King calls the basic responsibility relation, is the same in every case. We are responsible for the things we do first, then blameworthy or praiseworthy for having done them in light of whether they're good or bad, according to a variety of standards. Why is this a radical proposal? Firstly, because so much of the contemporary literature on moral responsibility has moralized its nature. According to most accounts, moral responsibility is either a special species of responsibility or else depends on moralized capacities. In contrast, King argues that we get a more complete and unifying picture of responsible agency from a more general theory of responsibility. Secondly, the proposal is radical due to its drastic simplicity. King foregoes many of the complications that feature in other accounts of responsibility, arguing that we can make do with less demanding theoretical elements.

The Mirror Matt King, 2017-08-19 As you amble through the forest in early spring, the mist still weighing down like a wet, cold blanket, the leaves crunching like bones underfoot, you realize that this place has known pain. All winter long, it has suffered the terrible paralysis of ice and snow, only recently freed from its crystalline prison. Not too much further from where you are is a clearing, and in that clearing is a mirror. Everyone sees something different in the mirror, for the mirror reflects the vision it captures with absolute precision. When you look in the mirror, what do you see? The Mirror is a compilation of short stories and poetry by author Matt King. This is his first published work, completed in August 2017.

Dynasties Intertwined Matt King, 2022-06-15 Dynasties Intertwined traces the

turbulent relationship between the Zirids of Ifriqiya and the Normans of Sicily during the eleventh and twelfth centuries. In doing so, it reveals the complex web of economic, political, cultural, and military connections that linked the two dynasties to each other and to other polities across the medieval Mediterranean. Furthermore, despite the contemporary interfaith holy wars happening around the Zirids and Normans, their relationship was never governed by an overarching ideology like jihad or crusade. Instead, both dynasties pursued policies that they thought would expand their power and wealth, either through collaboration or conflict. The relationship between the Zirids and Normans ultimately came to a violent end in the 1140s, when a devastating drought crippled Ifriqiya. The Normans seized this opportunity to conquer lands across the Ifriqiyian coast, bringing an end to the Zirid dynasty and forming the Norman kingdom of Africa, which persisted until the Almohad conquest of Mahdia in 1160. Previous scholarship on medieval North Africa during the reign of the Zirids has depicted the region as one of instability and political anarchy that rendered local lords powerless in the face of foreign conquest. Matt King shows that, to the contrary, the Zirids and other local lords in Ifriqiya were integral parts of the far-reaching political and economic networks across the Mediterranean. Despite the eventual collapse of the Zirid dynasty at the hands of the Normans, *Dynasties Intertwined* makes clear that its emirs were active and consequential Mediterranean players for much of the eleventh and twelfth centuries, with political agency independent of their Christian neighbors across the Strait of Sicily.

In Pictopia ,2021-04-13 In Pictopia is the legendary comic created in 1986, written by the era's most adventurous mainstream comics writer and drawn by a bevy of indie cartoonists – helmed by Don Simpson, with Mike Kazaleh, Pete Poplaski, and Eric Vincent. Presented here for the first time, scanned from the original line art and full-color painted boards, in an appropriately oversized format. Pictopia is the allegorical city inhabited by old, forgotten, but once famous and iconic comics characters, now considered pitiable has-beens by the popular new comics characters who are cheerfully and inevitably taking their places in the pop culture panteon of celebrity. It is both a paean to timeless, beloved comics characters and a scathing critique of the then-contemporary comics sub-culture.

The Story King Matt Mikalatos,2021-06-08 In the third and final installment in the Sunlit Lands series, the magic of the Sunlit Lands has been reset, but that doesn't mean all is well. Unrest and discord are growing by the day, and Hanali is positioning himself as ruler of the Sunlit Lands. But, in order for Hanali to seize control, there must be a sacrifice, one that very few are willing to make. Jason, Shula, Bailey, and others must work together to save the lives of those Hanali would sacrifice for his own gain.

Sulfuric Acid Manufacture Matt King,Michael Moats,William G. Davenport,2013-05-11 By some measure the most widely produced chemical in the world today, sulfuric acid has an extraordinary range of modern uses,

including phosphate fertilizer production, explosives, glue, wood preservative and lead-acid batteries. An exceptionally corrosive and dangerous acid, production of sulfuric acid requires stringent adherence to environmental regulatory guidance within cost-efficient standards of production. This work provides an experience-based review of how sulfuric acid plants work, how they should be designed and how they should be operated for maximum sulfur capture and minimum environmental impact. Using a combination of practical experience and deep physical analysis, Davenport and King review sulfur manufacturing in the contemporary world where regulatory guidance is becoming ever tighter (and where new processes are being required to meet them), and where water consumption and energy considerations are being brought to bear on sulfuric acid plant operations. This 2e will examine in particular newly developed acid-making processes and new methods of minimizing unwanted sulfur emissions. The target readers are recently graduated science and engineering students who are entering the chemical industry and experienced professionals within chemical plant design companies, chemical plant production companies, sulfuric acid recycling companies and sulfuric acid users. They will use the book to design, control, optimize and operate sulfuric acid plants around the world. Unique mathematical analysis of sulfuric acid manufacturing processes, providing a sound basis for optimizing sulfuric acid manufacturing processes Analysis of recently developed sulfuric acid manufacturing techniques suggests advantages and disadvantages of the new processes from the energy and environmental points of view Analysis of tail gas sulfur capture processes indicates the best way to combine sulfuric acid making and tailgas sulfur-capture processes from the energy and environmental points of view Draws on industrial connections of the authors through years of hands-on experience in sulfuric acid manufacture

Kings Of Australia/Alex King/Tony King/Matt King Emma Darcy,2017-11-01 Alex King Alex King is the eldest grandson of a powerful and respected family. It's his duty to expand the King empire – and he must also choose a bride and father a son! Gina Terlizzi already has a baby son – she's not looking for a husband! No matter how breathless the chemistry between them, she's simply a guest in Alex's home to attend a wedding...or is she the intended bride? Tony King Working for the prestigious King family helps Hannah O'Neill to put her traumatic past further behind her. But upon meeting her new boss, the dynamic Tony King, Hannah is thrown into turmoil by the fiery sexual attraction that flares instantly between them. Tony is on hot coals, fighting not to mix business with pleasure with his new employee. Yet when Hannah's past catches up with her and the risk of losing this intensely desirable woman stares him in the face, a passionate possessiveness drives him to an impulsive solution: marriage! Matt King Matt King is the last unmarried grandson of the King dynasty – and determined to stay that way! When a writer is hired to explore his family's history, Matt is shocked to realise the willowy redhead is a woman from his past... Nicole Redman is shaken to the core by the sexual energy between herself and Matt – and his belief she's a gold digger! So what has Matt ultimately got in mind when he insists they discuss the terms of her contract – in the bedroom?

individually. Search for it in-store. He rules a retail empire. He's worth a fortune. He always gets what he wants - until he meets her. Stephanie Prescott has been living above the bookstore she inherited from her grandfather ever since walking away from an abusive relationship with a controlling man. The bookstore has always been her haven, now more than ever. The last thing she wants to do is sell it and move out. But Matt King wants the store, and the man known as King to his friends always gets what he wants. This time it's more than business. It's personal. Very personal. Something happened in Stephanie's building years ago. Something that makes King want to destroy it so he can destroy the memories. Something so shocking that he can't bring himself to tell her, even after he begins to fall in love with her. And now King must make a choice - demolish the building and lose Stephanie. Or hold onto the woman he loves and live with the painful memories forever. This short novel is a complete story with no cliffhangers. Motor Matt, or, The King of the Wheel Stanley R. Matthews,2020-06-01 This book details the astonishing adventures of a young mechanic who owned a motor cycle, Motor Matt, as he is familiarly called by his comrades. Boys, you have never read anything half so exciting, half so humorous and entertaining as the first story listed for publication in this line, called Motor Matt; or, The King of the Wheel.

You Have No Fking Idea** Matt Baier,2017-06-13 Deadbeat Dad. Con Artist. Liar. Manipulator. If you believe the tabloid press about Teen Mom OG star Amber Portwood's fiancé Matt Baier, your opinions of him are most likely wrapped in scandalous rumors and gossip. Forget everything you think you know about the tattooed, gravel-voiced reality TV star. In *You Have No F**king Idea*, Matt breaks his silence for the first time and sets the story straight by delving into his past, present and future—fully exposing the naked truth about his life—once and for all.

Prism Matt King,2019-08-02 Your journey will be seven years. Your destination is Earth. In the pristine society of Dromini, Kyla's genetic condition is considered a crime worthy of exile. She's banished to Earth, where she hopes to find the love and acceptance she craves. Kyla soon learns, however, that fear and ignorance are inescapable forces in the universe—and her problems don't end there. Earth's atmosphere has triggered a series of changes in her cells that give her abilities she can't control, abilities the military powers on Earth want to exploit. With the help of Emmy Saria, lead scientist for the PRISM project, Kyla learns to harness her new gifts. As Emmy struggles to convince her peers that Kyla isn't dangerous, Kyla is called upon to stop an arms race that threatens to engulf the world in war. She's forced to decide not only if she's capable of fighting the battle she's asked to fight, but whether she wants to go to war for a society who so desperately wants to treat her as an outsider.

Darkness Bright Matt King,2009-06-01 This is the sequel to *Darkness Bright: Incandescence*. The companions, led by Malick and Laric, have defeated the first of Satyr's designs against their nation, but *True Night* has arrived, and with no sun, and perpetual twilight, the companions' vision for their new order is unclear. As new threats arise, the companions must divide their numbers to deal with the new dangers; political, personal, and new creatures escaped from the ever-present Abyss. As the Dark Planet Nemesis, Satyr's

prison, closes upon Ayrth, and the Seal over the Abyss weakens, the friends will be torn asunder and forced to make choices that will save or doom their world.

Darkness Bright Matt King, 2009-03-01 At The Edge Of The Abyss... True Night is about to fall, as it does every fifty years. The sun will be eclipsed for ten long years, twilight from many moons the only light during this dark time. The country of Lorasias stands at the edge of the Abyss, prison for Satyr's foul minions. As Malick Karzan struggles to find meaning, a young Dove Knight named Laric Lordan begins a quest for justice after his father's murder. As Malick pursues Laric and his friends, his own search for theological certainty wears upon him, yet drives him beyond limits he never thought to cross as a former DoveKnight. Meanwhile, the forces of darkness led by the Satyrpan seek to open the Abyss and bring history to an end. Malick and Laric must join forces to stop the victory of evil, before their homeland is overwhelmed by corruption within and imminent danger without. The politics the Church of Vivetan plays at threaten all, and only if Malick and Laric can find the truth can their nation, and indeed the world, stand and survive.

Agency in Mental Disorder Matt King, Joshua May, 2022-03-04 Mental illness is an issue of great practical importance. Yet, despite sustained inquiry from scientists and philosophers alike, relatively little attention has been paid to the significance of mental disorder to agency and responsibility. While there is some work that touches on the topic, and a few extended treatments of particular disorders, these only scratch the surface. Agency in Mental Disorder seeks to provide a starting point for deeper and broader philosophical analyses. The 8 new essays in this book address various questions about the relationship between agency and mental disorder. What is the nature of that relationship? In what ways do mental disorders affect capacities for control? How should we understand the mitigations of blame that mental disorders seem to provide, and can we generalize from specific disorders to any interesting claims about disorders as a class? And what makes for a mental disorder in the first place?

What's Best Next Matt Perman, 2014-03-04 By anchoring your understanding of productivity in God's plan, What's Best Next gives you a practical approach for increasing your effectiveness in everything you do. There are a lot of myths about productivity--what it means to get things done and how to accomplish work that really matters. In our current era of innovation and

information overload, it may feel harder than ever to understand the meaning of work or to have a sense of vocation or calling. So how do you get more of the right things done without confusing mere activity for actual productivity? Matt Perman has spent his career helping people learn how to do work in a gospel-centered and effective way. What's Best Next explains his approach to unlocking productivity and fulfillment in work by showing how faith relates to work, even in our everyday grind. What's Best Next is packed with biblical and theological insight and practical counsel that you can put into practice today, such as: How to create a mission statement for your life that's actually practicable. How to delegate to people in a way that really empowers them. How to overcome time killers like procrastination, interruptions, and multitasking by turning them around and making them work for you. How to process workflow efficiently and get your email inbox to zero every day. How to have peace of mind without needing to have everything under control. How generosity is actually the key to unlocking productivity. This expanded edition includes: a new chapter on productivity in a fallen world a new appendix on being more productive with work that requires creative thinking. Productivity isn't just about getting more things done. It's about getting the right things done--the things that count, make a difference, and move the world forward. You can learn how to do work that matters and how to do it well.
