*Johnny the Walrus* Matt Walsh,2022-03-29 From Daily Wire personality and bestselling children's book author Matt Walsh comes a timely tale of innocence, identity, and imagination. Johnny is a little boy with a big imagination. One day he pretends to be a big scary dinosaur, the next day he's a knight in shining armor or a playful puppy. But when the internet people find out Johnny likes to make-believe, he's forced to make a decision between the little boy he is and the things he pretends to be -- and he's not allowed to change his mind.

**Church of Cowards** Matt Walsh,2020-02-25 What Would You Surrender for God? Christians in the Middle East, in much of Asia, and in Africa are still being martyred for the faith, but how many American Christians are willing to lay down their smartphones, let alone their lives, for the faith? Being a Christian in America doesn't require much these days. Suburban megachurches are more like entertainment venues than places to worship God. The lives that American "Christians" lead aren't much different from those of their atheist neighbors, and their knowledge of theology isn't much better either. Matt Walsh of The Daily Wire exposes the pitiful state of Christianity in America today, lays out the stakes for us, our families, and our eternal salvation, and invites us to a faith that's a lot less easy and comfortable—but that's more real and actually worth something. The spiritual junk food we're stuffing ourselves with is never going to satisfy. As St. Augustine said over a millennium ago, our hearts are restless until they rest in Him. Only God Himself can make our lives anything but ultimately meaningless and empty. And we will never get anywhere near Him if we refuse to take up our cross and follow Jesus. This rousing call to the real adventure of a living faith is a wake-up call to complacent Christians and a rallying cry for anyone dissatisfied with a lukewarm faith.

The Unholy Trinity Matt Walsh,2017 According to Walsh, for years conservatives have worried endlessly about peripheral issues, [while] liberals have been hard at work chipping away at the bedrock of our civilization, and putting a new foundation in its place. New attitudes on abortion, gay marriage, and gender identity threaten to become culture-defining victories for progressives--radically altering not just our politics, but dangerously placing Man above God and the self above the good of the whole--Amazon.com.

Webb's playful illustrations and lively poems delight in the beauty of embracing one's truest self—from A is for Aro and Ace to F is for Family to T is for Trans. *The GayBCs* is a heartwarming and accessible gift to show kids and adults alike that every person is worthy of being celebrated. C Is for Consent Eleanor Morrison, 2018-05 A children's board book about respecting body boundaries. Teaches babies, toddlers, and thoughtful parents that it is okay for kids to say no to hugs and kisses, and that what happens to a person's body is up to them. Inspired by the #MeToo movement, written by a mom, illustrated by a feminist artist, and successfully crowdfunded on Kickstarter. Follows recommendations by child experts about allowing kids to decide when and how to offer affection to others. Helps young kids grow up confident in their bodies, comfortable with expressing physical boundaries, and respectful of the boundaries of others.

Pints with Aquinas Matt Fradd, 2016-08-10 If you could sit down with St. Thomas Aquinas over a pint of beer and ask him any one question, what would it be? *Pints With Aquinas* contains over 50 deep thoughts from the Angelic doctor on subjects such as God, virtue, the sacraments, happiness, alcohol, and more. If you've always wanted to read St. Thomas but have been too intimidated to try, this book is for you. So, get your geek on, pull up a bar stool and grab a cold one, here we go! He alone enlightened the Church more than all other doctors; a man can derive more profit in a year from his books than from pondering all his life the teaching of others. - Pope John XXII

What Is a Woman? Matt Walsh, 2022-06-14 A NATIONAL BESTSELLER Publishers Weekly Bestseller USA Today Bestseller Wall Street Journal Bestseller Seattle Times Bestseller Amazon Bestseller Is this even a question? What is a woman? For months, Matt Walsh devoted nearly every waking hour to answering this simple question. Honestly, it's a question he never thought he'd have to ask. But all of a sudden, way too many people don't seem to know the answer. Is a woman a woman just by feeling or acting a particular way? Aren't gender roles just a social construct? Can a woman be "trapped in a man's body"? Does being a woman mean anything at all? We used to think that being a woman had something to do with biology, but the nation's top experts keep assuring us that is definitely not the case. So Matt decided to do what no man (whatever that means) had done before. He sat

down with the experts and asked them directly. In *What Is a Woman?*, our hero: • Discovers that no one—not doctors, therapists, psychiatrists, politicians, transgender people, nor San Franciscans—can actually define the word “woman” • Hilariously convinces a non-binary therapist that Matt is questioning his own gender identity • Uncovers the shocking and horrifying roots of transgender theory • Learns exactly how activists and ideologues are trying to take over the minds of our kids • Reveals a strategy to defeat the collective insanity that has taken over our society Join Matt on his often comical yet deeply disturbing journey as he answers the question generations before us never knew they needed to ask: What is a woman?

The Good Governor Matthew R. Walsh, 2017-05-23 After the Americans withdrew from the Vietnam War, their Indochinese allies faced imprisonment, torture and death under communist regimes. The Tai Dam, an ethnic group from northern Vietnam, campaigned for sanctuary, writing letters to 30 U.S. governors in 1975. Only Robert D. Ray of Iowa agreed to help. Ray created an agency to relocate the Tai Dam, advocated for the greater admission of boat people fleeing Vietnam, launched a Cambodian relief program that generated \$540,000, and lobbied for the Refugee Act of 1980. Interviews with 30+ refugees and officials inform this study, which also chronicles how the Tai Dam adapted to life in the Midwest and the Iowans' divided response.

**The Score Takes Care of Itself** Bill Walsh, Steve Jamison, Craig Walsh, 2009-08-20 The last lecture on leadership by the NFL's greatest coach: Bill Walsh Bill Walsh is a towering figure in the history of the NFL. His advanced leadership transformed the San Francisco 49ers from the worst franchise in sports to a legendary dynasty. In the process, he changed the way football is played. Prior to his death, Walsh granted a series of exclusive interviews

to bestselling author Steve Jamison. These became his ultimate lecture on leadership. Additional insights and perspective are provided by Hall of Fame quarterback Joe Montana and others. Bill Walsh taught that the requirements of successful leadership are the same whether you run an NFL franchise, a fortune 500 company, or a hardware store with 12 employees. These final words of 'wisdom by Walsh' will inspire, inform, and enlighten leaders in all professions.

**The Unholy Trinity** Matt Walsh, 2017-03-28 It's now or never for conservative values. This highly anticipated debut from Matt Walsh of The Blaze demands that conservative voters make a last stand and fight for the moral center of America. The Trump presidency and Republican Congress provides an urgent opportunity to stop the Left's value-bending march to destroy the culture of our country. Republican control of the presidency, senate, and House of Representatives for the next two years is a precious—and fleeting—gift to conservatives. Americans concerned with blocking liberals' swift rethinking of life, marriage, and gender need to capture this moment to turn the tide of history. For years conservatives have worried endlessly about peripheral issues, liberals have been hard at work chipping away at the bedrock of our civilization, and putting a new foundation in its place. New attitudes on abortion, gay marriage, and gender identity threaten to become culture defining victories for progressives—radically altering not just our politics, but dangerously placing Man above God and the self above the good of the whole. What's at stake? The most fundamental elements of society, including how we understand reality itself. In *The Unholy Trinity*, TheBlaze contributor Matt Walsh draws on Catholic teachings to expose how liberals have attempted, with startling success, to redefine life, marriage, and gender. Abortion redefines human life, gay marriage redefines the family, and the latest theories on gender redefine what it means to be a man or a woman. The potential consequences are dire. If progressivism can bend life, family, and sex to its whims, Walsh argues, it has established relativism over God as the supreme law, and owns the power to destroy western civilization. With insight, candor, and faith, Walsh shows conservatives how to confront liberal arguments, defeat the progressive agenda for good, and reclaim American culture for truth.

*Summary of Matt Walsh's Church of Cowards* Everest Media, 2022-03-31T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Some Christians still worry that heathen hordes will one day arrive on American shores, armed with guns and knives, to crush our Christian way of life and destroy the American church. But instead of finding any evidence of Christianity in this country, they find the worship

of actors, politicians, athletes, and imaginary figures on television. #2 The heathens are perplexed. There are supposed to be 240 million Christians within America's borders, but they can't seem to find any. They eventually come across a church that looks like a rehab center for wealthy drug abusers. #3 The heathens come across another church, which looks like a Christian church on the outside. But when they go inside, they see a rainbow flag hanging on the side of the building, and through a stained glass window, they can see a middle-aged woman wearing priest clothes handing out communion hosts to the other members of the church. #4 American Christians, who were ignorant of the fundamentals of their own theology, actually believed that Jesus was a created being. They were asked to renounce their religion or die, but most refused.

**Speechless** Michael Knowles, 2021-06-22 "Every single American needs to read Michael Knowles's *Speechless*. I don't mean 'read it eventually.' I mean: stop what you're doing and pick up this book." —CANDACE OWENS The most important book on free speech in decades—read it!" —SENATOR TED CRUZ A New Strategy: We Win, They Lose The Culture War is over, and the culture lost. The Left's assault on liberty, virtue, decency, the Republic of the Founders, and Western civilization has succeeded. You can no longer keep your social media account—or your job—and acknowledge truths such as: Washington, Jefferson, and Columbus were great men. Schools and libraries should not coach children in sexual deviance. Men don't have uteruses. How did we get to this point? Michael Knowles of The Daily Wire exposes and diagnosis the losing strategy we have fallen for and shows how we can change course—and start winning. In the groundbreaking *Speechless: Controlling Words, Controlling Minds* Knowles reveals: How the "free speech absolutists" gave away the store The First Amendment does not require a value-neutral public square How the Communists figured out that their revolution could never succeed as long as the common man was attached to his own culture Where political correctness came from How, comply or resist, political correctness is a win-win game for the bad guys Why taking our stand on "freedom of speech" helps put atheism, decadence, and nonsense on the same plane with faith, virtue, and reality The real question: Will we shut down drag queen story hour, or cancel Abraham Lincoln? For 170 years the First Amendment was compatible with prayer in public school How the atheists got the Warren Court to rule their way To this day, there's a First Amendment exception for obscenity. What exactly is the argument that perverts' teaching toddlers to twerk is not obscene? Read *Speechless: Controlling Words, Controlling Minds* if you want to learn how to take the fight to the enemy.

A Roach Called Wensum Tom Baird, 2021-10-22 This is a children's book aimed at two- to six-year-olds. The main character is a fish that goes on a

journey in search of his family. On the way he meets different types of fish, who he befriends and they form their own unique family. Wensum has a few close encounters; one with a human who is fishing and Wensum is caught, and the other with one of his fears, a giant pike known for eating other fish. *Lazarus* David Bowie,Enda Walsh,2017-03-20 Beautiful...a last transmission from a dying star. - Time Out One of the last works completed by beloved pop icon David Bowie before his death in early 2016, the otherworldly musical *Lazarus* is a poignant homage to his legacy. *Food Across Borders* Matt Garcia,E. Melanie DuPuis,Don Mitchell,2017-10-17 The act of eating defines and redefines borders. What constitutes “American” in our cuisine has always depended on a liberal crossing of borders, from “the line in the sand” that separates Mexico and the United States, to the grassland boundary with Canada, to the imagined divide in our collective minds between “our” food and “their” food. Immigrant workers have introduced new cuisines and ways of cooking that force the nation to question the boundaries between “us” and “them.” The stories told in *Food Across Borders* highlight the contiguity between the intimate decisions we make as individuals concerning what we eat and the social and geopolitical processes we enact to secure nourishment, territory, and belonging. Published in cooperation with the William P. Clements Center for Southwest Studies, Southern Methodist University..
