New Mexico Territorial Era Caricatures Ron Hamm,2014-01-02 Step inside the pages of New Mexico Territorial Era Caricatures and learn about the men who made New Mexico what it is. See their likenesses and read about them. Druggists, farmers, postmasters. Many in these pages were just ordinary men who were concerned about running their businesses, making a living, and providing for

their families. If they had time they attended lodge meetings and helped make their community a better place in which to live. But there were others. They made their mark on a larger territorial stage. Governors, senators, land speculators, educators, military men, influential newspaper editors. They were true movers and shakers. What all these men in this book had in common was their love for New Mexico and their desire to make it better. Some of these men you thought you knew. Learn anew. Others you have never heard of. This book will make you wish you had. Discover hidden facets and see their likeness drawn at their height of their renown by a master illustrator, Harry Samuel Palmer.

Family Affairs: A Swamp Yankee Mysery James Y.

Bartlett, 2023-04-06 From Suspect to Sleuth! When Rhode Island Attorney General Preston Knox is brutally murdered in his home, just weeks before getting elected Governor, the state police immediately pull in Julius Haddock for questioning. After all, Julius, the now-retired chief of police in the town of Little Penwick, had a beef with the AG, when Knox drummed up some fake charges and put him in jail. (Glitter Girl, Book 1) But Julius didn't do it, and has an

unshakeable alibi—he was out having breakfast with his son Gus Haddock, the current chief in Little Penwick. So the outgoing governor appoints Julius to the task force investigating Preston Knox’s murder because she was impressed with his recent work on a cold case (Cold Secrets, Book 2). And that’s how Julius Haddock went from suspect to sleuth, working with the state police to track down leads and eliminate suspects, one by one. Along the way, Julius is befriended by a local kid on a bike, who has some family secrets of his own; and with his partner Siggie, Julius has to try and convince the last surviving member of an old Little Penwick family to consider donating his land to the Little Penwick Land Trust. But there are old family ghosts in the way there, too. Family Affairs, Book 4 in the Swamp Yankee Mystery series, is another page-turning adventure of police procedural, small-town relationships and family secrets. Just the kind of stew that makes James Y. Bartlett’s inventive new series so popular with readers.
