Memorial of Robert McCormick, 1885

Cut Patricia McCormick, 2024-05-21 An astonishing novel about pain, release, and recovery from two-time National Book Award finalist, Patricia McCormick. A tingle arced across my scalp. The floor tipped up at me and my body spiraled away. Then I was on the ceiling looking down, waiting to see what would happen next. Callie cuts herself. Never too deep, never enough to die. But enough to feel the pain. Enough to feel the scream inside. Now she's at Sea Pines, a residential treatment facility filled with girls struggling with problems of their own. Callie doesn't want to have anything to do with them. She doesn't want to have anything to do with anyone. She won't even speak. But Callie can only stay silent for so long...

Cyrus Hall McCormick and the Reaper Reuben Gold Thwaites, 1909

Sold Patricia McCormick, 2010-07-10 The powerful, poignant, bestselling National Book Award Finalist gives voice to a young girl robbed of her childhood yet determined to find the strength to triumph Lakshmi is a thirteen-year-old girl who lives with her family in a small hut on a mountain in Nepal. Though she is desperately poor, her life is full of simple pleasures, like playing hopscotch with her best friend from school, and having her mother brush her hair by the light of an oil lamp. But when the harsh Himalayan monsoons wash away all that remains of the family's crops, Lakshmi's stepfather says she must leave home and take a job to support her family. He introduces her to a glamorous stranger who tells her she will find her a job as a maid in the city. Glad to be able to help, Lakshmi journeys to India and arrives at Happiness House full of hope. But she soon learns the unthinkable truth: she has been sold into prostitution. An old woman named Mumtaz rules the brothel with cruelty and cunning. She tells Lakshmi that she is trapped there until she can pay off her family's debt-then cheats Lakshmi of her meager earnings so that she can never leave. Lakshmi's life becomes a

nightmare from which she cannot escape. Still, she lives by her mother's words-Simply to endure is to triumph-and gradually, she forms friendships with the other girls that enable her to survive in this terrifying new world. Then the day comes when she must make a decision-will she risk everything for a chance to reclaim her life? Written in spare and evocative vignettes by the co-author of I Am Malala (Young Readers Edition), this powerful novel renders a world that is as unimaginable as it is real, and a girl who not only survives but triumphs.

The Logic of Compromise in Mexico Gladys I. McCormick,2016-02-10 In this political history of twentieth-century Mexico, Gladys McCormick argues that the key to understanding the immense power of the long-ruling Partido Revolucionario Institucional (PRI) is to be found in the countryside. Using newly available sources, including declassified secret police files and oral histories, McCormick looks at large-scale sugar cooperatives in Morelos and Puebla, two major agricultural regions that serve as microcosms of events across the nation. She argues that Mexico's rural peoples, despite

shouldering much of the financial burden of modernization policies, formed the PRI regime's most fervent base of support. McCormick demonstrates how the PRI exploited this support, using key parts of the countryside to test and refine instruments of control—including the regulation of protest, manipulation of collective memories of rural communities, and selective application of violence against critics—that it later employed in other areas, both rural and urban. With three peasant leaders, brothers named Ruben, Porfirio, and Antonio Jaramillo, at the heart of her story, McCormick draws a capacious picture of peasant activism, disillusion, and compromise in state formation, revealing the basis for an enduring political culture dominated by the PRI. On a broader level, McCormick demonstrates the connections among modern state building in Latin America, the consolidation of new forms of authoritarian rule, and the deployment of violence on all sides.
