Destination Martins Ate, 2020-07-26 Destination: MeThe money off course is a necessity for every trip. But this one lasted 4 months with 60 EUR except for the costs of visas to enter a country. The general idea of this trip was to take this all trip on an as low budget as possible. As one of my friends told me once - the adventure starts where the money ends. After this trip which covered Belgium, Poland, Ukraine, Russia, China, Tibet, Nepal, India, Sri Lanka, Malaysia, Thailand and Laos a book was published and available for purchases and viewing below. Earth provides enough to satisfy every man's need, but not every man's greed. GandhiThis trip is to self discover the pearls of Russian Christian Orthodoxy monasteries, hights of Chinese Buddhism sacred places and feel the powerful energy of the ancient Hindu temples in India and then go back to the Western World with eyes washed in the purity of sacredness. Ascetical Expedition in EurasiaLiving beyond the MINIMUM: no hotels, NO paid TRANSPORTATION, eating only WHEN PROVIDED or EARNED same dayI GOT ALL MY LIFELooking back I can tell you the fact - the amount of money is not the main reason which is affecting our travel ability and mountains of happiness which we receive when we are open to that what God is providing for us! UNIQUE STORYHow many people do you know who have hitchhiked across all Russia, Asia and even India? Take a tour through the book and live through each day of my 4-month traveling during which I met even my first wife. CROSSING HIMALAYAN MOUNTAINS WITH PUSHBIKEI guess the hardest part was crossing Himalayan mountains with a pushbike. During this challenge, my average biking speed was below 7 km/h. DRINKING TEA WITH LONELY LAMA IN MOUNTAINS OF TIBETMy target which I accomplished in vedatrac II was to reach mount Kailash. On my way, I stopped many times in Lhasa - the capital of Tibet. My Chinese language skills helped me out a lot these days! AMAZING EXPERIENCEI spent a long time in China after this tour. I don't think I would be ever able to repeat anything like this ever in my life.

Persuasion Daniel J. O'Keefe,2015-02-18 Persuasion: Theory and Research, Third Edition is a comprehensive overview of social-scientific theory and research on persuasion. Written in a clear and accessible style that assumes no special technical background in research methods, the Third Edition has been thoroughly revised to reflect developments in persuasion studies. New discussions of subjects such as reactance and the use of narratives as vehicles for persuasion, revised treatments of the theories of reasoned action and planned behavior, and two new chapters on social judgment theory and stage models provide your students with the most current work on persuasion in a clear, straightforward manner. In this edition, author Daniel J. O'Keefe has given special attention to the importance of adapting (tailoring) messages to audiences to maximize persuasiveness. Each chapter has a set of review questions to guide students through the chapter's material and quickly master the concepts being introduced.
