Naturally Tan Tan France, 2019-06-04 A USA Today Hottest Book of the Summer for 2019! A Best Nonfiction Book for 2019 in Woman's Day! One of Hello Giggles's Most Anticipated Books of 2019 to Add to Your Reading List! "Just when I thought I knew everything about Tan, he hits me with this. His story is so heartwarming, and wickedly funny." —Antoni Porowski In this heartfelt, funny, and touching memoir, one of the stars of Netflix's Emmy Award-winning smash-hit *Queer Eye* reveals how an Englishman raised in a traditionally religious home became a fashion icon—and the first openly gay, South Asian man on television—simply by being Naturally Tan. In this heartfelt, funny, touching memoir, Tan France tells his origin story for the first time. With his trademark wit, humor, and radical compassion, Tan reveals what it was like to grow up gay in a traditional South Asian family, as one of the few people of color in South Yorkshire, England. He illuminates his winding journey of coming of age, finding his voice (and style!), and marrying the love of his life—a Mormon cowboy from Salt Lake City. From one of the stars of Netflix's runaway hit show *Queer Eye*, Naturally Tan is so much more than fashion dos and don'ts—though of course Tan can't resist steering everyone away from bootcut jeans! Full of candid observations about U.S. and U.K. cultural differences, what he sees when you slide into his DMs, celebrity encounters, and the behind-the-scenes realities of "reality TV," Naturally Tan gives us Tan's unique perspective on the happiness to be found in being yourself. In Tan's own words, "The book is meant to spread joy, personal acceptance, and most of all understanding. Each of us is living our own private journey, and the more we know about each other, the healthier and happier the world will be."

**The Uncertainty Mindset** Vaughn Tan, 2020-07-28 Innovation is how businesses stay ahead of the competition and adapt to market conditions that change in unpredictable and uncertain ways. In the first decade of the twenty-first century, high-end cuisine underwent a profound transformation. Once an industry that prioritized consistency and reliability, it turned into one where constant change was a competitive necessity. A top restaurant's reputation and success have become so closely bound up with its ability to innovate that a new organizational form, the culinary research and development team, has emerged. The best of these R&D teams continually expand the frontiers of food—they invent a constant stream of new dishes, new cooking processes and methods, and even new ways of experiencing food. How do they achieve this nonstop novelty? And what can culinary research and development teach us about how organizations innovate? Vaughn Tan opens up the black box of elite culinary R&D to provide essential insights. Drawing on years of unprecedented access to the best and most influential culinary R&D teams in the world, he reveals how they exemplify what he calls the uncertainty mindset. Such a mindset intentionally incorporates uncertainty into organization design rather than simply trying to reduce risk. It changes how organizations hire, set goals, and motivate team members and leads organizations to work in highly unconventional ways. A revelatory look at the R&D kitchen, *The Uncertainty Mindset* upends conventional wisdom about how to organize for innovation and offers practical insights for businesses trying to become innovative and adaptable.

**Lady Tan's Circle of Women** Lisa See, 2023-06-06 \*NEW YORK TIMES BESTSELLER!\* From "one of those special writers capable of delivering both poetry and plot" (The New York Times Book Review) an immersive historical novel inspired by the true story of a woman physician in 15th-century China—perfect for fans of Lisa See's classics *Snow Flower* and *the Secret Fan* and *Tea Girl* of Hummingbird Lane. According to Confucius, "an educated woman is a worthless woman," but Tan Yunxian—born into an elite family, yet haunted by death, separations, and loneliness—is being raised by her grandparents to be of use. Her grandmother is one of only a handful of female doctors in China, and she teaches Yunxian the pillars of Chinese medicine, the Four Examinations—looking, listening, touching, and asking—something a man can never do with a female patient. From a young age, Yunxian learns about women's illnesses, many of which relate to childbearing, alongside a young midwife-in-training, Meiling. The two girls find fast friendship and a mutual purpose—despite the prohibition that a doctor should never touch blood while a midwife comes in frequent contact with it—and they vow to be forever friends, sharing in each other's joys and struggles. No mud, no lotus, they tell themselves: from adversity beauty can bloom. But when Yunxian is sent into an arranged marriage, her mother-in-law forbids her from seeing Meiling and from helping the women and girls in the household. Yunxian is to act like a proper wife—embroider bound-foot slippers, recite poetry, give birth to sons, and stay forever within the walls of the family compound, the Garden of Fragrant Delights. How might a woman like Yunxian break free of these traditions and lead a life of such importance that many of her remedies are still used five centuries later? How might the power of friendship support or complicate these efforts? A captivating story of women helping each other, *Lady Tan's Circle of Women* is a triumphant reimagining of the life of one person who was remarkable in the Ming dynasty and would be considered remarkable today.

The Memoirs of the Baron Du Tan Madame de Gomez, 1744

Natalie Tan's Book of Luck and Fortune Roselle Lim, 2019-06-11 Lush and visual, chock-full of delicious recipes, Roselle Lim's magical debut novel is about food, heritage, and finding family in the most unexpected places. At the news of her mother's death, Natalie Tan returns home. The two women hadn't spoken since Natalie left in anger seven years ago, when her mother refused to support her chosen career as a chef. Natalie is shocked to discover the vibrant neighborhood of San Francisco's Chinatown that she remembers from her childhood is fading, with businesses failing and families moving out. She's even more surprised to learn she has inherited her grandmother's restaurant. The neighborhood seer reads the restaurant's fortune in the leaves: Natalie must cook three recipes from her grandmother's cookbook to aid her struggling neighbors before the restaurant will succeed.

Unfortunately, Natalie has no desire to help them try to turn things around—she resents the local shopkeepers for leaving her alone to take care of her agoraphobic mother when she was growing up. But with the support of a surprising new friend and a budding romance, Natalie starts to realize that maybe her neighbors really have been there for her all along.
