The Meg Steve Alten,2018-07 Read the book that inspired the BLOCKBUSTER MOVIE starring Jason Statham, Li Bingbing, Rainn Wilson, Ruby Rose, Winston Chao, and Cliff Curtis! Seven years ago, and seven miles below the surface of the Pacific Ocean, Dr. Jonas Taylor encountered something that changed the course of his life. Once a Navy deep-sea submersible pilot, now a marine paleontologist, Taylor is convinced that a remnant population of Carcharodon megalodon -- prehistoric sharks growing up to 70 feet long, that subsisted on whales -- lurks at the bottom of the Mariana Trench. When offered the opportunity to return to those crushing depths in search of the Megs, Taylor leaps at the chance... but the quest for scientific knowledge (and personal vindication) becomes a desperate fight for survival, when the most vicious predator that the earth has ever known is freed to once-again hunt the surface.

No Words Meg Cabot,2021-10-12 Meg Cabot, #1 New York Times bestselling author of *The Princess Diaries*, returns to Little Bridge Island with a new story about a children's book author with a case of writer's block and an arrogant novelist who have to set aside their differences as they get through a weekend long book festival that just might change everything—including their feelings for each other. Don't Judge a Book by Its Author... Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys. Jo Wright always swore she'd never step foot on Little Bridge Island—not as long as her nemesis, bestselling author Will Price, is living there. Then Jo's given an offer she can't refuse: an all-expense paid trip to speak and sign at the island's first ever book festival. Even though arrogant Will is the last person Jo wants to see, she could really use the festival's more-than-generous speaking fee. She's suffering from a crippling case of writer's block on the next installment of her bestselling children's series, and her father needs financial help as well. Then Jo hears that Will is off-island on the set of the film of his next book. Hallelujah! But when she arrives on Little Bridge, Jo is in for a shock: Will is not only at the book festival, but seems genuinely sorry for his past actions—and more than willing not only to make amends, but prove to Jo that he's a changed man. Things seem to be looking up—until disaster strikes, causing Jo to wonder: Do any of us ever really know anyone?
