Mega Weird Nicholas Megalis, 2015-03-31 A

collection of hilarious short stories from twenty-five year old Internet sensation Nicholas Megalis on his distinctively weird life and childhood, fully illustrated by Tom Megalis, his celebrated artist and animator dad. From Internet sensation Nicholas Megalis, comes Mega Weird, a collection of hilarious short stories on life as an anxiety-fueled artist, musician, and proudly weird dude. Raised in a ridiculous family of artists, Greek immigrants, and all-around weirdos, Megalis has had a strange and beautiful ride (and has consumed an ungodly amount of spanakopita). Mega Weird is an illustrated journal of Megalis's twenty-five years on this planet—borderline fireworks pyromania, chain-smoking at age seven, psychotic

magic trick obsessions, the perils of being a thirteen-year-old boy, a month-long band tour fueled by Taco Bell, caffeine, and guitars—each story accompanied by original art from his celebrated artist and animator dad, Tom Megalis. Mega Weird is an assurance that it's okay to be different. In fact, it's essential. Megalis wasn't good at sports and could barely tie his shoes until he was twenty, but that's fine. Who cares? He's proud to be weird. And you should be too. Life is insane, life is great. Thank God for rock and roll.
