The Mathematicall Praeface to Elements of Geometrie of Euclid of Megara John Dee,2020-07-17

Reproduction of the original: The Mathematicall Praeface to Elements of Geometrie of Euclid of Megara by John Dee

Murder in Megara Mary Reed,Eric Mayer,2015-10 John, former Lord Chamberlain to Emperor Justinian, has been exiled from Constantinople to a rustic estate John has long owned in Greece, not far from where he grew up. But exile proves no escape from mystery and mayhem. The residents of nearby Megara make it plain John and his family are unwelcome intruders. His overseer proves corrupt. What of the other staff - and his neighbors? Before long, John finds himself accused of blasphemy and murder. Now a powerless outsider, he's on his own, investigating and annoyingly hampered by the ruthless and antagonistic City Defender who serves Megara as both law enforcer and judge. Plus there's that corrupt estate overseer, a shady pig farmer, a servant's unwelcome suitor, a wealthy merchant who spends part of his time as a cave-dwelling hermit, and the criminals and cutthroats populating such a seedy port as Megara. Complicating matters further are two childhood friends whose lives have taken very different paths, plus the stepfather John hated. John realizes that in Megara, the solution to murder does not lie in the dark alleys where previous investigations have taken him, but in a far more dangerous place - his own past. Can he find his way out of the labyrinth of lies and danger into which he has been thrust before disaster strikes and exile turns into execution?

Murder in Megara Mary Reed and Eric Mayer,2018-04-18 John, former Lord Chamberlain to Emperor Justinian, has been exiled from Constantinople to a rustic estate John has long owned in Greece, not far from where he grew up. Chapters in the History and Civilization of Ancient Megara Ernest Leslie Highbarger,2023-07-18 This book provides a comprehensive guide to the history and civilization of Ancient Megara. From the founding of the city to its decline, the book explores the major events, personalities, and cultural developments that shaped the fate of this ancient city-state. Drawing on a wealth of primary sources and modern scholarship, Highbarger offers a unique window onto the world of Ancient Greece. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Finding His Strength Measha Stone,2023-06-28 Captured and forced to marry Henrik, Megara vows never to forget his monstrous behavior... but her hatred for her husband doesn't weaken her attraction to him. Henrik chases his legacy with the ferocity and strength worthy of a God. He will not be deterred, and he will not fail. Nothing will stand in his way. Not even a wife. But Henrik's strength can not keep Megara's beautiful soul from seeping into his heart. A choice is coming, between everything he ever wanted and the one thing he didn't know he needed.

The General Demosthenes and His Use of Military Surprise Joseph Roisman,1993 The Athenian general Demosthenes, who fought in the Peloponnesian war, used surprise in all his military operations. Chiefly because of this reason he has sometimes been labeled as an original thinker, if not a misunderstood genius. This study asks whether Demosthenes deserved the accolades that have characterized much of the modern studies of the general and his age. The investigation identifies what factors were responsible for Demosthenes' successes and failures, and draws attention to the hitherto unnoticed contributors to the general's victories. The study points to Demosthenes' inclination to take great risks, his uncompromising belief in the effectiveness of surprise in war, and his readiness to ignore objective difficulties in pursuing his goals. In addition, Demosthenes' campaigns indicate a narrow perception of military problems, a tendency to give up rather easily when things were not going according to plan and an inability to lead an orderly retreat.
