

Mei Mishima

Susan Jolliffe Napier

After the Banquet Yukio Mishima,1999-02-22 A portrait of a marriage in which lofty principles clash fatally with appetite and ambition—featuring a middle-aged restaurant owner who is the biggest and the most profound thing Mishima has done so far in an already distinguished career (The New Yorker). “One of the outstanding writers of the world. —The New York Times For years Kazu has run her fashionable restaurant with a combination of charm and shrewdness. But when the middle-aged entrepreneur falls in love with one of her clients, an aristocratic retired politician, she renounces her business in order to become his wife. In time, however, Kazu decides to resurrect her husband's political career. She embarks on a series of compromises and evasions that will force her to choose between her marriage and the demands of her irrepressible vitality.

My Friend Hitler and Other Plays of Yukio Mishima Yukio Mishima,2002 Acclaimed Japanese novelist Yukio Mishima (1925-1970) was also a prolific playwright, penning more than sixty plays, nearly all of which were produced in his lifetime. Hiroaki Sato is the first to translate these plays into English. For this collection he has selected five major plays and three essays Mishima wrote about drama. The title play is a satire that follows the breakdown of friendship between Adolf Hitler and two Nazi officials who were ultimately assassinated under orders from Hitler.

Mishima Marguerite Yourcenar,Alberto Manguel,2001-09 On November 25, 1970, Japan's most renowned postwar novelist, Yukio Mishima, stunned the world by committing ritual suicide. Here, Marguerite Yourcenar, a brilliant reader of Mishima and a scholar with an eye for the cultural roles of fiction, unravels the author's life and politics: his affection for Western culture, his family and his homosexuality, his brilliant writings, and his carefully premeditated death.

Death in Midsummer, and Other Stories Yukio Mishima,1966 Nine short stories by the Japanese literary genius provide insights into the struggles and problems of his contemporary countrymen.

The Life and Death of Yukio Mishima Henry Scott Stokes,2000 This incisive biography begins with the spectacularly tragic last day of the militant Japanese novelist, perhaps best known for his monumental four-book masterpiece The Sea of Fertility.

Thirst for Love Yukio Mishima,1999-02-22 Full of sexual torment, jealousy, and impossible-to-resolve longing, this novel from “one of the outstanding writers of the world (The New York Times) presents a riveting portrait of the corrosive power of frustrated desire. The protagonist is Etsuko, a young widow whose philandering husband died horribly from typhoid. After moving into the house of her father-in-law, her misery deepens as she numbly submits to the old man's advances. But soon Etsuko falls in love with the young servant, Saburo. Tormented by his indifference yet invigorated by her anguish, she makes one last, catastrophic, bid for his attentions.

The Moon in the Water Gwenn Boardman Petersen,1992-05-01

Yukio Mishima Peter Wolfe,1989

The Sound of Waves Yukio Mishima,2013-04-09 Set in a remote fishing village in Japan, The Sound of Waves is a timeless story of first love. A young fisherman is entranced at the sight of the beautiful daughter of the wealthiest man in the village. They fall in love, but must then endure the calumny and gossip of the villagers.

Runaway Horses Yukio Mishima,2013-04-09 Yukio Mishima’s Runaway Horses is the second novel in his masterful tetralogy, The Sea of Fertility. Again we encounter Shigekuni Honda, who narrates this epic tale of what he believes are the successive reincarnations of his childhood friend Kiyoaki Matsugae. In 1932, Shigeuki Honda has become a judge in Osaka. Convinced that a young rightist revolutionary, Isao, is the reincarnation of his friend Kiyoaki, Honda commits himself to saving the youth from an untimely death. Isao, driven to patriotic fanaticism by a father who instilled in him the ethos of the ancient samurai, organizes a violent plot against the new industrialists who he believes are usurping the Emperor’s rightful power and threatening the very integrity of the nation. Runaway Horses is the chronicle of a conspiracy — a novel about the roots and nature of Japanese fanaticism in the years that led to war.

Escape from the Wasteland Susan Jolliffe Napier,1995 Lurid depictions of sex and impotence, themes of emperor worship and violence, the use of realism and myth - these characterize the fiction of Mishima Yukio and Oe Kenzaburo. Napier discovers similarities as well as dissimilarities in the work of two writers of radically different political orientations. Napier places Yukio's and Kenzaburo's fiction in the context of postwar Japanese political and social realities and, in a new preface for the paperback edition, reflects on each writer's position in the tradition of Japanese literature.

Mishima : A Biography John Nathan,2004-06-30

The Decay of the Angel Yukio Mishima,2013-04-09 Yukio Mishima’s The Decay of the Angel is the final novel in his masterful tetralogy, The Sea of Fertility. It is the last installment of Shigekuni Honda’s pursuit of the successive reincarnations of his childhood friend Kiyoaki Matsugae. It is the late 1960s and Honda, now an aged and wealthy man, once more encounters a person he believes to be a reincarnation of his friend, Kiyoaki — this time restored to life as a teenage orphan, Tōru. Adopting the boy as his heir, Honda quickly finds that Tōru is a force to be reckoned with. The final novel of this celebrated tetralogy weaves together the dominant themes of the previous three novels in the series: the decay of Japan’s courtly tradition; the essence and value of Buddhist philosophy and aesthetics; and, underlying all, Mishima’s apocalyptic vision of the modern era.

Yukio Mishima Damian Flanagan,2014-08-15 The most internationally acclaimed Japanese author of the twentieth century, Yukio Mishima (1925–70) was a prime candidate for the Nobel Prize. But the prolific author shocked the world in 1970 when he attempted a coup d’état that ended in his suicide by ritual disembowelment. In this radically new analysis of Mishima’s extraordinary life, Damian Flanagan deviates from the stereotypical depiction of a right-wing nationalist and aesthete, presenting the author instead as a man in thrall to the modern world while also plagued by hidden neuroses and childhood trauma that pushed him toward his explosive final act. Flanagan argues that Mishima was a man obsessed with the concepts of time and “emperor,” and reveals how these were at the heart of his literature and life. Untangling the distortions in the writer’s memoirs, Flanagan traces the evolution of Mishima’s attempts to master and transform his sexuality and artistic persona. While often perceived as a solitary protest figure, Mishima, Flanagan shows, was very much in tune with postwar culture—he took up bodybuilding and became a model and actor in the 1950s, adopted the themes of contemporary political scandals in his work, courted English translators, and became influenced by the student protests and hippie subculture of the late 1960s. A groundbreaking reevaluation of the author, this succinct biography paints a revealing portrait of Mishima’s life and work.

Portraits from Mishima Wim Nuyten,2006-04 The Woman In The red Coat; Kankankan. . . goo . . . kankankan' echoed the sound of the alarm bells at the railroad crossing. As I sat in my study, I heard the whizzing sound of the passing train. It reminded me of an incident twenty years before . . . a woman in a red coat Interview With Karl Marx: As long as you don't ask Marxist questions, you're welcome. This story reproduces the life and the ideals of Marx on a high and humanistic level. Nuyten's The Last Supper (Letter, Funeral Speech and addendum: The Mother-In-Law Report) is like reading Paul Bowles and his A Distant Episode. Here,

we are deliberately led into an exotic and uncomfortable experience, so different from the norm. The narrator indicates he is the victim of his circumstances, but the truth he expresses has its bias as we come to see. The piece is most original and the way it involves the reader is what good writing is all about. Reader Rosebud Magazine

The Frolic of the Beasts Yukio Mishima,2018-11-27 Translated into English for the first time, a gripping short novel about an affair gone wrong, from the author of the Sea of Fertility tetralogy. Set in rural Japan shortly after World War II, The Frolic of the Beasts tells the story of a strange and utterly absorbing love triangle between a former university student, Koji; his would-be mentor, the eminent literary critic Ippei Kusakudo; and Ippei's beautiful, enigmatic wife, Yuko. When brought face-to-face with one of Ippei's many marital indiscretions, Koji finds his growing desire for Yuko compels him to action in a way that changes all three of their lives profoundly. Originally published in 1961 and now available in English for the first time, The Frolic of the Beasts is a haunting examination of the various guises we assume throughout our lives, and a tale of psychological self-entrapment, seduction, and crime.

Runaway Horses Yukio Mishima,1990-04-14 Yukio Mishima’s Runaway Horses is the second novel in his masterful tetralogy, The Sea of Fertility. Again we encounter Shigekuni Honda, who narrates this epic tale of what he believes are the successive reincarnations of his childhood friend Kiyoaki Matsugae. In 1932, Shigeuki Honda has become a judge in Osaka. Convinced that a young rightist revolutionary, Isao, is the reincarnation of his friend Kiyoaki, Honda commits himself to saving the youth from an untimely death. Isao, driven to patriotic fanaticism by a father who instilled in him the ethos of the ancient samurai, organizes a violent plot against the new industrialists who he believes are usurping the Emperor’s rightful power and threatening the very integrity of the nation. Runaway Horses is the chronicle of a conspiracy — a novel about the roots and nature of Japanese fanaticism in the years that led to war.

Mishima Philip Glass,1985

Forbidden Colors Yukio Mishima,1999-02-22 From one of Japan's greatest modern writers comes an exquisitely disturbing novel of sexual combat and concealed passion, a work that distills beauty, longing, and loathing into an intoxicating tale. • “One of the outstanding writers of the world.” —The New York Times An aging, embittered novelist sets out to avenge himself on the women who have betrayed him. He finds the perfect instrument in Yuichi, a young man whose beauty makes him irresistible to women but who is just discovering his attraction to other men. As Yuichi's mentor presses him into a loveless marriage and a series of equally loveless philanderings, his protégé enters the gay underworld of postwar Japan where Yuichi is defenseless as any of the women he preys upon.

The book delves into Mei Mishima. Mei Mishima is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Mei Mishima, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Mei Mishima
 - Chapter 2: Essential Elements of Mei Mishima
 - Chapter 3: Mei Mishima in Everyday Life
 - Chapter 4: Mei Mishima in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Mei Mishima. The first chapter will explore what Mei Mishima is, why Mei Mishima is vital, and how to effectively learn about Mei Mishima.
3. In chapter 2, the author will delve into the foundational concepts of Mei Mishima. The second chapter will elucidate the essential principles that must be understood to grasp Mei Mishima in its entirety.
4. In chapter 3, the author will examine the practical applications of Mei Mishima in daily life. The third chapter will showcase real-world examples of how Mei Mishima can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Mei Mishima in specific contexts. The fourth chapter will explore how Mei Mishima is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Mei Mishima. The final chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Mei Mishima.
