The Moon on a Rainy Night 2 Kuzushiro,2023-11-07 Ever since developing hearing loss during childhood, high schooler Kanon has largely relied on lip reading to navigate the world. Now, her new friend Saki is slowly helping her come out of her shell and find a place for herself at school. Meanwhile, Saki gets confronted by Kanon's fiercely protective younger sister, Rinne, who suspects Saki of harboring ulterior motives toward Kanon. Things come to a head when Rinne storms out of the house one evening, forcing Kanon and Saki to go looking for her in the dead of night. Worried that she won't be able to see or hear cars coming up behind them, Kanon asks Saki to hold her hand. Why does this simple act set Saki's heart racing? Could it be...

A History of Modern Japan Christopher Harding, 2020-06-30 Lucid and lyrical...a vivid history of Japan's turbocharged (and painful) modernization. --The Daily Telegraph In A History of Modern Japan, cultural historian Christopher Harding delves into the untold stories of Japan's recent history-- from a pop star's nuclear power protest song in 2011, to Japanese feminists who fought for an equal political voice in the 1890s. Though highly successful, and typically portrayed as a unified effort,

Japan's rebuilding throughout the 20th century faced a lot of domestic criticism. This story-led account gives a voice to those who felt they didn't fit in with what Japan was becoming. It's that push and pull that made the country what it is today. This book will be a fascinating read for anyone interested in Japanese culture--whether film and literature, or pop culture and manga--as big shifts in Japanese ideology and society tend to come from culture and the arts, rather than being politically-driven. It will also be of interest to those traveling to Japan who want a better sense of the place, or anyone seeking to better understand Japan's role on the global stage. With over 100 photographs, maps and prints, *A History of Modern Japan* showcases the compelling story of Japan's amazing growth and its resulting struggles. For all the country's advancement, the Japanese people continue to wrestle with the notion of what it means to be Japanese in a changing world.

More Than Cake Natasha Pickowicz, 2023-04-11 The sumptuous debut cookbook from celebrated baker, activist, and pastry “it girl” Natasha Pickowicz * Named a Best New Cookbook of Spring 2023 by Food & Wine, Eater, and more Natasha Pickowicz is a creative force in the world of baking. Her pastries are uniquely delicious and surprising. She's picked up three James Beard Award nominations

for her time as a professional pastry chef. Her buzzy bake sales for Planned Parenthood and other nonprofits have raised hundreds of thousands of dollars. Now she shares her recipes and baking know-how in a debut cookbook brimming with the energy, passion, joy, knowledge, and spirit of generosity that define her work. The recipes are fresh and uncomplicated, drawing on the author's Chinese and Californian heritage. She pairs nectarine and miso in a tarte tatin and makes a layer cake with olive oil, mascarpone, and fennel. Black cardamom gets tucked into pecan sticky buns, and galettes go savory with kabocha squash. Brown butter is the secret to irresistible buckwheat chocolate chunk cookies. And she's a born teacher. Of course pastry requires a real focus on detail and technique, but the author is here at every step with invaluable tips: underbeat meringue; boil your plum stones to extract even more plum flavor; look for "first-press" yuzu juice; for the flakiest pie dough, first freeze your butter, then use a grater to get perfect shreds. More Than Cake means baking to bring people together. It calls on you to prioritize pleasure. As the author writes, "Dessert is beyond simple calories and nutrition. . . . It spreads delight in a way that no other kind of dish can. This is something I

think people really need—it's not optional.” It's a philosophy to live by.

Il Bel Centro Michelle Damiani, 2020-08-09 A witty and warm-hearted memoir of abandoning fast-paced American days in favor of discovering the Italian secrets of food, community, and life. Moving across the globe meant Michelle Damiani soon found herself untangling Italian customs, delighting in glorious regional cuisine (recipes included), and creating lasting friendships. From grandmothers eager to teach the ancient art of pasta making, to bakers tossing bread into fiery ovens with a song, to butchers extolling the benefits of pork fat, *Il Bel Centro* is rich with captivating characters and cultural insights. Throw in clinking glasses of Umbrian red with the local communists and a village all-nighter decorating the cobblestone streets with flower petals; as well as embarrassing language minefields and a serious summons to the mayor's office, and you have all the ingredients for a spellbinding travel tale. Exquisitely observed, *Il Bel Centro* is an intimate celebration of small town Italy, as well as a

thoughtful look at raising a family in a new culture and a fascinating story of finding a home. Ultimately though, this is a story about how travel can change you when you're ready to let it. With laugh-out-loud situations and wanderlust-inspiring storytelling, *Il Bel Centro* is a joyous and life-affirming read that will have readers rushing to renew their passports. "This is one of the most beautiful book I've ever read." "I absolutely couldn't get enough of this book." "This book made me want to pack my bags." "I loved, loved this book. Fabulously written, engaging, and entertaining." "A magical read."
