

Menace

J. R. Robertson

Menace J. M. Darhower,2017-01-14 Once upon a time, there was a guy who got so fed up with life that he resorted to murder and mayhem just to feel alive. Lorenzo Gambini is bored. So f*cking bored. Most people either annoy him or avoid him, afraid to face him. Figuratively. Literally. With his face partially disfigured, scarred, he looks every bit the monster the stories make him out to be: the notorious Scar. They say he's a sociopath. Maybe he's a psychopath. Whatever path he's on, people tend to stay far away from it. Until one day, a young woman bumps right into him--a woman just as fed up with life, but for much different reasons. With a Scarlet Letter inked on her wrist and secrets buried deep in her soul, Morgan Myers is running from something... or maybe somebody. Lorenzo isn't quite sure. You can bet your ass he's going to figure it out, though.

Red Menace Lois Ruby,2020-02-04 A suspenseful and heartfelt story about an era whose uncertainties, controversies, and dangers will seem anything but distant to contemporary readers. If thirteen-year-old Marty Rafner had his way, he'd spend the summer of 1953 warming the bench for his baseball team, listening to Yankees games on the radio, and avoiding preparations for his bar mitzvah. Instead, he has to deal with FBI agents staking out his house because his parents—professors at the local college—are suspected communist sympathizers. Marty knows what happens to communists, or Reds, as his friends call them: They lose their jobs, get deported...or worse. Two people he's actually met, Julius and Ethel Rosenberg, have been convicted of being communist spies, and they're slated to be executed in two months. Marty just wants everything to go back to normal, but that's impossible thanks to the rumors that his parents are traitors. As his friends and teammates turn on him and federal agents track his every move, Marty isn't sure what to believe. Is his family really part of a Red Menace working against the United States? And even if they're simply patriotic Americans who refuse to be bullied by the government, what will it cost them? As the countdown to the Rosenbergs' execution date continues, it may be up to Marty to make sure his family survives.

Don't be a Menace on Sundays! Adolph Moser,2001 Examines the kinds of violence that threaten the lives of children and the overwhelming influences that can move them to become violent themselves.

The Mesmer Menace Kersten Hamilton,2013 Daring dachshund Noodles narrates as evil Mesmers bent on world domination arrive at the Amazing Automated Inn, where eleven-year-old inventor Wally Kennewickett, aided by Noodles and the inn's automatons, tries to foil their plans.

The Terran Menace J. R. Robertson,1986-01-22

The Diary of Dennis the Menace: Rollercoaster Riot! Steven Butler,2014-08-07 Get ready for the third brilliant Diary of Dennis the Menace book: Rollercoaster Riot! All aboard THE VOMIT COMET! Guess what fellow menaces - The World's Biggest Rollercoaster is opening in Beanoland this summer! I just need to win an easy-peasy competition to be the first Bash Street School student to ride it - and I might have to trick a few Softies as well . . . Steven Butler is an actor, dancer and trained circus performer, and has been a fan of The Beano since childhood. He has appeared in the Wizard of Oz in London's West End and was previously Henry in Horrid Henry Live and Horrid! His primary school headmaster was the fantastically funny author Jeremy Strong. Steven's first novel, The Wrong Pong, was shortlisted for the prestigious Roald Dahl Funny Prize in 2009.

Operation Menace Arthur J. Marder,2016-06-30 “A fascinating and well-written account of a failed military operation that deserves to be on the bookshelves of all those interested in naval history.” —Marine News Continuing on from his study of the Oran operation of July 1940, when the French warships were destroyed at Mers-el-Kébir, the author investigates the allied expedition of September that year, with De Gaulle present, which unsuccessfully attempted to break the French at Dakar away from the Vichy Government. In addition, there is the story of the Admiral Sir Dudley North, Flag Officer Commanding at Gibraltar at the time, who was relieved from his post after allowing a French naval squadron to pass out of the Mediterranean and so jeopardize the Dakar operation. A pet operation of Prime Minister Churchill, it was undertaken against all advice, and it turned out to be a fiasco. In the author’s words, “Menace exemplifies, in its genesis, planning, and execution, all that can go wrong in warfare; an operation fouled up by unforeseen contingencies, the accidents of war, and human error, and against a background of undue political interference, inadequate planning, and half-baked cooperation between Allies.” Using Admiralty and Cabinet papers, as well as private sources of information, Marder weaves a skilled course through all the complex material to produce a masterly case-study of how an operation is mounted and how it can go disastrously wrong. It is a classic, tragi-comic illustration of the fog of war. “Marder’s analysis is neutral and objective; his research is exhaustive and its results instructive . . . This is an example of naval history at its best and this volume is strongly recommended.” —Warship World

Menace to Empire Moon-Ho Jung,2022-02-22 Prologue : worlds empire made -- Introduction : reckoning with history and empire -- Suppressing anarchy and sedition -- Conflating race and revolution -- Fighting John Bull and Uncle Sam -- Radicalizing Hawai'i -- Red and yellow make orange -- Collaboration and revolution -- Conclusion : America is not in the heart.

The Tenth Menace Werner Hendrik Cornelis,2009-12-09 The most important factor in all environment threats is overpopulation.This can be quantified: 70 %, if the individual consumption stays high, and still 40 %, if this consumption is halved.Remedies are tackling specific environmental problems (deforestation, desertification, etc.) on one hand, and controlling migration and birth rates on the other.Implementation will have to meet moral, ethical, legal, ...standards.This book aims to show the way.REALLY INNOVATING !!

Rampage (The Singular Menace, 3) John Sandford,Michele Cook,2017-07-11 John Sandford and Michele Cook complete their New York Times bestselling thriller series in this explosive finale! Fans of James Dashner, Harlan Coben, and James Patterson will love this nail-biting trilogy. Shay Remby and her band of renegade activists have got the corrupt Singular Corporation on the run. Their exposé is finally working. Or is it? Even as revelations about the human experimental subjects break in the news, Singular’s employees are slithering out of sight. And then the CEO is killed in a plane crash . . . Convenient accident—or sabotage? Shay’s gang begins to see signs that there may be even more powerful figures managing events—mopping up the mess, and moving the operation further out of sight. It will take nothing short of a rampage to stop the Singular menace for good. . . . Praise for the Singular Menace series: “A fabulous mix of outlandish hijinks, techno-noir, and teen cheek—LA style. Not to be missed.” —Booklist “Any reader looking for an action-packed thriller should pick this up.” —Booklist

The Mormon Menace Patrick Mason,2011-02-16 It incarnates every unclean beast of lust, guile, falsehood, murder, despotism and spiritual wickedness. So wrote a prominent Southern Baptist official in 1899 of Mormonism. Rather than the quintessential American religion, as it has been dubbed by contemporary scholars, in the late nineteenth century Mormonism was America's most vilified homegrown faith. A vast national campaign featuring politicians, church leaders, social reformers, the press, women's organizations, businessmen, and ordinary citizens sought to end the distinctive Latter-day Saint practice of plural marriage, and to extinguish the entire religion if need be. Placing the movement against polygamy in the context of American and southern history, Mason demonstrates that anti-Mormonism was one of the earliest vehicles for reconciliation between North and South after the Civil War and Reconstruction. Southerners joined with northern reformers and Republicans to endorse the use of newly expanded federal power to vanquish the perceived threat to Christian marriage and the American republic. Anti-Mormonism was a significant intellectual, legal, religious, and cultural phenomenon, but in the South it was also violent. While southerners were concerned about distinctive Mormon beliefs and political practices, they were most alarmed at the invasion of Mormon missionaries in their communities and the prospect of their wives and daughters falling prey to polygamy. Moving to defend their homes and their

honor against this threat, southerners turned to legislation, to religion, and, most dramatically, to vigilante violence. The Mormon Menace provides new insights into some of the most important discussions of the late nineteenth century and of our own age, including debates over the nature and limits of religious freedom; the contest between the will of the people and the rule of law; and the role of citizens, churches, and the state in regulating and defining marriage.

The Hatpin Menace Kerry Segrave,2016-02-25 Between 1887 and 1920, the humble hatpin went from an unremarkable item in every woman's wardrobe, to a fashion necessity, to a dangerous weapon (it was said). Big hair and big hats of the era meant big hatpins, and their weaponized use sparked controversy. There were good uses of hatpins, such as fending off an attacker in the street. There were also bad uses, such as when a woman being arrested tried to stab a police officer. But seriously: All those protruding pins seemed to threaten people everywhere in the public sphere. It did not sit well with the patriarchy, who responded with hysterical crusades and often ludicrous legislation aimed at curbing the hatpin and disarming American women.

The Diary of Dennis the Menace: The Great Escape Steven Butler,2016-02-04 Fans of Horrid Henry and Wimpy Kid will love the diaries of Britain's most famous naughty boy. In this story, Dennis the Menace - Prankmaster General and feared enemy of softies everywhere - has been sent to an elite boarding school. Help! Dennis is surrounded by bookish boffins, can't hang out with the Bash Street Kids and is nearly starving as the school dining room only serves super-healthy food. What he needs is a plan. With a little help from his menacing buddies on the outside, some fart pellets and Gran on a Charley Davison bike, it's time for Dennis to make his great escape . . .

Menace From the Past James Alan Anderson,2023-07-18 Is it possible to ever truly escape one's past? For thirteen-year-old Matthew and his girlfriend Melissa, who are finally free from the dominance of a repressive religious cult, the Philadelphia Brethren, the answer seems to be no. Even though they are now members of loving adoptive families, the teens still have to deal with some troublesome lingering issues from their past lives. Melissa harbours a deep resentment towards her fanatically religious former parents for depriving her of a happy and carefree childhood. They had subjected her to years of mental and physical abuse, social isolation, and denial of personal freedoms. Matthew struggles with anxious thoughts about the safety of his loved ones and is having frightful nightmares about his demented ex-stepmother Vivian. To make matters worse, their otherwise idyllic 1960s Saskatchewan community is put on edge following attempts on both Melissa's life and another innocent young person. Matthew's graphic nightmares begin to overwhelm him as they resurrect painful memories of his troubled past, a past that he is desperately trying to forget. Matthew also believes that a few of those nightmares could actually be real-life excursions into horrific alternate realities where the familiar concepts of time and space become disjointed and incomprehensible. Menace From the Past is the fifth book in the Threefold Cord series that follows the story of the adopted sons in the Adamson family who are all religious cult "refugees" and it is the first in the series to be narrated by Matthew. A bonus supplement is also featured, Camp Purgatory, where Matthew recounts the last few weeks of his former life in the Philadelphia Brethren church when he and his best friend Danny were subjected to intensive religious indoctrination at a summer youth camp.

Moonshine & Menace Kathleen Brooks,2021-11-09 Polly Lurie had been battling evil for centuries, but everything changed when she was selected to teach Zoey Rode how to use her new powers. Together they defeated evil and Zoey took her place among the witches, even finding love with the dark and dangerous Slade. Polly wishes to find that same love. Only the one man she's interested in doesn't seem to think of her as anything but a friend. Samuel Mannering had loved and lost during the war between good and evil. For four hundred years, he'd been Slade's right hand as they fought evil together. Now witches are coming together once again, love is all around, and he only has eyes for Polly Lurie. The trouble is, he knows she can't be his true love. Or can she? Zoey and Slade know the happiness of the witches in Moonshine Hollow, Tennessee won't last. She's seen it in her visions. For the first time in four hundred years, witches feel safe. But that illusion of safety is about to be ruined. The war they once thought over is just beginning as menacing dark magic appears in Moonshine Hollow.

Hizballah: Terrorism, National Liberation, or Menace? ,

The Mysterious Alien Menace! Art Baltazar,Franco Aureliani,2014 A mysterious alien menaces the Super Family and his strange alien symbol affects the man of steel's super powers.

Pasteurized Milk a National Menace James C. Thomson,1998-09

Emotions of Menace and Enchantment Susan Beth Miller,2017-12-22 Emotions of Menace and Enchantment examines four pivotal human emotions. It explores what defines these emotions, how they interact, and how they impact the experience of self-boundary. All four feelings speak to the boundary around the self, to whether we stiffen that boundary, relax it or worry about its fraying.? Psychoanalysis has looked closely at conflicts that human beings experience, but has paid relatively less attention to the specific emotions through which conflict is known and managed. The disgust emotion is unique in operating like a gatekeeper that manages what approaches us closely. Disgust appears prominently in our relationship with the physical world, but surprisingly, is just as common in the world of politics. It moves people to action, including deeds of great violence. Horror occurs when we feel invaded and altered by something that leads to profound insecurity. Human beings behaving inhumanly is one common source of horror. While disgust is a moral emotion, horror makes no judgments but speaks to the misery of being unsafe. Awe opens the self to the outside world, and creates moments that sustain us through times of stress. Fascination also involves openness but its characteristic attitude and attention shows its differences from awe. It forms the foundation for deep learning. All four emotions find their way into psychopathology; for example, fascination plays a role in addiction and awe in masochism and cult formation. Emotions of Menace and Enchantment will help mental health professionals in psychoanalysis, psychotherapy, psychiatry and social work to better parse clinical encounters with the four emotions and to think as well about defensive patterns aimed at blunting contact with them. It will engage anyone interested in examining the roles these emotions play in politics, societal violence, addictions, and everyday joys and suffering.

Fiber Menace: The Truth About the Leading Role of Fiber in Diet Failure, Constipation, Hemorrhoids, Irritable Bowel Syndrome, Ulcerative Colitis, Crohn's Disease, and Colon Cancer Konstantin Monastyrsky,2005

Menace Book Review: Unveiling the Power of Words
